Power, Identity, and the Rise of Modern Architecture-Koompong Noobanjong 2003 This dissertation examines the evolution of Western and Modern architecture in Siam and Thailand. It illustrates how various architectural ideas have contributed to the physical design and spatial configuration of places associated with negotiation and allocation of political power, which are throne halls, parliaments, and government and civic structures since the 1850s.

Physics-Based Deformable Models-Dimitris N. Metaxas 2012-12-06 Physics-Based Deformable Models presents a systematic physics-based framework for modeling rigid, articulated, and deformable objects, their interactions with the physical world, and the estimate of their shape and motion from visual data. This book presents a large variety of methods and associated experiments in computer vision, graphics and medical imaging that help the reader better to understand the presented material. In addition, special emphasis has been given to the development of techniques with interactive or close to real-time performance. Physics-Based Deformable Models is suitable as a secondary text for graduate level courses in Computer Graphics, Computational Physics, Computer Vision, Medical Imaging, and Biomedical Engineering. In addition, this book is appropriate as a reference for researchers and practitioners in the above-mentioned fields.

Jake’s Long Shadow-Alan Duff 2013-12-16 The third volume in the hard-hitting, best-selling Once Were Warriors trilogy. The millennium has changed but have the Hekes? Where are they now, Beth, Jake, and what of their other children? Son Aho who has rejected violence but violence finds him. Polly, as beautiful as her sister Grace, who committed suicide; is that a Heke running around with the wealthy polo-playing set and growing rich herself? And the gang leader, Apeaman, who killed Tania, what’s prison like, does it change a man, grow him or not? We meet another tragic female figure, Sharnaeta. And Alistair Trambert, a middle-class white boy sunk into the same welfare dependency trap as the Maoris his class criticises.Meet Charlie Bennett, Beth’s husband, a fine man, and yet... And yet there’s Jake Heke, casting his long shadow over everyone. Has he really grown up?

She Smells the Dead-E. J. Stevens 2010-08 It’s the beginning of senior year and Yuki’s psychic awareness of ghostly spirits is threatening to ruin her life. Her ability to sense the dead isn’t glamorous like the ghost hunting on television. SHE SMELLS THE DEAD. The smell impressions are becoming stronger. Yuki is being visited in her dreams, and she suspects that her friend Calvin is involved in something strange. To make matters worse her crush on Garrett is going unrequited. Yuki’s friend Emma is on a rampage against bee oppression, and annoying Calvin Miller mysteriously disappears. Will Yuki be able to focus her powers in time to save the lost soul who is haunting her? Meanwhile, who will save Yuki from following the spirits into the light?

The Coaching at Work Toolkit-Suzanne Skiffington 2002-02-28 Recent studies show that life skills coaching, executive coaching and business coaching are all effective ways of achieving sustainable growth, change and development in an individual, group or organisation. The Coaching at Work Toolkit is the first comprehensive, practical resource for coaches in the use of the theories, tools, techniques and practices that affect learning and change. This book offers coaching tools and psychology-based techniques and is a much-needed guide to understanding the practice of coaching and applying the theories and language associated with it. The employment of life skills coaching, executive coaching and business coaching is being heralded as the way to create organisations of the future. Anyone interested in achieving their best and staying ahead of the competition should read this book. The book includes case studies, practical instructions and application guidelines, the authors have provided models, principles and techniques that enable professional coaches to achieve breakthrough results. For the past ten years the authors, first as practitioners and then as educators, have worked closely with colleagues across the globe to develop coaching techniques that produce positive, measurable, lasting change. This book builds upon the success of the authors’ first general coaching reference The Complete Guide to Coaching at Work. This title focuses on the nature of coaching, coaching models and frameworks, and the competencies for successful coaches. Suzanne Skiffington and Perry Zeus have trained hundreds of coaches around the world. Through their internationally renowned coach training school, 1 to 1 Coaching School they have worked with established and new coaches, professionals and managers/leaders of organisations, consultants, groups and the academic community.

Lightning Strikes Versus Lightning Bugs and Impotent Fireflies!-Worldwide Peoples Revolution 2017-01-21 You could hardly believe the Story behind the Story, which made it Possible for you to be reading these Words; and this is a MUST READ Description, if you want to Understand the Book, which is sprinkled with several spelling and grammatical Errors: because no one got to Proof-read the book, which could easily be the first book ever published on Amazon without being Proof-red, which also makes it a Collector’s Item by Chance, which could be worth a lot of money during the future: because of its Popularity, and we are Serious about that: because few books on the Earth have been measured up to this one for Enlightenment! However, you might think that you cannot afford to buy it, if you are poor. However, the book explains HOW that everyone in the World can easily Afford it by Pooling their Resources. For Example, any LARGE Group of People can contribute a small amount of money to the Cause, and thus Afford to buy it. Otherwise, you should BEG for some help from some Church or Organization, if you are jobless. Whatever the sacrifices are that you will make will prove to be worth it. Moreover, Amazon.com Guarantees the Book to Satisfy you. Therefore, have Faith in ALL that is GOOD. Be Positive-minded, and Confess any Weaknesses of your own, which will Help you to Understand the Weaknesses of other People, most of whom are likely Trying to do their Best to say and do whatever is Right. At least we are. Please click on the ‘Look Inside,’ and ENJOY! (The first spelling mistake is found on page 2, which has ‘this Glory,’ instead of ‘his Glory.’ It cannot be changed in the PDF format, or else we would Change it. It is a ‘read only’ Document. Sorry about that, these are Modern Times with not so Smart Computers to Torment us. The only other way to correct the book, is to type every single letter into a new Document, and without half of the 100+ Photographs that are found in this Book, which are the Heart and Soul of it, you might say.)

Drayson-Charlotte-J. English 2020-09-28 Keeping Sweet-Cate Ashwood 2013-03-01 Days away from high school graduation, with hardly a penny to his name, Evan Lowry needs to earn money for college. When he comes across an ad for modeling, he thinks his luck has changed-until he learns he’s interviewing for an adult film and will be expected to have sex. On camera. With other men. For gay porn star Brandon Court, the shine has worn off of regular shoots. He and his producer, Les, decide to try something new: a reality-show porn set at a beach house. When he meets wide-eyed and naive Evan for the first time, Brandon isn’t sure if he wants the kid to get lost or get naked. Naked wins. On set, Brandon takes Evan under his wing, and over the next month, they are thrown together in every intimate way conceivable-except emotionally. Both Brandon and Evan are terrified of trying for anything deeper, and insecurities and doubts wear on their hopes, but the chemistry between them won’t let them slow things down.

Finding God in The Shack-Randal Rauser 2009-03-03 What would it be like to lose your youngest child to a serial killer? And then to have God invite you out for a conversation at the very shack where the terrible deed took place? And then imagine that the door to that shack of horrors opened...
explanation for why God allows evil, how the atoning work of Christ offers new hope for a suffering world and ultimately how this hope extends to all of creation. Through these chapters Rauscher offers an honest and illuminating discussion which opens up a new depth to the conversation while providing the reader with new findings for God in The Shack.

The Mammoth Book of True Hauntings-Peter Haining 2011-09-01 This giant collection includes a huge range of 20th-century first-hand accounts of hauntings, such as the American troops who repeatedly saw the ghosts of a dead platoon of men while on patrol in Vietnam; and the witnessed haunting of a house near Tintagel in Cornwall that led actress Kate Winslet to pull out of buying the property. It covers the full spectrum of credible hauntings, from poltergeists (the noisy, dangerous and frightening spirits that are usually associated with pubescent girls, like the Bell Witch), to phantoms (like the Atraif of Saudi Arabia) and seduction spirits (such as the Lorelei, which have lured German men to death). Also included are the notes of the most famous ghost hunter of the twentieth century such as Hans Holzer, Susy Smith (USA); Harry Price, Jenny Randles (UK); Joyce Zwarczy (Australia), Eric Rosenthal (South Africa), and Hwee Tan (Japan). Plus essays by such names as Robert Graves, Edgar Cayce, and M. R. James outlining their own - often extraordinary - conclusions as to just what ghosts might be; along with a full bibliography and list of useful resources.

Praise for MBO Haunted House Stories: 'A first rate list of contributors ... Hair raising!' Time Out 'All we need say is buy it.' Starlog Beginners Guide to SQL Server Integration Services Using Visual Studio 2005-Jayaram Krishnaswamy 2007 Beginners Guide to SQL Server Integration Services Using Visual Studio 2005 provides you with the basic knowledge that you should have before you move on to more advanced ETL (Extraction, Transformation, and Loading). In each chapter you will get a little background of the SSIS task that you are going to create. You will then use the newly created step to create your data pipelines, configuring, executing, and reviewing the results. The book has minimal coding (only two chapters) and exclusively uses the Visual Studio 2005 Designer. This book is written for beginners in the developer track who are looking to get an exposure to SQL Server Integration Services; DBA's who are testing water with the Visual Studio IDE but without a wide programming experience; SQL 2000 Data Transformation Services users who are trying to move into SQL Server 2005 Integration Services; Microsoft programming professionals in Small Businesses who wear multiple hats (jack of all) - developer, programmer, and dba with a little bit of experience in each of these. It is expected that you know how to manipulate window objects, like clicking; dragging and dropping; using contextual help, tabbing, etc. It is also expected that you are exposed to SQL Server database basics and that you understand connecting to a database server; querying the database; reviewing objects; displaying and reviewing properties of objects, etc. Very little coding skill is assumed except that you can logically follow a fully commented code.

This book is ideal for trainers who may want to teach an introductory course in SQL Server Integration Services or, to those who want to study and learn SSIS in a little over two weeks.
