Kindle Paperwhite For Dummies-Leslie H. Nicoll 2014-01-28 Explains usage of the Kindle Paperwhite, including reading on the device, finding content, saving documents, and troubleshooting.

Communication Technology Update and Fundamentals-August E. Grant 2014-08-07 A classic now in its 14th edition. Communication Technology Update and Fundamentals is the single best resource for students and professionals looking to brush up on how these technologies have developed, grown, and converged, as well as what's in store for the future. It begins by developing the communication technology framework—the history, ecosystem, and structure—then delves into each type of technology, including everything from mass media, to computers and consumer electronics, to networking technologies. Each chapter is written by faculty and industry experts who provide snapshots of the state of each individual field, altogether providing a broad overview of the role communication technologies play in our everyday lives. Key features: Gives students and professionals the latest information in all areas of communication technology The companion website offers updated information and useful links to related industry resources, and an instructor site provides a sample syllabus and a test bank This edition features new chapters on automotive telematics, digital health, and telepresence, as well as expanded coverage of tablets/phablets and 4K (ultra high definition television)

Editing and Publishing e-Books-Nicolae Sfetcu 2015-01-01 You wrote a book. Very nice. But you didn't write to keep it for you. You should publish it. The problem is that the publishers charge high prices for some authors pockets, and do it objectively, due to the high cost of printing. But you allowed that luxury, and now you have a printed book, with you as the author. You can keep hundreds or thousands of volumes in your personal library and give it as a gift to your friends in special occasions, or try to distribute in various libraries. You managed to distribute it, the book is beautifully placed in shelves. In time, dust is spread on covers. After a while, the book is withdrawn. It remains to use it as decoration at home, or support for various household items. But lucky for you, there is an alternative, cheaper and more effective, in selling your book: e-Books! e-Book and online publishing market has evolved rapidly in recent years, and a lot of companies have entered this market, as publishers, online bookstores, or promoting e-books.

Ghidul autorului de cărți electronice-Nicolae Sfetcu 2015-01-01 Ai scris o carte. Foarte frumos. Dar nu ai scris-o pentru a o ține pentru tine. Trebuie să o publici. Problema e că editurile percep prețuri foarte mari pentru buzunarele unora dintre autori, și aceasta în mod obiectiv, datorită costurilor mari de tipărire.

Dar ți-ai permis acest lux, și acum ai o carte tipărită, cu tine ca autor. Poți să păstrezi sutele sau miile de volume în biblioteca personală și să o faci cadou prietenilor la diverse ocazii, sau să încerci să o distribuie în diverse librării (care librării, că nu prea mai sunt?!). Ai reușit să o distribuie, cartea e plasată frumos în rafturi. În timp, se așează praful pe coperti. După un timp, cartea este retrasă. Mai rămâne să o folosești ca decor în casă, sau suport pentru diverse obiecte casnice. Dar, spre norocul tău, există o soluție alternativă, mult mai ieftină și mai eficientă în vânzarea cărții tale: cărțile electronice! Piața cărților electronice și a editurilor online a evoluat rapid în ultimii ani, și o mulțime de companii au intrat pe această piață, ca edituri, librării online, sau pentru promovarea cărților electronice.

How the Irish Saved Civilization-Thomas Cahill 1996 Bringing readers to the Ireland of St. Patrick and the Book of Kells, a historical examination of Ireland's role in the rise of medieval Europe cites the work of countless monks and scribes in the preservation of the West's written treasury. Reprint. Tour.
