The Kindred Spirits: River's Return is exciting, intriguing and suspense-filled with enough nonstop action to satisfy science-fiction lovers of all ages. Kindred Spirits-Imogene Westcott 2001-10-08 A few days before Thanksgiving, eleven-year old Rad Sergeant found Lance Corby, a boy about his own age, living in the Peak Mountains behind his ranch. The boys connected immediately, talking for hours, revealing their most private thoughts. Lance boasted about huffing and breathing inhalants; although Rad loathed Lance's dreadful habit and told him so, he felt pity for a kid living alone in the mountains. Then one day while checking on Lance, Rad found him passed out and immediately called his Dad for help. The doctor said Lance had pneumonia without much hope of pulling through since he had inhaled chemicals for years. Five days later and very much to the doctor's surprise, Lance woke up and was able to speak, but slipped away from the hospital without anyone knowing and headed back to the mountains. Even though the weather was dreadfully cold, Rad set out to find and bring Lance home with him. Then again, two very angry, hungry wolves had other ideas and the boys found themselves fighting for their lives. Kindred Spirits is a colorful, spirit filled addition to the Rad Sergeant western adventure series for the young reader.

Kindred Spirits-William Elder 2011-06 KINDRED SPIRITS is the story of Arnold St. Clair, an aspiring writer in 1970s California with a lovely but quirky girlfriend. (Why won't she take off her shoes?) It's also the story of Alex Duval, a traveler in India with his own beckoning mysteries, chief of which is a new girlfriend who insists she and Alex were lovers in a previous life. Arnie's and Alex's odysseys shuffle them around the world and launch them back in time as they struggle toward an elusive place: knowing who they are and why things happen as they do.

Kindred Spirits-Bill Hendrix 2018-08-03 The inspiration for the title of Kindred Spirits comes from Jesus when he asked what he thought of his cousin, John the Baptist's ministry. In Matthew 11:14 he says, "And if you will receive it, this is Elias (or Elijah in Greek) which was for to come." In footnotes from Dakes Annotated Bible Concordance Regarding this. We find in Luke 1:17 Jesus says, "And he shall go before him in the spirit and power of Elias," and in John 1:21 we find he was not Elias in person, but a kindred spirit.

Kindred Spirits-Anne Benvenuti 2021-06 In Kindred Spirits, Anne Benvenuti visits with individuals and groups working in animal conservation, rescue, and sanctuary programs around the world. We meet not only cats and dogs but also ravens, elephants, cheetahs, whales, farm and circus animals, monkeys, even bees. A psychologist and storyteller, Benvenuti focuses on moments of transformative contact between humans and other animals, portraying vividly the resulting ripples that change the lives of both animals and humans. Noting that we are all biologically members of one animal family, she expertly weaves emergent understandings of animal and human neurobiology, showing that the ways in which other animals feel and think are actually similar to humans. Love, grief, fear, rage, sadness, curiosity, play: these are shared by us all, a key insight of affective neuroscience that informs Benvenuti's perceptions of human-animal relationships. She effortlessly drops clues to understanding human motivation and behavior into her narratives, and points to ways in which we all—other animals and humans alike—must come up with creative responses to problems such as climate change. As we travel with her to both backyard and far-flung locations, we experience again and again the surprising fact that other animals reach back to us, with curiosity, interest, even care. Benvenuti writes for the animal-loving public but also for anyone who loves a good story, or is interested in ecology, animal welfare, psychology, or philosophy.
