I Know that My Redeemer Lives-Ronald P. Hesselgrave 2016-10-11 The book of Job has captured the imagination of Christians and non-Christians alike. In this study, Ronald Hesselgrave shows how the personal story of Job's intense struggle with suffering is representative of the pain and vexation within the entire creation, and how Job's eventual healing and restoration in the context of his relationship to God is connected to the "grand narrative" of God's purpose to redeem humanity and defeat evil in the world. He explores the themes of creation, evil, lament, justice, and God's sovereignty, grace, and redemption within the separate speeches in Job and against the backdrop of wisdom literature as a whole. A further concern of this study is with the pastoral or practical value of the book of Job, both for caregivers and those who may themselves be going through the valley of deep trauma and suffering. Dr. Hesselgrave brings together theological, social, and psychological insights in a way that deepens our understanding of suffering and provides the basis for a more holistic and comprehensive response to the needs of those who suffer. A final summary of the implications of Job for a practical theology of suffering is given in the conclusion.

Renewal Theology-John Rodman Williams 1996 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition. Previously published as three separate volumes, Renewal Theology represents the first exhaustive, balanced articulation of charismatic theology. Renewal Theology discusses: Book One--God, the World, and Redemption - Book Two--Salvation, the Holy Spirit, and Christian Living - Book Three--The Church, the Kingdom, and Last Things. As theology, this work is an intellectual achievement. But it is much more than that. The author urges the church to undertake its task of theology in the proper spirit: - an attitude of prayer - a deepening sense of reverence - an ever-increasing purity of heart - a spirit of growing love - a theological approach rooted in the glory of God. Done in such a spirit, theology becomes a faithful and powerful witness to the living God.

Pray Differently-Prasad Abraham 2007-08-01 Abraham brings out 23 mysteries from the parable of prayer mentioned in Luke 11, which may change the way believers pray. In addition to discussing the four qualities of Jabez's prayer, the book presents other challenging prayers of the Bible, by which people of God became history makers. (Practical Life)

When Suffering Persists-Frederick W. Schmidt 2001-11-01 Sometimes pain passes quickly and small losses are easily absorbed. But suffering often goes on and on, and for people of faith, the resulting crisis can be deeper and more destructive than the loss itself. We look for ways to comfort those who are hurting. But sometimes, in spite of our good intentions, the clichés and simplistic theology we offer only add to the pain and misery. In When Suffering Persists Frederick W. Schmidt presents a pastoral exploration of ways to understand suffering theologically, offering an approach that ministers to both mind and spirit. He questions the value of our usual comforting words and examines the pat explanations we give one another. He provides instead a theology that takes seriously the devastating character of suffering, allowing for real help to those who continue in pain. Excellent for parish study.

Living in Bible Times-Christopher J. Richmann 2020-01-09 F. F. Bosworth was the only major living link between the late-nineteenth-century divine healing movement that gave birth to Pentecostalism and the post-World-War II healing revival that brought Pentecostalism into American popular culture. At once on the fringes and in the mainstream of American Pentecostalism, Bosworth has largely been ignored by historians. Richmann demonstrates that Bosworth's story not only draws together disparate threads of the Pentecostal story but critiques traditional interpretations of speaking in tongues, Azusa Street, denominational affiliation, divine healing, the relationship to fundamentalism, the Word of Faith movement, and eschatology. In this critique, Richmann provides a much-needed critical biography of Bosworth as well as a fresh interpretation of Pentecostalism.

Tell Them for Me-Mary Pat Kelly Upright 2020-11-05 Tell Them for Me is a book of evidence that we are a spirit being, not only a physical being. The death of Brian from the Vietnam War was the beginning of a spiritual awareness-when an angelic messenger came to Mary Pat the night before Brian's funeral and made the announcement through her grief that, "Jesus has a reason for you." This experience is only one of many that records the truth of a spiritual kingdom in which Jesus Christ is Lord. Mary Pat shared a bold supernatural f

Divine Healing: The Formative Years: 1830–1890-James Robinson 2011-04-13 Divine healing is commonly practiced today throughout Christendom and plays a significant part in the advance of Christianity in Latin America, Africa, and Asia. Such wide acceptance of the doctrine within Protestantism did not come without hesitation or controversy. The prevailing view saw suffering as a divine chastening designed for growth in personal holiness, and something to be faced with submission and endurance. It was not until the nineteenth century that this understanding began to be seriously questioned. This book details those individuals and movements that proved radical enough in their theology and practice to play a part in overturning mainstream opinion on suffering. James Robinson opens up a treasury of largely unknown or forgotten material that extends our understanding of Victorian Christianity and the precursors to the Pentecostal revival that helped shape Christianity in the twentieth century.

Wrestling with Alligators, Prophets and Theologians-C. Peter Wagner 2010-07-12 For the past half-century, C. Peter Wagner has been at the leading edge of the key spiritual paradigm shifts which have been accompanied by major moves of the Holy Spirit. In the 1960s the missionary movement in South America was at its peak—and Dr. Wagner was there. In the 1970s he was a recognized authority in the church-growth movement. In the 1980s he taught a popular course at Fuller Seminary with Vineyard movement leader John Wimber that advocated praying healing for the sick, spiritual mapping, identificational repentance and spiritual warfare; Dr. Wagner coined the phrase “Third Wave” to describe this fresh move of the Holy Spirit—the impact of which is still being felt today. In the 1990s he became a leader of the New Apostolic Reformation, and in the new millennium he has championed the Dominion Mandate, adopting the Seven Mountain (or 7M) template for reclaiming the culture for God’s Kingdom. For five decades, Dr. Wagner has led the Church from one great move of God to the next, riding the wave of the Spirit through changes he never imagined when he first answered God’s call to ministry. In Wrestling with Alligators, Prophets and Theologians, C. Peter Wagner tells, for the first time, his personal story of ongoing transformation. Readers will get a close-up view of the seismic shifts in the Church’s recent history, through the eyes of one of the only people to have seen it all unfold.

Reclaiming Reason-Adam Murrell 2012-01-26 In this compact, fluently written survey of logical fallacies, Adam Murrell provides myriad examples of ways we go about being illogical--how we deceive ourselves and others, how we think and argue in ways that are uncritical, disorganized, or irrelevant. From billboards to bumper stickers to radio to television, fallacious arguments are seemingly everywhere we look. Reclaiming Reason was designed to teach people how to counter this trend, how to reason with clarity, relevance, and purpose at a time when passions and emotion frequently override sound judgment. This concise handbook is essential for Christians as they study logic, the art of reasoning well--of learning to think God's thoughts after him. A book of remarkable sensibility, Reclaiming Reason is unassumingly relaxed, informal, and easily digestible.

Christ's Teaching of Judgment to Christians-David Rivington 2017-07-06 Christ’s Teaching of Judgment to Christians by David Rivington The most terrifying words ever spoken by the Lord Jesus Christ were spoken to Christians, to His own disciples, when He said: “Not everyone who says to Me, ‘Lord, Lord,’ shall enter the kingdom of heaven, but he who does the will of My Father in heaven. Many will say to Me in that day, ‘Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?’ And then I will declare to them, ‘I never knew you; depart from Me, you who practice lawlessness!’” (Matthew 7:21-23) What does Jesus mean? What are Christ’s warnings to professing 21st century Christians today? This book is written to answer Christ's own teaching to these questions and God’s judgment upon every professing Christian. “I know of no chapter in all of Scripture which needs to be taught and explained to Christians in this modern superficial and confused Church age more than Matthew chapter 7.” - David Rivington

F.F. Bosworth-Roscoe Barnes III 2009-05-05 When the Pentecostal movement exploded in 1906 in Zion City, Ill., Fred Francis Bosworth was present. When the Assemblies of God was being formed, Bosworth served as one of its leaders. He also was present as a mentor to the tent revivalists in the 1940s and 1950s. This book is about the life and ministry of Bosworth (1877-1958), a Pentecostal pioneer, musician, famous healing evangelist, and the author of Christ the Healer. He reportedly led over a million people to Christ, and was considered by scholars and ministers alike to be one of the most successful healing evangelists of his era. His writings on divine healing influenced many church leaders of his day, as well many who claim healing ministries today. While many people are familiar with his book, Christ the Healer, few know much about the man behind the book. F.F. Bosworth is the first book to offer a critical analysis of Bosworth's life and ministry from the beginning to the end. The purpose of this work is to explore his life and ministry in order to identify and analyze some of the factors that contributed to his success as a famous healing evangelist.

This book contains timeless principles of ministry that will benefit both those who serve in vocational ministry and

those who minister on a volunteer basis.

TORCH-Dr. Linda Tucker 2015-12-22 It was Friday eve: around three in the afternoon ... a ringing phone. Wrong number, perhaps? My sister answered; who was she talking too? Who was the voice on the other end? Were they asking for someone? What was being spoken in her ear that caused her to be unable to speak? What had startled her so much that she completely froze? "All time appeared to have stopped; surly the dial of Ahaz, the sun dial had gone back another ten degrees. For what appeared to be the longest moment in time, in a petrified voice, she finally spoke ... hello, hello ... Torch tells the story of a young adult who has an encounter with the One True God—Ehyeh Asher Ehyeh—rendered I Am that I Am! Torch will set the record straight on the truth that God is the One true God of all Flesh. "When God commissioned Moses to be Israel's liberator from the bondage of Pharaoh Egypt, he asked for God's name in order to validate his God-given role to the children of Israel (Exodus 3:14). God simply answered Moses, "Ehyeh Asher Ehyeh." During my secret experience with the great I Am, God gave me two commands and a promise. KJV Proverbs 25:2 says: "It is the glory of God to conceal a thing: but the honour of kings is to search out a matter." I am one of the remaining Humanoids on planet Earth who can testify that the Creator Himself of the Universe does speak to Mankind.

The Eyes of Honor-Dr. Ricky Edwards 2020-08-12 Honor has become a lost art in today's society. We see dishonor not only in the world but unfortunately in the church also. In 1 Samuel 2:35b, the Bible says, "for them that honour me I will honour, and they that despise me shall be lightly esteemed." God is very clear about honor, and the Bible has much to say about it. In the days of old, people were very honorable towards God and His things. However, there is a spirit of disobedience at work to relegate the things of and pertaining to God down to the unimportant and insignificant. In these times, we must find our way back to understanding honor and God's plan of favor on our lives. Honor is truly the currency of Heaven and becomes the vehicle by which the blessing flows. This book illuminates the ways that many dishonor God. It has become so subtle that many are completely unaware of what is dishonorable. There are many truths that, when applied, the believer will begin to experience the blessing moving in ways that they have never seen before. When we master these precepts of being honorable, the flood gates of currency will begin to open, and uncommon favor is released into our lives. Honor truly is the currency of Heaven by which all heavenly business is transacted.
