Positive Discipline For Preschoolers For Their Early Years Raising Children Who Are Responsible Respectful And Resourceful

Positive Discipline for Preschoolers-Jane Nelsen 2019-07-09 Completely updated with the latest research in child development and learning, Positive Discipline for Preschoolers will help parents understand their preschooler and provide early methods to raise a child who is responsible, respectful, and resourceful. Caring for young children is one of the most challenging tasks an adult will ever face. No matter how much you love your child, there will be moments filled with frustration, anger, and even desperation. There will also be questions: Why does my four-year-old deliberately lie to me? Why is everything a struggle with my three-year-old? Should I ever spank my preschooler when she is disobedient? Over the years, millions of parents have come to trust the Positive Discipline series and its common-sense approach to child-rearing. This revised and updated fourth edition includes a new chapter on the importance of play and outdoor experiences on child development, along with new information on school readiness, childhood brain growth, and social/emotional learning. You'll also find practical solutions for how to: • Teach appropriate social skills at an early age • Avoid the power struggles that often come with mastering sleeping, eating, and potty training • See misbehavior as an opportunity to teach nonpunitive discipline—not punishment

Positive Discipline for Preschoolers-Jane Nelsen 2007 An updated child-care manual designed for parents of preschool-age children tells how to prevent misbehavior through non-punitive discipline and how to reinforce useful social skills and positive behavior, while dealing with the challenges of young children as they learn and grow. Original. 15,000 first printing.

Positive Discipline-Jane Nelsen 1994 The philosophy of positive discipline is that of raising children in a positive environment enabling them to grow into secure, capable people. Tailored to the needs of parents, teachers, and anyone who works with children, Prima's "Positive Discipline" library is an invaluable resource. Parents are eager for knowledgeable, reliable, and practical information about guiding their children through those formative years from infancy through age four. They'll find plenty of guidance here, including clear, expert advice on potty training, positive behavior, engaging children's curiosity, and more. Positive Discipline for Preschoolers-Jane Nelsen 2007

Positive Discipline for Preschoolers, Revised 4th Edition-Jane Nelsen, Ed.D. 2019-07-09 Completely updated with the latest research in child development and learning, Positive Discipline for Preschoolers will help parents understand their preschooler and provide early methods to raise a child who is responsible, respectful, and resourceful. Caring for young children is one of the most challenging tasks an adult will ever face. No matter how much you love your child, there will be moments filled with frustration, anger, and even desperation. There will also be questions: Why does my four-year-old deliberately lie to me? Over the years, millions of parents have come to trust the Positive Discipline series and its common-sense approach to child-rearing. This revised and updated fourth edition includes a new chapter on the importance of play and outdoor experiences on child development, along with new information on school readiness, childhood brain growth, and social/emotional learning. You'll also find practical solutions for how to: • Teach appropriate social skills at an early age • Avoid the power struggles that often come with mastering sleeping, eating, and potty training • See misbehavior as an opportunity to teach nonpunitive discipline—not punishment

Positive Discipline for Childcare Providers-Jane Nelsen, Ed.D. 2010-08-25 Empowering Methods for Effective Childcare As a professional childcare provider, you want to create an environment that is inviting and nurturing for children as well as encouraging for your adult staff. You want to find ways to form a partnership with parents in their children's development. Simply put, you want to provide an all-around quality childcare experience at every level. This book is also great for parents who want to take an active role in assuring the best childcare for their children. Positive Discipline for Childcare Providers offers a thorough, practical program that is easily adaptable to any childcare or preschool situation and setting. Inside are workable solutions to many of today's toughest childcare issues and everything you need to develop an enriching experience for children, parents, and workers alike. You'll learn how to: • Create a setting where children can laugh, learn, and grow • Support healthy physical, emotional, and cognitive development in all children, including those with special needs • Encourage parents to establish a partnership with you and provide the same kind, firm limits and respectful environment at home • Uncover support and learning opportunities for yourself and fellow childcare providers • And much more! "In a magical way, Positive Discipline for Childcare Providers demonstrates techniques that decrease misbehavior by increasing the child's sense of capability, courage, and community feeling." —Rob Guttenberg, a state-certified childcare trainer, director of parenting education at YMCA Youth Services Maryland, and author of The Parent As Cheerleader "Wow! This book is an incredible resource full of effective and practical ideas—from creating an environment where everyone feels welcome to a model of discipline that respects and empowers adults and children." —Mary Jamin Maguire, M.A., L.P., LICSW, trainer, Minnesota School-Age Childcare Training Network Positive Discipline for Preschoolers-Jane Nelsen 1998 Tells how to prevent misbehavior through non-punitive discipline, and reinforce useful social skills and positive behavior
expect them to know what to do if you don’t tell them. In this book, you are going to learn: -What exactly positive discipline is and why so many parents are learning about it-How to fill in communication gaps between you and your children to prevent them from misbehaving-The importance of focusing on the strengths and not solely on their weaknesses-How to diffuse a power struggle-How to work with your child’s teacher to ensure they behave at home and at school-The difference of parenting a teen... And much more. Paul Tough is a journalist who is one of Americas foremost writers on poverty, education, and the achievement gap. His thorough research and interviews found that people from multiple disciplines working independently on the problems of educating children, have found common grounds, which debunk the current education models. To The Most Important Years of Your Child's Life POSITIVE PARENTING: An Essential Guide to Understanding and Managing your Teen's Behavior In this Collection you will discover: All you need to know about positive discipline, for preschoolers, for their early years raising children who are responsible, respectful, and resourceful. 

But it is crucial to know that babies need special care and that care begins right from the moment of their birth. From the very first day, attention must be paid to dealing with the baby, even to create a bond with both the mother and the father, since this is essential for the development of the child. For you to be prepared with the arrival of your little one, I've crafted these fantastic books that help you cover up all the essential steps to parenthood and what you need to do to raise your baby well. When you are parenting a toddler, it is important to stay consistent with major keys like communication, discipline, structure, and boundaries, but also to remember that discipline is always associated with something negative by parents. But this is not the case at all. Discipline is a good thing if you know how to use it. The first thing to understand is that there is a big difference between discipline and punishment. 

Positive Discipline For Preschoolers For Their Early Years Raising Children Who Are Responsible Respectful And Resourceful

The Montessori Toddler-Esther Swanson 2020-11-04 Are confusion and lack of knowledge stopping you from bringing Montessori into your home? Let me guess... - You don't know where to start. - You're finding it all a bit hard to understand. - And your just way too busy to learn everything you need to know to start implementing Montessori at home. This book is for parents, grandparents, babysitting aunts and uncles and simply everybody looking for the answers about how to be the best guides for the children in their environment - 90 % of the capacity of the human brain is developed during the first five years - 6 years During the first six years of life the child's personality is formed. It is the personality that the child carries until his adulthood - 2 x The brain of a four-year-old is twice as active as the brain of an adult - But how to develop this enormous potential, which is hidden in the pre-school years? - How to support his curiosity and love for learning and discovering life around us? - And how can we, adults, grow together with our children too? Montessori doesn't have to be so complicated. Once you understand the method you can help your child achieve: - Independence and confidence that will last a lifetime. - An "out of the box" way of thinking. - And a lifelong love of learning. This book will help you to better understand Montessori at your own pace. Giving you the chance to grow independence, confidence and a lifelong love of learning in your child. Why Montessori? "Children in Montessori follow their interests, wherever that passion leads; giving them strong academics, leadership, self-discipline, responsibility, independence, initiative and a lifelong love of learning." Basically... it meets kids where they are. By following the child's lead it makes Montessori completely individualized, unique to every child. This is NOT a homeschooling curriculum. This book teaches a Montessori lifestyle -- every moment thereafter will be a natural "homeschooling" process in your child’s daily life. So join me in this adventure and enroll in my book today! Positive Discipline: The First Three Years, Revised and Updated Edition-Jane Nelsen 2015-02-24 The celebrated Positive Discipline brand of parenting books presents the revised and updated third edition of their readable and practical guide to communicating boundaries to very young children and solving early discipline problems to set children up for success. Over the years millions of parents have used the amazingly effective strategies of Positive Discipline to raise happy, well-behaved, and successful children. Research has shown that the first three years in a child's life are a critical moment in their development, and that behavior patterns instilled during that time can have profound implications for the rest of a child's life. Hundreds of thousands of parents have already used the advice in Positive Discipline: The First Three Years to help set effective boundaries, forge strong foundations for happy and respectful relationships, and lay the groundwork for parent-child connection and success with their young children. Now this classic title has been revised and updated to reflect the latest neuroscientific research and developments in positive discipline parenting techniques. Positive Discipline-Gerard Paul Clifford 2021-03-03 Are you looking for a new way to raise your children? Would you like to ensure your children are instilled with positivity and happiness? Are you tired of just yelling and screaming, and nothing seems to change? If you answered yes to any of these questions, you would want to continue reading. Discipline has seemed to stay the same despite the change in times and the change in people's beliefs. Some parents will tell you that they don't think twice about spanking. Others wouldn't dare spank their child. Some yell and some try to reason with their children. No matter where you fall right now, this book is going to give you a different form of discipline. You're going to learn about positive discipline. Despite the same, it doesn't mean you are going to ignore anything bad that your kids may do. Instead, you are going to try to keep your child from doing "bad" things but focusing on the good. One of the biggest problems with old-fashioned discipline, and spankers and non-spankers alike are guilty of this, is that people want to focus on everything their child does wrong. While children do need to be corrected when they do wrong, you can't expect them to know what to do if you don't tell them. In this book, you are going to learn: -What exactly positive discipline is and why so many parents are learning about it -How to fill in communication gaps between you and your children to prevent them from misbehaving -The importance of focusing on the strengths and not only on their weaknesses -How to diffuse a power struggle -How to work with your child's teacher to ensure they behave at home and at school -The difference of parenting a teen ... And much more. Parenting can be a scary job. The way your child turns out is in your hands. While their friends and community also play a part in their upbringing, parents have the biggest effect. While nobody can be perfect, you can have the tools to do the best you can to ensure they have the best chance of being a well-rounded adult. I know there are a lot of books out there that promise to provide you with the perfect parenting tools. It may be hard to trust if this is actually going to be helpful. I'm not going to promise it is the last parenting book you will need. I will promise that you will learn some helpful parenting tools that could make your life a bit easier. When it comes to parenting, there are no magic pills that are going to make your job a breeze. There will be ups and downs, but those downs don't have to be so bad with the right information. If you really would like to improve your relationship with your child while also teaching them how to behave, then this is the book for you. Don't wait any longer. Scroll up right now and click the "buy now" button. Toddler Discipline Guide-Samantha Lovely 2021-03-27 55% OFF for Bookstores! Discounted Retail Price NOW at $ 33,95 instead of $ 44,95! If you want to start setting mindfulness in your toddler’s mind, then this special guide is for you! Your customers will never stop buying this special Parenting Guide! Honestly, parenting can be tricky when dealing with difficult children, and you cannot rely on sheer instinct alone. Maintaining good health is vastly more important and effective than later treating illness. Good health takes effort: regular exercise, a healthy lifestyle, wearing seat belts, not smoking, and not abusing alcohol and drugs; in other words, doing the "good stuff," and avoiding the "bad stuff." Likewise, raising healthy children is vastly more important and effective than later correcting misbehavior. It takes effort and commitment to nurturing the "good stuff"- loving connections, empathy, meeting their needs. In a world that is so tumultuous, sometimes it helps when our children can look to their parents as their positive role models. Highlighted below is a breakdown of what to expect: empathy building a positive relationship with your child safety at home teaching kids bedtime meditation the benefits of mindfulness for children 8 gorgeous and sweet bedtime stories your kid will adore and so much more... By following this special guide, you can practice positive parenting and make a big difference in your children's lives, either as a parent or a guardian. And someday, your kids will then take forward your positive practices and make a positive difference in their children's lives Bu...
