Principles of Effective Prayer-Wentworth Pike 1990

Effective Prayer-Al Danks 2014-08-01 The Bible does not give us a definition of prayer. It does, however, give us many examples of prayer. From these examples we may gain understanding of what prayer is, the kinds of results to pray for, and how to pray. In addition to these examples, the Bible also contains a number of declarations that tell us what is required of us to pray effective prayer. Even though there are many different types of prayer, we find a number of common elements. All prayer involves a verbal communication with God and the power of God (Word of God and faith). All prayer also works to produce a result. The application of the Word of God through faith and the results produced are constrained by the requirements declared in scripture. The application of physical power is governed by physical law. It should not be surprising to find that the application of spiritual power is governed by spiritual law and that the requirements declared in scripture correspond to the spiritual laws that govern prayer. Effective Prayer looks at what the Bible tells us about prayer and shares insight into why we pray, what prayer is, the process of prayer, how we grow and strengthen faith, complying with spiritual law in prayer, getting the path of the prayer, applying the power of God in prayer, measuring progress and results in prayer, and receiving and keeping the results of our prayer.

In Prayer: A Force that Causes Change, author David Williamson analyzes how to pray and what to pray and provides a thorough discussion of prayer and effective faith-filled prayers. In this, his fourth volume, Williamson shares a series of articles previously published in the weekly online newsletter Voice of Thanksgiving. The articles promote power in prayer that accomplishes God's plans and goals here on earth. In this collection, Williamson continues with themes leading to power in prayer: Partnership of God and man in prayer. Dealing with faith killers: doubt, fear, and unbelief. Breaking down barriers to prayer. Components of effective prayer. Breakthrough in prayer. The articles in Prayer: A Force that Causes Change illustrate how a life of effective prayer is one of a close relationship to God and a life filled with answers to prayers. Effective prayer can lead to changes in people's lives, family, church, neighborhood, cities, and nations. It shows how prayer opens doors that have previously been closed. Effective Prayers for Various Situations-Mary Ogenaarekhua 2007-01-01 The prayers outlined in this book will help you to petition God so that He can change your undesired circumstances. They will also help you to rebuke and dislodge the wicked spirits that the devil has sent to hinder you in life. As you walk in righteousness and in obedience to the Word of God, in turn releases his power through your words, prayers and declarations. He will watch to see that none of your words fall to the ground. All the prayers in this book address real life situations or problem areas in which people need healing, deliverance and comfort. As I stated in Volume One of this book, the Lord instructed us through the Gospel of St. Luke that we ought to pray always and not to faint (Luke 18:1). I believe that prayer changes things. We receive the hand of God to move on our behalf when we pray. Again, I affirm my sincere belief that a non-praying Christian is an ineffective Christian because it is when we pray that God intervenes in our situations or in our circumstances. We therefore ought to pray in order to change the situations and circumstances that the devil sends against us.

Some of these patterns include the prayer of thanksgiving, supplication, forgiveness, renunciation, repentance, salvation and others. The list is endless. Some believers are limited to praying by those patterns mentioned and this is fine. However my objective in this manual is to provide you with revelation and insight into my personal journey as an intercessor and provide biblical truths that will help you further your mission in advancing the Kingdom of God. From your personal prayer life to a corporate mandate, prayer is the key to establishing a connection with God. I have learned that when we pray on behalf of others we truly stir the heart of God. This kind of prayer is called
intercession and Christ forever lives to make intercession. Though our needs are pressing and desires seem to go unmet, we must press on to cry unto the Lord for others. He is moved with great passion and His blessing will surely come upon you. II Chronicles 7:14 declares, “If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways, then will I hear from heaven, and will forgive their sin, and will heal their land.” Believers, our first approach to a lifestyle of prayer must be that we humble ourselves (subdue and bring low), pray (make petitions), seek His face (worship), and turn from our wicked ways (repentance). These are the four principles that will help govern us in effective prayer so God can forgive us and heal our land. Saints, the world we live in is based upon whatever we ask the Father to make it or whatever we fail to ask Him. May a fresh anointing to pray be poured out upon you as you read this manual!

The Keys to Effective Prayer-Frederic Osborn 2020-03-08 Prayer is central to the Christian life. But as strange as it might seem, how to pray effectively is not practiced by most Christians. Jesus’ disciples asked Jesus to teach them how to pray. Jesus responded with what we now call “The Lord’s Prayer.” However, the prayer Jesus taught all Christians to pray was more than a ritual to recite. Jesus gave us powerful principles or keys to unlock the secret of praying to have all our prayers answered all the time. Jesus told His disciples that they could ask anything in His name, and He would give it to them. Why then, do so many of our prayers go unanswered? When we pray the way Jesus taught us to pray, our prayers will never go unanswered.
