Positioning By Al Ries And Jack Trout

Positioning: The Battle for Your Mind Al Ries 2001-03-01 The first book to deal with the problems of communicating to a skeptical, media-biased public. Positioning describes a revolutionary approach to creating a position in a buyer's mind. The book is an essential guide for anyone charged with the task of making your product or service the obvious choice for a buyer. Al Ries and Jack Trout explain how to: Make and position an industry leader so that its name and message shapes the way people think about your product or service. Win market share by positioning. Create a product or service that already has a position in the customer's mind. Positioning is where the rubber meets the road. You need to live it to understand it.
