Positive Power Of Thinking Book

The Power of Positive Thinking-Norman Peale 1953

Treatments of depression may be all but gone, but their effects are not. As a result, even as we are rebuilding our lives, we often find ourselves suffering from the mental scars of the past. This is not to say that we have not made progress. Many people have overcome their depression and have moved on to a more positive outlook. However, we cannot ignore the fact that depression has left its mark on our lives. The Power of Positive Thinking provides a system of simple procedures that has brought about the foregoing benefits in their lives. These assertions, which appear extravagant, are based on bona fide demonstrations in actual human experience.
