This series help students and teachers monitor progress, while supporting the increased demand, maths, and new practical requirements.

Advanced Physics For You-Keith Johnson 2015-06-25 From the same author as the popular first edition, the second edition of this trusted, accessible textbook is now accessible online, anytime, anywhere on Kerboodle. It breaks down content into manageable chunks to help students with the transition from GCSE to A Level study, and has been fully revised and updated for the new A Level specifications for first teaching September 2015. This online textbook provides plenty of examples and practice questions for consolidation of learning, with 'Biology at Work', 'Key Skills in Biology' and 'Study Skills' sections giving many applications of biology throughout. Suitable for AQA, OCR, WJEC and Edexcel.

AQA GCSE Biology 9-1-Anne Pilling 2016-02-25 Exam Board: AQA Level & Subject: GCSE Biology First teaching: September 2016 First exams: June 2018 AQA approved GCSE Science is changing and AQA GCSE (9-1) Biology from Collins has been developed to embed the skills your students need to succeed in all three assessment objectives, while providing a clear and supportive route through the new, more challenging GCSE content. * Each spread starts with language and ideas at a lower level and increases in complexity, engaging students of all ability levels * Key concept spreads highlight knowledge that students must grasp before they can move on * Dedicated pages on analysing, interpreting and evaluating all the required practicals, so students are fully prepared for the indirect assessment. * Maths activities at the appropriate level are embedded throughout, along with Maths skills pages that focus on developing the skills needed for each topic * Prepare students for the demands of the new specification with differentiated questions, worked examples and lots of opportunities to practice * Co-teach both Foundation and Higher tier with a single book (the

Higher-only content is clearly flagged).
