Kids deserve to be safe from harm. We need to make sure all kids have access to prevention, healing, and justice. About 1 in 4 girls and 1 in 13 boys experience child sexual abuse at some point in childhood. This public health crisis has been put on the backburner for too long and was only exacerbated by the COVID-19 pandemic. Disruptions in routine, isolation, more time spent at home and ...

## Safe Ride 4 Kids - Car Seat Safety

It’s our responsibility as adults to keep kids safe. This means we need to be thoughtful about who they spend time with. We also need to educate our family, friends, neighbors, and coaches about our expectations around boundaries and consent. Explain to family members that you want to teach your kids about body autonomy; so if a child doesn’t want to sit on Grandma’s lap or give a hug or ...

Your parents want you to stay safe. That’s why they have rules. If you’re not sure what the rules are, sit down with your parents and write out a list together, so you both have something to refer to. The rules might cover who you can have over (if anyone), whether you can go outside, and whether you can take phone calls. 2. Lock the doors and windows. While break-ins are unusual, they can ...

Is football safe for kids? February 5, 2016. By Mark ... As a profession, we need to educate the public on the dangers of the sport, and we can certainly recommend that youth not play football in favor of other team sports — similar to the stance the AAP took on boxing. However, while taking a strong stand against tackling might be the right thing to do from a health perspective, as ...
