Keon and Me-Dave Bidini 2014-10-28 Hockey is the lens through which we see our lives--how we measure right and wrong, how we understand our hopes and fears. So it was for Dave Bidini in 1974, the last year Dave Keon played in Toronto. In a new grade in a new school, Bidini found himself the victim of a bully--a depredation he could understand only by thinking about what the Leafs' dauntless captain went through game after game. Throughout his twenty-two-year career, Keon was only in one hockey fight, in his last game as a Leaf on April 22, 1974. It was on this day that the eleven-year-old Bidini decided to fight back, an occasion that the writer looks back on with breathtaking courage and honesty. Told in two narratives--one from the point of view of the young Bidini growing up in Toronto in the early '70s and one from the perspective of the man looking for his absent hero--"Keon and Me "tells not only the story of a hockey icon who has haunted Toronto for decades, but of a life lived in parallel to Keon's. It's the story of cultural change, an account of the tribulations of the NHL's most beloved (and most despised) franchise in the decades since Keon left under a cloud, and most of all it is a story of growing up, with all the wisdom and sadness that imparts.

The Broken Code#3: Veil of Shadows-Erin Hunter 2021-05 Once the body dies, the true Thorny Star may never come back, and the Thunder Clan will completely disintegrate and fall apart forever. Thorns, the patriarch of the Thunder clan, began to eradicate and exile those rule-breakers, but there are cats who know the truth- the real Thorns are not in front of them. Some cats began to gather in secret, dormant waiting for the time to come. But in order for True Thorn Star to return to his body, he must not act rashly at the moment, otherwise it may turn the tribes into enmity. However, overnight, the wind and clouds changed color, and the spirit body of True Thorn Star was about to dissipate; while the shadow clan's witch doctor Mao Yingwang suffered an accident and his whereabouts were unknown.

Haworth's-Frances Hodgson Burnett 2020-07-27 They took the girl home with them, and three days later the Ffrenchs returned. They came entirely unheralded, and it was Janey who brought the news of their arrival to the Works. "They've coom," she said, in passing Murdoch on her way to her father. "Mester Ffrench an' her. They rode through th' town this mornin' i' a kerridge. Nobody knowed about it till they seed 'em." The news was the principal topic of conversation through the day, and the comments made were numerous and varied. The most general opinions were that Ffrench was in a "tight place," or had "getten some crank i' hond." "He's noan fond enow o' th' place to ha' coom back fur nowt," said Floxham. "He's a bit harder up than common, that's it." In the course of the morning Haworth came in. Murdoch was struck with his unsettled and restless air; he came in awkwardly, and looking as if he had something to say, but though he loitered about some time, he did not say it.

A Fair Barbarian-Frances Hodgson Burnett 2020-07-27 It may as well be explained, however, at the outset, that it would not take much of a sensation to give Slowbridge a great shock. In the first place, Slowbridge was not used to sensations, and was used to going on the even and respectable tenor of its way, regarding the outside world with private distrust, if not with open disfavor. The new mills had been a trial to Slowbridge,--a sore trial. On being told of the owners' plan of building them, old Lady Theobald, who was the corner-stone of the social edifice of Slowbridge, was said, by a spectator, to have turned deathly pale with rage; and, on the first day of their being opened in working order, she had taken to her bed, and remained shut up in her darkened room for a week, refusing to see anybody, and even going so far as to send a scathing message to the curate of St. James, who called in fear and trembling, because he was afraid to stay away. "With mills and mill-hands," her ladyship announced to Mr. Laurence, the mill-owner, when chance first threw them together, "with mills and mill-hands come murder, massacre, and mob law." And she said it so loud, and with so stern an air of conviction, that the two Misses Briarton, who were of a timorous and fearful nature, dropped their buttered muffins (it was at one of the tea-parties which were Slowbridge's only dissipation), and shuddered hysterically, feeling that their fate was sealed, and that they might, any night, find three masculine mill-hands secreted under their beds, with bludgeons. But as no massacres took place, and the mill-hands were pretty regular in their habits, and even went so far as to send their children to Lady Theobald's free school, and accepted the tracts left weekly at their doors, whether they could read or not, Slowbridge gradually recovered from the shock of finding itself forced to exist in close proximity to mills, and was just settling itself to sleep--the sleep of the just--again, when, as I have said, it was shaken to its foundations.
