GED Test For Dummies, Quick Prep-Murray Shukyn 2014-03-17 Presents subject review, practice tests, and test-taking tips to help readers pass the high school equivalency test. GED Exam Practice Questions-Mometria Media 2018-04-12 ***Your #1 GED® Practice Test Resource***GED® Exam Practice Questions are the simplest way to prepare for the GED test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of GED practice questions. If someone has never taken a GED practice test, then they are unprepared for the types of questions and answer choices that they will encounter on the official test. There is a tremendous advantage to someone taking the GED who is already familiar with the questions and answer choices. GED® is a registered trademark of the American Council on Education (ACE) and administered exclusively by GED Testing Service LLC under license. This material is not endorsed or approved by ACE or GED Testing Service. Another advantage of taking GED practice tests is that you can assess your performance and decide whether you need to study and practice more or if you’re already prepared enough to achieve success on your test day. If you do well on GED practice tests, then you know you’re prepared. If you struggle on the practice test, then you know you still have more work to do. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That’s why our GED® Exam Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any GED questions that were difficult for you or that you needed more help to understand. Master the GED: Practice Test 3-Peterson's 2011-12-01 Master the GED is a comprehensive guide that offers the essential test-prep and review material for the high school equivalency diploma test, including practice tests, subject review, and expert tips on how to score high on each GED test. Readers will find the GED information they need to know-scoring and passing requirements, how to prepare, and what to expect on test day. GED Study Guide 2021 All Subjects - GED Test Prep Secrets, Full-Length Practice Test, Step-by-Step Review Video Tutorials: [4th Edition Book With Complete Solutions] 2021-03-31 **Simple, Easy-to-Read, Real-Life Examples** * Mometria Test Preparation’s GED(R) Study Guide 2021 All Subjects - GED(R) Test Prep Secrets is the ideal prep solution for anyone who wants to pass their General Educational Development Tests. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: * Practice test questions with detailed answer explanations * Step-by-step video tutorials to help you master difficult concepts * Tips and strategies to help you get your best test performance * A complete review of all GED test sections * Mathematical Reasoning * Reasoning Through Language Arts * Science * Social Studies GED(R) is a registered trademark of the American Council on Education (ACE) and administered exclusively by GED Testing Service LLC under license. This material is not endorsed or approved by ACE or GED Testing Service. The Mometria guide is filled with the critical information you will need in order to do well on your GED exam: the concepts, procedures, principles, and vocabulary that the American Council on Education (ACE) expects you to have mastered before sitting for your exam. The Mathematical Reasoning section covers: * Basic Math * Geometry * Statistics and Probability * Algebra The Reasoning Through Language Arts section covers: * Reading for Meaning * Identifying and Creating Arguments * Foundations of Grammar * Strategy for the Extended Response Section The Science section covers: * Reading for Meaning in Science * Designing and Conducting Scientific Experiments * Science Knowledge * The Scientific Method The Social Studies section covers: * Reading for Meaning in Social Studies * Analyzing Historical Events and Arguments in Social Studies * Using Numbers and Graphics in Social Studies * Social Studies Knowledge Overview...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometria GED study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that’s another area where our guide stands out. The Mometria test prep team has provided plenty of GED practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We’ve helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We’ve done this by setting high standards for Mometria Test Preparation guides, and our GED(R) Study Guide 2021 All Subjects - GED(R) Test Prep Secrets is no exception. GED Full Study Guide-Smart Edition 2019-07 Imagine walking out the door after taking your test with a big smile on your face because you just got an incredible score on your TASC subject area test. You now have the ability to control your future and you’re on your way to an amazing career. Sounds good right? This isn’t a fictional story, this is your reality. With the help of Smart Edition’s GED study guide we give you the tools and courage to conquer this test, we’ll help you get there, it’s what we exist. Let’s go ahead and get a few questions out of the way. Q. Is Smart Edition credible? A. 100% yes, which can’t be said for most TASC study guides. Our founder has been publishing test prep study guides for over 20 years mastering the art of making great study guides. We only work with highly qualified subject matter experts to develop the content and our editorial team is second to none ensuring you get the highest quality materials. We don’t mess around when it comes to preparing for the TASC. Q. Has it helped other students and will it help me pass the test? A. You bet, we help over 30,000 students per year prepare for and dominate the TASC to the best of their ability. Our reviews speak for themselves. Q. Why should I buy the Smart Edition book instead of any other options, how are you different? A. It’s pretty simple, you get better quality material that is more accurate to what is on the actual test and way more online resources and tools for your money. Feel free to study from a different study guide that is just okay, but not great, however, we don’t recommend it. Make sure any practice test workbook you buy checks off these items: Material that accurately represents what’s actually on the test, Video lessons for every skill and lesson in the book, Practice tests both in the book and online, Flashcards online for every subject. Features: 1. 4 Practice tests containing 1,300 realistic questions and explanations. Practice and repetition are one of the best ways to become more familiar with the material and the test itself. You can take the tests online as many times as you like. 2. Scored practice test report: At the end of your online test, you receive a scored report with your score for each section and a breakdown of your strengths and weaknesses. This is crucial to know when deciding how to approach studying for the test. If you can identify your weak areas then you will know where you need to focus your studying, the time this saves you is invaluable. 3. Online video lessons: You’ll have access to over 100 video lessons covering every topic and lesson on the test. People like to learn in different ways, it’s likely you would benefit from having both chapters in print as well as a video lesson to talk you through it. 4. Online flashcards: For every subject with over 400 flashcards Flashcards are essential to reinforce what you are learning, it’s safe to say you won’t find any other study guides that include online flashcards. Amazing! You made it all the way to the end of this product description. So what are you waiting for? If needed go back to the top and re-read the part about you walking out of the test with a big smile on your face after passing. It’s your day, it’s your time, let’s do this.
