Giving Chase-Hannah Hooton 2013-03-01 There has only ever been one man in Frankie's life: her father, Doug Cooper. That is, until she takes the job of amateur jockey at Aspen Valley Racing Stables. Here, she crosses paths with star rider, Rhys Bradford. Her crush on him would be made so much simpler if they didn't both have their eye on the same prize: the coveted ride on Grand National favourite, Peace Offering. In the turbulent run-up to National Hunt's biggest event,
questions are raised. What exactly does Doug have against the Bradfords? Is Rhys playing games with her heart? Will Ta' Qali show his true potential in time to warrant his place at Aspen Valley? Why do there have to be so many blasted calories in strawberry cheesecake? And lastly, who exactly is Francesca Cooper? Frankie's curiosity unearths some long-buried secrets that their keepers would rather remain buried. And on a journey of self-discovery that takes in Britain's fiercest steeplechase courses, love will prove her costliest stumbling point.

Love Rock Revolution—Mark Baumgarten 2012-07-10 Punk isn't a sound--it's an idea! In its history, K Records has fostered some of independent music's greatest artists, including Bikini Kill, Beat Happening, Built to Spill, Beck, Modest Mouse, and the Gossip. In 1982, K Records released its first cassette and put its own spin on punk's defiant manifesto: You don't need anyone's permission to make music. Thirty years later, the label continues to operate in the underground while rightfully claiming a role as one of the most transformative engines of modern independent music. It has also galvanized the international pop underground, helped create the grunge scene that took over pop culture, and provided a launching pad for the riot grrrl movement that changed the role of women in music forever. Love Rock Revolution tells the story of how it all happened, recounting the early journeys of K Records founder Calvin Johnson from the punk mecca of London to the hardcore clubs of Washington, D.C., in the late-'70s, the creation of K Records in the '80s, the label's role in revolutionizing independent music in the '90s, and its struggle to survive that revolution with its
integrity intact. From the Trade Paperback edition.

Essays, First and Second Series-Ralph Waldo Emerson 1908 Most of Emerson's essays emerged as lectures first and were later edited for printing. There are two main collections, Essays: First Series and Essays: Second Series, that include the quintessence of his work. Both series are included in this book.
Culture, Heritage and Representation-Steve Watson 2016-12-05 The 'visual' has long played a crucial role in forming experiences, associations, expectations and understandings of heritage. Images convey meaning within a range of practices, including tourism, identity construction, the popularization of the past through a variety of media, and the memorialization of events. However, despite the central role of 'the visual' in these contexts, it has been largely neglected in heritage literature. This edited collection is the first to explore the production, use and consumption of visual imagery as an integral part of heritage. Drawing on case studies from around the world, it provides a multidisciplinary analysis of heritage representations, combining complex understandings of the 'visual' from a wide range of disciplines, including heritage studies, sociology and cultural studies perspectives. In doing so, the book provides a comprehensive overview of the theoretical and methodological tools necessary for understanding visual imagery within its cultural context.
Darklight-Lesley Livingston 2012-05-08 Much has changed since Kelley Winslow learned she was a Faerie princess, fell in love with changeling guard Sonny Flannery, and saved the mortal realm from
the ravages of the Wild Hunt. Now Kelley is stuck in New York City, rehearsing Romeo and Juliet and missing Sonny more with every stage kiss, while Sonny has been forced back to the Otherworld and into a deadly game of cat and mouse with the remaining Hunters and Queen Mabh herself. When a terrifying encounter sends Kelley tumbling into the Otherworld, her reunion with Sonny is joyful but destined to be cut short. An ancient, hidden magic is stirring, and a dangerous new enemy is willing to risk everything to claim that power. Caught in a web of Faerie deception and shifting allegiances, Kelley and Sonny must tread carefully, for each next step could topple a kingdom . . . or tear them apart.

A to Z of Almost Everything-Trevor Montague 2011-05-01 Now in its fifth edition, the bestselling A to Z of Everything continues its quest to fascinate, inform, surprise and entertain. In this new edition, the original topics have been brought up to date and added to while eclectic new additions range from Beers of the World and Heads of State to Internet Top Level Domains and Cabinet Members through the Ages!

Numerical Electromagnetics-Umran S. Inan 2011-04-07 Beginning with the development of finite difference equations, and leading to the complete FDTD algorithm, this is a coherent introduction to the FDTD method (the method of choice for modeling Maxwell's equations). It provides students and professional engineers with everything they need to know to begin writing FDTD simulations from scratch and to develop a thorough understanding of the inner workings of commercial FDTD
software. Stability, numerical dispersion, sources and boundary conditions are all discussed in
detail, as are dispersive and anisotropic materials. A comparative introduction of the finite volume
and finite element methods is also provided. All concepts are introduced from first principles, so no
prior modeling experience is required, and they are made easier to understand through numerous
illustrative examples and the inclusion of both intuitive explanations and mathematical derivations.

License to Pawn - Rick Harrison 2011-06-07 In Las Vegas, there's a family-owned business called the Gold & Silver Pawn Shop, run by three generations of the Harrison family: Rick; his son, Big Hoss; and Rick's dad, the Old Man. Now License to Pawn takes readers behind the scenes of the hit History show Pawn Stars and shares the fascinating life story of its star, Rick Harrison, and the equally intriguing story behind the shop, the customers, and the items for sale. Rick hasn't had it easy. He was a math whiz at an early age, but developed a similarly uncanny ability to find ever-deepening trouble that nearly ruined his life. With the birth of his son, he sobered up, reconnected with his dad, and they started their booming business together. License to Pawn also offers an entertaining walk through the pawn shop's history. It's a captivating look into how the Gold & Silver works, with incredible stories about the crazy customers and the one-of-a-kind items that the shop sells. Rick isn't only a businessman; he's also a historian and keen observer of human nature. For instance, did you know that pimps wear lots of jewelry for a reason? It's because if they're arrested, jewelry doesn't get confiscated like cash does, and ready money will be available for bail. Or that WWII bomber jackets and Zippo lighters can sell for a freakishly high price in Japan? Have you ever heard that the makers of Ormolu clocks, which Rick sells for as much as $15,000 apiece, frequently died before forty thanks to the mercury in the paint? Rick also reveals the items he loves so much he'll never sell. The shop has three Olympic bronze medals, a Patriots Super Bowl ring, a Samurai sword from 1490, and an original Iwo Jima battle plan. Each object has an incredible story behind it, of course. Rick shares them all, and so much more -- there's an irresistible treasure trove of history.
behind both the Gold & Silver Pawn Shop and the life of Rick Harrison.

Compassion, Caring and Communication-Jacqui Baughan 2013-11-26 Compassion and caring are at
the very heart of nursing – possibly that’s why you were attracted to the nursing profession in the
first place. But what does compassionate caring really mean in nursing practice? Compassion,
Caring and Communication: Skills for Nursing Practice is a practical book that guides you through
the complex dimensions of caring. It considers the ways in which you connect with patients, families
and co-workers, and the long-lasting impact of emotions and feelings. Using real-life narratives, case
studies and reflection activities, the authors demonstrate how you can develop and maintain the
empathy and communication skills you need to create effective, compassionate and caring
partnerships. New to the second edition: Comprehensively updated throughout to reflect and
highlight current professional pressures and public concerns around nursing practice. Includes a
broader range of relevant case studies, discussions and scenarios to engage students and qualified
nurses at all levels. Contains new content about the impacts of recent government reports and
policies on nursing care, developing an awareness of contemporary issues and debates. The BOND
caring framework has been revised and updated alongside new ‘caring indicators’, to support the
development of compassionate caring skills. All references have been updated using the latest
sources and evidence-based studies.

WJP Rule of Law Index 2015- 2015-06-02 The rule of law provides the foundation for communities of opportunity and equity - communities that offer sustainable economic development, accountable government, and respect for fundamental rights. Executive Summary The World Justice Project (WJP) joins efforts to producereliable data on rule of law through the WJP Rule of Law Index 2015, the fifth report in an annual series, which measures rule of law based on the experiences and perceptions of the general public and in-country expertsworldwide. We hope this annual publication, anchored in actual experiences, will help identify strengths and weaknesses in each country under review and encourage policy choices that strengthen the rule of law. The WJP Rule of Law Index 2015 presents a portrait of the rule of law in each country by providing scores and rankings organized around nine factors: constraint on government powers, absence of corruption, open government, fundamental rights, order and security, regulatory enforcement, civil justice, criminal justice, and informal justice. These factors are intended to reflect how people experience rule of law in everyday life. The country scores and rankings for the WJP Rule of Law Index 2015 are derived from more than 100,000 household and expert surveys in 102 countries and jurisdictions. The Index is the world's most
comprehensive data set of its kind and the only to rely solely on primary data, measuring a nation's adherence to the rule of law from the perspective of how ordinary people experience it. These features make the Index a powerful tool that can help identify strengths and weaknesses in each country, and help to inform policy debates, both within and across countries, that advance the rule of law.

Know Who You Are. Live Like It Matters.- Tim Tebow 2017-05-16 American sports icon Tim Tebow shares how he faces pressure head-on and the wisdom he’s learned—not from what the world says, but from what God says in His Word The world does not define you Nobody said your life would be easy. And the older you get, the more difficult it seems to become. Deep down you may know your value as a person isn’t defined by wearing cool name-brand clothes, scoring points for a sports team or even by having a huge number of social media followers. And you’re right! Your identity resides in something— in fact, Someone— much greater than anything this world can offer: the only identity worth having . . . is found in Jesus Christ! Tim Tebow will guide you through thirty-six weeks of lessons, each based on a key Scripture, to discover who you are—by learning more about whose you are! You’ll have the opportunity to write down your thoughts, feelings, and ideas on topics such as: • Building godly character • Maintaining great relationships • Standing out from the crowd • Doing things that matter in the big picture Get ready to live bigger than ever before . . . with your faith and identity secure in a God who loves you beyond measure!
Tarascon Pocket Pharmacopoeia 2003 Deluxe-Steven M. Green 2002-11 New this year is an "Herbal and Alternative Therapies? section. This is the Pocket Pharmacopoeia for the power user! The expanded version of the classic Tarascon Pocket Pharmacopoeia continues the high-quality tradition of a convenient and organized pocket manual detailing typical drug dosing (both FDA approved and off-label uses), available trade and generic formulations, metabolism, safety in pregnancy and lactation, Canadian trade names, and relative pricing information. The Deluxe takes it all a step further by including additional drugs and dosing indications, black-box warnings, notes regarding adverse effects and drug interactions, and a table of cytochrome P450 isozymes. Packed with this expanded information and more tables than the Classic, the Deluxe is still small enough to comfortably fit in your lab coat pocket. As with the Classic, all entries are meticulously peer-reviewed by drug information experts and clinicians of multiple specialties.
