Repertory of the Homeopathic Materia Medica-Kent James Tyler 2008-06-01

Kent's Comparative Repertory of the Homeopathic Materia Medica- 2015-01-01 Kent's repertory is one of the most acceptable repertories amongst the homoeopathic fraternity . Kent's comparative repertory is a helping hand for the physicians and students alike to overcome the problem of understanding the exact meaning of each rubric and to differentiate amongst the closely related ones such as :abandon and Forsaken' also the book is a guide for the selection of 'The correct remedy' as it details the differenting features of each of the third grade remedy under the given rubric. This facilitates the physician at the clinical level. The book well elucidates the most important section of the Kent's repertory which is the Mind section.

Repertory of the Homeopathic Materia Medica-James Tyler Kent 1897

James Tyler Kent Unpublished Materia Medica-Ahmed N. Currim 2009-05-01 This is a compilation of lectures given by Kent in various places like Hering Medical College and Dunham Medical College. It brings into light the superb work of Kent, many new pictures of the standard, well known remedies and materia medica of some new remedies not presented before by Kent (Abrotanum, Robinia, Tabacum etc). The remedies have been discussed elaborately under the heads of general and particular features.

Lectures on Homeopathic Philosophy-James Tyler Kent 1993-02-03 As increasing numbers of people turn to alternative healing practices, this classic text on the science and art of homeopathic medicine remains ever relevant. Written at the turn of the twentieth century by a distinguished physician, its concepts of health and healing are still ahead of our time. Dr. Kent summarizes, interprets, and systematizes the traditions of homeopathy, offering insights into the essential characteristics of the healing process: how to take a case history, how to study the case, how to establish the hierarchy of symptoms in determining the appropriate remedy--and above all, how to decide what to do after the first prescription, how to interpret the many reactions to therapy, and how to achieve a scientific understanding of a cure. This informative volume is must reading for any student or practitioner of homeopathy as well as any individual seriously interested in understanding the fundamental laws of health and healing.

Lectures on Homeopathic Materia Medica-James Tyler Kent 1946

Materia Medica Homeopatica/ Homeopathic Medical subject-James Tyler Kent 2003-06-30 Aunque estos dos tomos fueron escritos en 1911 por el Dr. Kent, reúne los principales medicamentos que se siguen utilizando.El Dr. Kent, es considerado como uno de los grandes maestros de la homeopatía, y que expresa en su obra, sus conocimientos clínicos y su gran experiencia. En cada medicamento hace resaltar los aspectos mentales y lo más importante de cada uno de ellos. Además, son muy útiles sus comparaciones entre los medicamentos.Es una obra en la que obtenemos muchas enseñanzas y que no debe faltar como Materia Médica de consulta.

Study-Supplement to Kent's Lectures on Materia Medica-K. D. Kanodia 2007-01-01 Kent as a 'Pioneer' of Homeopathy cannot be missed by anyone in the homeopathic profession. But his life and works are like an Epic which is to be studied again and again -- and with different angles. The more we study him, the more we get from him. This work brings us closer to the great personality.

The Healing Enigma-Vinton McCabe 2009-04-10 In The Healing Enigma: Demystifying Homeopathy, author Vinton McCabe writes: "Western medicine is based upon the use of ever-stronger doses of allopathic drugs. And allopathic treatment with these drugs is the medical equivalent of running with scissors. It may seem like a good idea at the time, but it almost always ends in tears."In a book containing equal parts passion, anger, and unexpected humor, the author makes use of his twenty-five years as a student, teacher, and author on the subject of alternative medicine to explore the differences between healing as a natural process and curing as a medical goal. The author then considers the advantages and disadvantages of each of the two medical models--the homeopathic and the allopathic. As the author writes, "While doctors search for cures, patients instead seek healing. We have the right as patients, as consumers, as sufferers, to expect a restoration of health that is rapid, gentle, and permanent. That can only happen by strengthening the whole being. The best tool for that is homeopathy.

The Healing Enigma-Vinton Mccabe 2009-05-06 In The Healing Enigma: Demystifying Homeopathy, author Vinton McCabe writes: "Western medicine is based upon the use of ever-stronger doses of allopathic drugs. And allopathic treatment with these drugs is the medical equivalent of running with scissors. It may seem like a good idea at the time, but it almost always ends in tears."In a book containing equal parts passion, anger, and unexpected humor, the author makes use of his twenty-five years as a student, teacher, and author on the subject of alternative medicine to explore the differences between healing as a natural process and curing as a medical goal. The author then considers the advantages and disadvantages of each of the two medical models--the homeopathic and the allopathic. As the author writes, "While doctors search for cures, patients instead seek healing. We have the right as patients, as consumers, as sufferers, to expect a restoration of health that is rapid, gentle, and permanent. That can only happen by strengthening the whole being. The best tool for that is homeopathy.

The New Materia Medica-Colin Griffith 2011 This long-awaited follow-up to the author's acclaimed New Materia Medica provides the most comprehensive information available on the most successful new fundamental homoeopathic remedies, including 36 remarkably effective new crystal, botanical, and animal remedies, all currently in use by the Guild of Homoeopaths and proven through meditation. Entries cover the physical and esoteric characteristics of remedies, the history of their medicinal uses, and detailed descriptions of the symptoms affecting individual parts of the body. Summarized case notes show clinical evidence of efficacy and illustrate the optimal use of each cure.

The History of American Homeopathy-John S Haller 2009-08-19 Although scorned in the early 1900s and publicly condemned by Abraham Flexner and the American Medical Association, the practice of homeopathy did not disappear. Instead, it evolved with the emergence of holistic healing and Eastern philosophy in the United States and today is a form of alternative medicine practiced by more than 100,000 physicians worldwide and used by millions of people to treat everyday ailments as well as acute and chronic diseases. The History of American Homeopathy traces the rise of lay practitioners in shaping homeopathy as a healing system and its relationship to other forms of complementary and alternative medicine in an age when conventional biomedicine remains the dominant form. Representing the most current and up-to-date history of American homeopathy, readers will benefit from John S. Haller Jr.'s comprehensive explanation of complementary medicine within the American social, scientific, religious, and philosophic traditions.
