Financial Accounting with International Financial Reporting Standards-Jerry J. Weygandt 2018-07-18 While there is growing interest in IFRS within the US, interest outside the US has exploded. Weygandt's fourth edition of Financial Accounting: IFRS highlights the integration of more US GAAP rules, a desired feature as more foreign companies find the United States to be their largest market. The highly anticipated new edition retains each of the key features (e.g. TOC, writing style, pedagogy, robust EOC) on which users of Weygandt Financial have come to rely, while putting the focus on international companies/examples, discussing financial accounting principles and procedures within the context of IFRS, and providing EOC exercises and problems that present students with foreign currency examples instead of solely U.S. dollars.

Managerial Accounting-Jerry J. Weygandt 2018-06-06 Managerial Accounting provides students with a clear introduction to fundamental managerial accounting concepts. Financial Analysis for HR Managers-Steven Director 2012-12-19 HR leaders and practitioners: master the financial analysis skills you need to become true strategic business partners, gain an equal seat at the table, and get boardroom and CFO buy-in for your initiatives! In this one-of-a-kind book, Dr. Steven Director covers everything mid-to-senior-level HR professionals need to formulate, model, and evaluate their HR initiatives from a financial perspective. Drawing on his unsurpassed expertise working with HR executives, he walks through each crucial financial issue associated with strategic talent management, including quantifiable links between workforces and business value, cost-benefit analyses of HR and strategic financial initiatives, and specific issues related to total rewards programs, including stock, stock options, and pension costs. Unlike

other finance books for non-financial managers, Financial Analysis for HR Managers focuses entirely on core HR issues. Director helps you answer questions such as: How do you model HR's financial role in corporate strategic initiatives such as the introduction of a new product line? How do you select bonus drivers to send the right signals to managers (and uncover suboptimal hidden signals you might be sending now)? How do you design compensation packages that are fully consistent with your goals? How do you identify and manage pension-finance costs and risks that can dramatically impact the long-term financial health of the business? HR leaders and aspiring leaders are under unprecedented pressure to provide credible, quantitative answers to questions like these. This is the one and only book that will help them do so.
