2018-08-29 Ian Edginton The Shadow Lord Gargos has been defeated! But the battle to save humankind from his Astral invasion has taken a terrible toll on the Earth. Our world lies in ruin, and a sinister new power called the Coven has risen from the ashes, vying with the megacorporation Ultratech to rule the shattered nations. The heroes Kim Wu and Jago-their Astral powers weakened by their devastating war against Gargos-must band together with the scattered remnants of the Night Guard to forge a pathway into the Astral Plane. Here, in the birthplace of The Shadow Lord and The Guardians, festers the secret malevolence that threatens to destroy them all...and enslave the world forever.

2014-05-06 S. E. Green A teen girl version of Dexter meets the high stakes danger and mystery of The Girl with the Dragon Tattoo in this "unique, beautifully twisted, and rich" (#1 New York Times bestselling author, Jennifer L. Armentrout) debut. Lane is a typical teenager. Loving family. Good grades. After-school job at the local animal hospital. Martial arts enthusiast. But her secret obsession is studying serial killers. She understands them, knows what makes them tick. Why? Because she might be one herself. Lane channels her dark impulses by hunting criminals and delivering justice when the law fails. The vigilantism stops shy of murder, but with each visceral rush, the line of self-control blurs. And when a young

preschool teacher goes missing—and returns in pieces—Lane gets a little too excited about tracking down "the Decapitator," the vicious serial murderer who has come to her hometown. As she gets dangerously caught up in a web of lies about her own past, Lane realizes she is no longer invisible or safe. Especially after the Decapitator contacts her directly. Now she needs to use her unique talents to find the true killer's identity before she—or someone she loves—becomes the next victim...

2019-09-09 James Patterson THE SEQUEL TO INSTINCT, A SUNDAY TIMES BESTSELLER Dr Dylan Reinhart is no stranger to solving crimes. When an Ivy League professor is murdered, Reinhart reunites with his old partner Detective Elizabeth Needham. With his unrivalled mind for criminal psychology and Needham's investigative experience, Reinhart is confident that together they can find the killer, and close the case. But as the investigation proceeds, a terrifying attack on New York sends the city into chaos. In the aftermath, a name from Reinhart's past emerges on the list of victims - a name he thought he'd left behind. As long-buried secrets threaten to derail everything he's worked for, can he keep his life together long enough to outsmart the killer? Or has Reinhart finally met his match?

_____ 'It's no mystery why James Patterson is the world's most popular thriller writer . . . Simply put: nobody does it better.' JEFFERY DEEVER 'Patterson boils a scene down to the single, telling detail, the element that defines a character or moves a plot along. It's what fires off the movie projector in the reader's mind.' MICHAEL CONNELLY 'James Patterson is The Boss. End

of.' IAN RANKIN

2015-11-03 Jennifer Lynn Barnes Seventeen-year-old Cassie Hobbes has a gift for profiling people. Her talent has landed her a spot in an elite FBI program for teens with innate crime-solving abilities, and into some harrowing situations. After barely escaping a confrontation with an unbalanced killer obsessed with her mother's murder, Cassie hopes she and the rest of the team can stick to solving cold cases from a distance. But when victims of a brutal new serial killer start turning up, the Naturals are pulled into an active case that strikes too close to home: the killer is a perfect copycat of Dean's incarcerated father-a man he'd do anything to forget. Forced deeper into a murderer's psyche than ever before, will the Naturals be able to outsmart the enigmatic killer's brutal mind games before this copycat twists them into his web for good? With her trademark wit, brilliant plotting, and twists that no one will see coming, Jennifer Lynn Barnes will keep readers on the edge of their seats (and looking over their shoulders) as they race through the pages of this thrilling novel. Praise for Killer Instinct "A welcome addition to the teen-sleuth genre." -Kirkus Reviews "Barnes knows how to keep the reader hooked, and fans will be eagerly reaching for this title and clamoring for the next in the series." -Booklist "This is a definite purchase for libraries...." - School Library Journal "Intricately plotted, this novel will keep teens guessing and leave

readers eagerly waiting the next installment in The Naturals series." -VOYA Praise for The Naturals YALSA Best Books for Young Adults, 2014 YALSA Quick Picks for Reluctant Young Readers, 2014 "The Naturals is Criminal Minds for the YA world, and I loved every page." -New York Times best-selling author Ally Carter * "[A] tightly paced suspense novel that will keep readers up until the wee hours to finish." -VOYA (starred review) "This savvy thriller grabs readers right away." -Kirkus Reviews "It's a stay-up-late-to-finish kind of book, and it doesn't disappoint." -Publishers Weekly "In this high-adrenaline series opener...even a psychic won't anticipate all the twists and turns." - Booklist

2023-02-08 JAGENDRA RANA Killer instinct is an aggressive tenacious urge for domination in a struggle to attain a set goal. If you say that a sports player or politician has the killer instinct, you admire him for his toughness and determination to succeed. We don't strive to go the extra mile, which is the toughest in any endeavour. We should not create an impression that there's nothing more to achieve. Complacency and overconfidence are proven recipes for disaster. Winning isn't about finishing in first place. It isn't about beating the others. It is about overcoming yourself, overcoming your body, your limitations, and your fears. Winning means surpassing yourself and turning your dreams into reality. Success is an excellent acquired quality of a person to

sustain a strong spirit which can willfully overpower the dictums of mind

2015-05-19 S.E. Green Hiding a secret obsession for studying serial killers behind her high-achiever persona, teen Lane pursues vigilante justice against criminals when she believes the law has failed, activities she reevaluates in the wake of a preschool teacher's violent murder. A first novel.

2010 Zoe Sharp Susie Hollins is found dead - the latest victim of the homicidal rapist stalking the local area. Charlie Fox, teacher of self defence, is drawn in to help with the investigation. But then the killer starts taking a very personal interest in Charlie.

2018-10-25 Donald Grant Forensic psychiatrist Donald Grant asks, what is it about murder that fascinates us? Is it the chill whisper of fear reminding us we too can kill? Grant describes ten true murder cases, each with unique triggers. For most of us, murder is an arm's length experience, close enough to frighten and fascinate yet far enough not to traumatise. For those directly affected, murder can be scarring. Our restless chatter about murder, our state of heightened alert, our endless appetite for news, may all just be play therapy, reassuring us that

our own killer instincts are under control.

2014-05-06 S.E. Green When seventeen-year-old Lane becomes involved in the search for a serial killer active in the Washington, D.C. area, she worries that her life-long fascination with such murderers has a very real and terrible cause.

2014-11-06 Jennifer Lynn Barnes A young girl has been murdered, her body displayed on the front lawn of her university campus. The killing is vicious - and terrifyingly familiar. Someone is copying the methods of one of the country's most infamous serial killers: Dean's father.

Back at the Naturals HQ, Cassie, Dean, Michael, Lia and Sloane are dealing with a new FBI agent - and Agent Sterling is determined to keep them out of trouble. But Dean knows too much about his father's crimes not to get involved, and his fellow Naturals won't let him face this alone. But as the bodies mount up, the Naturals find themselves in a deadly dangerous race against time...

2013-12 Ben Zhen The book described the life of a police officer who discovered that his sister was murdered by members of a satanic secret society. During his investigation, he stumbled upon the plot to assassinate President J. F. Kennedy and was there when the assassination took place. As the story unfolded, the assassination of JFK led to a bigger plot and the birth of Al-Qaeda which was both a terrorist

group and a data base.

2018-04-04 Ian Edginton The finale is here! Gargos is back, and while the Shadow Lord may be vulnerable, he is far from defenseless. Kim Wu and her fellow heroes race against time to defeat this monstrous foe. Meanwhile, ARIA and the Tsar have formed an unholy alliance, and are ready to slay whoever survives this Astral showdown.

2019-01-29 Joseph Finder "A first rate thrill-ride" by New York Times bestselling author Joseph Finder Jason Steadman is a thirty-year-old sales exec for a major electronics company in Boston. He's witty and well-liked but, to the chagrin of his ambitious wife, it looks like his career has hit a ceiling. He lacks the one thing

that could help him get ahead: a killer instinct. All of that changes when Jason meets Kurt, a former Special Forces officer just back from Iraq. Looking for a decent pitcher for the company softball team, Jason gets Kurt—once drafted by the majors—a job in Corporate Security. Soon, good things start to happen for Jason—and bad things start to happen to Jason's rivals. Jason discovers too late that Kurt has been paving his path to the top by the most efficient means available. Now that his new best friend has become the most dangerous enemy imaginable, Jason stands to lose far more than his job. A riveting tale of ambition, intrigue, and the price of success, Killer Instinct is Joseph Finder at his very best.

2002 Zoe Sharp KILLER INSTINCT: Charlie Fox book one s the first in Zoe Sharp's highly acclaimed crime thriller series, now available with previously deleted scenes and Foreword by Lee Child. 'Susie Hollins may have been no great shakes as a karaoke singer, but I didn't think that was enough reason for anyone to want to kill her.' Charlotte 'Charlie' Fox makes a living teaching self-defence to women in a quiet northern English city. It makes best use of the deadly skills she picked up after being

kicked out of army Special Forces training for reasons she prefers not to go into So, when Susie Hollins is found dead hours after she foolishly takes on Charlie at the New Adelphi Club, Charlie knows it's only a matter of time before the police come calling. What they don't tell her is that Hollins is the latest victim of a homicidal rapist stalking the local area. Charlie finds herself drawn closer to the crime when the New Adelphi's enigmatic owner, Marc Quinn, offers her a job working security at the club. Viewed as an outsider by the existing all-male team, her suspicion that there's a link between the club and the killer doesn't exactly endear her to anyone. Charlie has always taught her students that it's better to run than to stand and fight, But, when the killer starts taking a very personal interest, it's clear he isn't going to give her that option... 'Charlie looks like a made-for-TV model, with her red hair and motorcycle leathers, but Sharp means business. The bloody bar fights are bloody brilliant, and Charlie's skills are both formidable and for real.' Marilyn Stasio, New York Times 'Sharp deserves a genre all her own if you are just discovering Zoe Sharp then you are in for a real treat.' Jon Jordan, Crimespree Magazine 'Charlotte (Charlie) Fox is one of the most vivid and engaging heroines ever to swagger onto the pages of a book. Where Charlie goes, thrills follow.' Tess Gerritsen 'Ill-tempered, aggressive and borderline psychotic, Fox is also compassionate, introspective and highly principled: arguably one of the most

enigmatic and coolest heroines in contemporary genre fiction.' Paul Goat Allen, Chicago Tribune

2021-10-19 Nadine Weidman A historian of science examines key public debates about the fundamental nature of humans to ask why a polarized discourse about nature versus nurture became so entrenched in the popular sciences of animal and human behavior. Are humans innately aggressive or innately cooperative? In the 1960s, bestselling books enthralled American readers with the startling claim that humans possessed an instinct for violence inherited from primate ancestors. Critics responded that humans were inherently loving and altruistic. The resulting debateÑfiercely contested and highly publicÑleft a lasting impression on the popular science discourse surrounding what it means to be human. Killer Instinct traces how Konrad Lorenz, Robert Ardrey, and their followers drew on the sciences of animal behavior and paleoanthropology to argue that the aggression instinct drove human evolutionary progress. Their message, spread throughout popular media, brought pointed ripostes. Led by the anthropologist Ashley Montagu, opponents presented a rival vision of human nature, equally based in biological evidence, that humans possessed inborn drives toward love and cooperation. Over the course of the debate, however, each side accused the other of holding an extremist position: that behavior

was either determined entirely by genes or shaped solely by environment. Nadine Weidman shows that what started as a dispute over the innate tendencies of animals and humans transformed into an opposition between nature and nurture. This polarized formulation proved powerful. When E. O. Wilson introduced his sociobiology in 1975, he tried to rise above the oppositional terms of the aggression debate. But the controversy over Wilson's work led by critics like the feminist biologist Ruth Hubbard was ultimately absorbed back into the nature-versus-nurture formulation. *Killer Instinct* explores what happens and what gets lost when polemics dominate discussions of the science of human nature.

2019-09-09 James Patterson *Dr. Dylan Reinhart and Detective Elizabeth Needham*--now known to audiences from the top-rated CBS series--reunite to stop the most sinister plot against New York City since 9/11. The murder of an Ivy League professor pulls Dr. Dylan Reinhart out of his ivory tower and onto the streets of New York, where he reunites with his old partner, Detective Elizabeth Needham. As the worst act of terror since 9/11 strikes the city, a name on the casualty list rocks Dylan's world. Is his secret past about to be brought to light? As the terrorist attack unfolds, Elizabeth Needham does something courageous that thrusts her into the media spotlight. She's a reluctant hero. And thanks to the attention, she also becomes a prime target for the ruthless murderer behind the attack. Dylan literally wrote the book on the psychology of murder, and he and Elizabeth have solved cases that have baffled conventional detectives. But the sociopath they're facing this time is the opposite of a textbook case. There's no time to study for the test he's about to give them. And if they fail, they die.

1997 Jane Hamsher A shockingly candid, hilarious account of how two young producers broke into the Hollywood studio system--and survived the shark-eat-shark insanity to become Hollywood players. Thousands of people dream about making it big in Hollywood, but almost all of them end up being eaten alive. When aspiring producer Jane Hamsher and her madman partner Don Murphy set up shop in Jane's dining room after graduating from film school, they were too naive to know that people like themselves--far removed from the Porsche-driving studio elite--should never succeed in the movie business. Then Jane and Don stumbled upon a script for a film written by a geeky filmmaker-wannabe named Quentin Tarantino;

it was called "Natural Born Killers, and they liked it so much they optioned it for the bargain price of \$10,000. But, suddenly, after "Reservoir Dogs turned Tarantino into an overnight sensation, he and every major studio in town decided they wanted control of the script, pitting Jane and Don up against some of the meanest, toughest players in Hollywood. This was only the beginning of their two-year roller-coaster ride through the ruthless world of studio pitbulls, idiotic film crew leeches, and unprecedented butt-kissing and back-stabbing.

When Oliver Stone became hot to direct "NBK, Jane and Don could hardly believe their luck -- but before they knew it, they found themselves enrolled in the "Oliver Stone School of Filmmaking," a maddening and mind-altering experience, even before the drugs, money, and fame. Throw Robert Downey Jr., Woody Harrelson, Juliette Lewis, and a whole cast of outrageous characters into the picture and you've got not only the makings of a hit movie but a Hollywood joyride unlike any other. From the script meetings to the movie set to the

marketing and distribution process, "Killer Instinct takes you behind the scenes and provides an insider's look at the "New Hollywood"--told by one who learned how to survive it the hard way. It exposes how deals are really struck and stars are picked, and how the balance of power in Hollywood now favors the Quentin Tarantinos of the world who can add the "indie" cachet to big-budget monsters. Fresh, witty, and irreverent, "Killer Instinct provides an unprecedented look inside this wild and irresistible industry.
