Prayer For Church Of Christ

The Prayer Complement-Ola Aturu 2008-11-01 THE PRAYER COMPLEMENT Why will someone pray and will not receive an answer? Why will someone travail at a prayer meeting for hours and heaven will 'somehow' care less? If an earthly father has something and refuses to give it to his son, then there must be an underlying reason for the fathers' action. Equally there are fundamental reasons why God will not give answers to prayers. It is high time children of God look into these reasons so as to plug into and inherit the plan of God for their live. This book will come handy to answer questions like: "I prayed but why am I not receiving answer?" How long you have been a Christian does not matter in this issue? Sincerely, heaven is not concern about you knowing the whole of Psalm as a prayer tool! This book will equally lead you to know: [What you ought to know and steps to take. [The Whole Armour of God. [Have passion for the Word of God [Holiness without prayer can be catastrophic. [What completes a believers' prayer. Olayiwola Aturu is a pastor in Mountain of Fire and Miracles Ministries, Ireland. He has passion to preach the word of God undiluted. He is a privileged graduate of School of Ministry, MFM International Headquarters, Lagos, Nigeria. He is married to Faith Bukola Aturu and they are blessed with three children.

Praying the Scriptures-Jeremiah Williamson 2014-10-01 • Lectionary-based prayers in a call-and-response format • Written in language that is fresh and well-crafted The Prayers of the People is the place where liturgy is most likely to lose energy. Of course, that should not be the case; it is a great privilege to offer our prayers to God as a congregation. But the Book of Common Prayer provides a limited number of forms and, although it also provides guidelines for composition of original prayers, many parishes have prayed just a couple of the forms over and over again for 35 years. Williamson began to compose these new prayers for his parish, posting them on a blog as they were used each Sunday. He discovered in the process that the congregational urge to move beyond the Prayer Book’s six forms is a common one. These new prayers bring freshness to corporate prayer, carrying the lectionary-based themes of the hymns, lessons, and sermon into the service, creating a fresh and focused worship experience.

The Psalms-Dietrich Bonhoeffer 1982

Dietrich Bonhoeffer presents the Psalms as the prayer of the Church of which Jesus Christ is Head, having their place alongside the ‘Our Father’, the prayer which Jesus taught. Bonhoeffer considers who it is who prays in the Psalms, as well as various themes to be found within them, such as creation and the history of salvation, life and suffering. The Psalms provide words with which we can address God and in which we can hear God speaking to us.

Awakening to Prayer-Augustine Ichiro Okumura, OCD 1994 This book is an introduction to prayer, drawing on Eastern and Western traditions. Translated from the original Japanese into Dutch, French, German, Italian, Korean, and Spanish, Awakening to Prayer has already become a modern spiritual classic. In this simple yet profound book, Japanese Carmelite Augustine Ichiro Okumura explores the fundamental nature and root of prayer, the human and divine reality that underlies all praying. Drawing on the images, stories, and insights of Eastern and Western spiritual traditions, the author considers prayer as conversation, as listening, as resting in the divine. In a long chapter on the "anthropology of prayer," he discusses the relationship between prayer times and other daily activities, the need for both repeated ritual and silence, the problem of distractions and deviations in prayer. The book culminates in a moving reflection on Christ's prayer and what it means to pray authentically as a Christian.

A Tradition of Prayer-International Commission on English in the Liturgy 2000 In 1968, a collection of prayers used by Catholics through the centuries was published in Latin by the Holy See. To foster further prayer among the faithful, several bishops requested that the prayers be translated by the International Commission on English in the Liturgy. This translation is now available. Presented in a language and style suitable to the needs of the contemporary Church, it is the only uniform translation available to English-speaking readers. With accompanying words and expressions appropriate for our times, A Tradition of Prayer can now be used by new generations of Catholics. It is through the liturgy that the Church best expresses its nature as the body of Christ. The Second Vatican Council began its work for renewal in the Church by revising liturgical forms and promoting public worship celebrations. At the same time, the Council encouraged personal prayer and devotion which are in harmony with the renewed liturgy. The guidelines for prayer presented in this book will help readers reaffirm the value of these prayers and devotions.

A Rational Illustration of the Book of Common Prayer of the Church of England, etc-Charles WHEATLY 1852

Pilgrim-Stephen Cottrell 2016-03-01 Pilgrim is a teaching and discipleship resource that helps inquirers and new Christians explore what it means to travel through life with Christ. A Christian course for the twenty-first century, Pilgrim offers an approach of participation, not persuasion. Following the practice of the ancient disciplines of biblical reflection and prayer with quotes from the Christian tradition throughout the ages, Pilgrim assumes little or no knowledge of the Christian faith. Individuals or small groups on the journey of discipleship in the Episcopal tradition can use Pilgrim at any point. There are many different aspects to helping people learn about the Christian faith. We have taken as our starting point Jesus’ summary of the commandments. We are called to offer our lives to God through loving God with all our mind, soul, strength and heart and to love our neighbor as ourselves. Learning about Christian faith and growing in Christian faith is about more than what we believe. It’s also about the ways in which we pray and develop our relationship with God, about the way we live our lives and about living in God’s vision for the Church and for the world. There are two stages of material in Pilgrim. There are four short Pilgrim books (each comprising a course of six sessions) in the “Follow” Stage designed for those who are enquirers and very new to the faith. Then there are four short Pilgrim books (again, each comprising a six-session course) in the “Grow” Stage designed for those who want to go further and learn more. Pilgrim is made up of two parts, each with four courses contained in four booklets: Follow: Do you turn to Christ? Releasing in March 2016 1. Turning to Christ 2. The Lord’s Prayer 3. The Commandments 4. The Beatitudes Grow: Will you continue in the Apostles’ teaching and fellowship? Releasing October 2016 5. The Creeds 6. The Eucharist 7. The Bible 8. Church & Kingdom Each course offers six sessions each that combine a simple prayer, reflection on a biblical selection using lectio divina, an article by a modern writer, and reflection questions. The short courses in the four “Follow” stage books can be approached in any order. Together, we believe they offer a balanced introduction to the Christian life and journey. Our hope and prayer is that Pilgrim will help to introduce people to the Christian Way and also equip them to live their whole lives as disciples of Jesus Christ. It will help inquirers and those new to the Christian faith as well as those who are new to The Episcopal Church or Episcopalians who wish to refresh and renew their learning commitment to Christ. The aim of the “Grow” stage is to help people to learn the essentials for a life of discipleship. A disciple is to be called to live in a rhythm of being with Jesus in community and to be sent out to live out the Christian faith in the whole of his or her life. Disciples need the support of other Christians and to be part of a community. We need opportunities to reflect and pray together and to explore the riches of our faith. The Grow stage supports that process both for new Christians and for those who have been Christians for many years. Some groups who use the Grow material will be moving on from the Follow stage of Pilgrim. Some will be specially convened just for this stage. Component descriptions: Leader’s Guide The Pilgrim Leader’s Guide has lots of helpful material for those who are leading any Pilgrim Group. A single guide covers all eight booklets and gives an overview of the program as well as a process of how to lead a group of youth or adults in discussing the material. This is an essential tool for anyone who wishes to offer any portion of Pilgrim in a small group, whether in church, school, or home. Worship material, liturgies for enrollment in the catechumenate, and additional resources are also included.

Breaking Strongholds Thro' Mid-Night Prayer-B. Mathew 2012-05 Are you struggling in your prayer life without breakthroughs & results? Learn what is a Mid-Night -Experience & why it brings about spectacular results & breakthroughs. Many sincere born again Christians pray & pray, but answers & breakthroughs do not come. Prayers which do not bring answers are NOT effective prayers. And that’s why many Christians have fallen into discouragement and have become lukewarm. Christians who cannot experience prayer victories normally run around to preachers, prophets and to gifted
men of God for help, in a desperate hope that other people's prayers might help them. And if answers still do not come, they sink further into despair, unbelief and spiritual darkness. All these are about to change for you as you read this message and begin your MID-NIGHT EXPERIENCE: • Instead, others will now come running to you for prayer & deliverance • Your disappointments will now turn to appointments • You will now live & walk in the supernatural & experience prayer victories like never before.

Kingdom Advancing Prayer-Michael Scantlebury 2009-12 Prayer has always been one of the most powerful tools the Church of Jesus Christ has in establishing the purposes of the Lord. Part of the technology that is being released into the Church as the Lord restores Apostles, is what we describe as Kingdom Advancing Prayer. This kind of prayer puts the Kingdom of God first and foremost; it is above any personal need or agenda. It is similar to the kind of prayer that Elijah prayed, (in 1 Kings 18) as the Lord used him to turn a whole nation around, and destroy the demonic influence that threatened to thwart the Lord's purpose. It is reflective of the prayer that Jesus prayed (in John 17) as He prepared to bring to completion His Father's Will and go to the cross. The Church of Jesus Christ is stronger and much more determined and equipped than she has ever been, and strong, aggressive, powerful, Spirit-Filled, Kingdom-Centred prayers are being lifted in every nation in the earth. We are seeing the emergence of Houses of Prayer all over the earth with prayer going up 24/7. Prayer that is calling for the Bridegroom's return, and for the Bride to be made ready. Prayers that are storming the heavens and binding the "strong men," declaring and decreeing God's Kingdom rule in every jurisdiction. This is what we call Kingdom Advancing Prayer. This kind of prayer is released from the heart of Father God into the hearts of His people, as we seek for His Glory to cover the earth as the waters cover the sea. What a glorious day to be alive and to be in the Will and Plan of Father God! Hallelujah! With this kind of understanding and prayer, we could very well be the generation that brings the Lord back.

Prayer: a Force That Causes Change: Effective in Prayer-David Williamson 2010-03 There is more to prayer than meets the eye; it can be hard work. In Prayer: A Force that Causes Change, author David Williamson analyzes how to pray and what to pray and provides a thorough discussion of prayer and effective faith-filled prayers. In this, his fourth volume, Williamson shares a series of articles previously published in the weekly online newsletter Voice of Thanksgiving. The articles promote power in prayer prayer that accomplishes God's plans and goals here on earth. In this collection, Williamson continues with themes leading to power in prayer: Partnership of God and man in prayer Dealing with faith killers: doubt, fear, and unbelief Breaking down barriers to prayer Components of effective prayer Breakthrough in prayer The articles in Prayer: A Force that Causes Change illustrate how a life of effective prayer is one of a close relationship to God and a life filled with answers to prayers. Effective prayers can lead to changes in people's lives, family, church, neighborhood, cities, and nations. It shows how prayer opens doors that have previously been closed.

Power Through Prayer-E. M. Bounds 2015-08-27 WE are constantly on a stretch, if not on a strain, to devise new methods, new plans, new organizations to advance the Church and secure enlargement and efficiency for the gospel. This trend of the day has a tendency to lose sight of the man or sink the man in the plan or organization. God's plan is to make much of the man, far more of him than of anything else. Men are God's method. The Church is looking for better methods; God is looking for better men. "There was a man sent from God whose name was John." The dispensation that heralded and prepared the way for Christ was bound up in that man John. "Unto us a child is born, unto us a son is given." The world’s salvation comes out of that cradled Son. When Paul appeals to the personal character of the men who rooted the gospel in the world, he solves the mystery of their success. The glory and efficiency of the gospel is staked on the men who proclaim it. When God declares that "the eyes of the Lord run to and fro throughout the whole earth, to show himself strong in the behalf of them whose heart is perfect toward him," he declares the necessity of men and his dependence on them as a channel through which to exert his power upon the world. This vital, urgent truth is one that this age of machinery is apt to forget. The forgetting of it is as baneful on the work of God as would be the striking of the sun from his sphere. Darkness, confusion, and death would ensue.

The Praying Church-Edmund Salas 2020-07-27 Many of us long to see God move mightily in response to our prayers. We’ve heard of such stories. And some of us have experienced them. But how can we start a prayer ministry at our own church that is biblically based, responsible, and
shows sensitive compassion for others? Praying with God’s power is not permission to “get weird,” launch into “spooky prayers,” or alienate the rest of the church. Walking in our authority in Christ can be done with established ministry protocols that enhance your own church culture. The Praying Church shows us how to build safe, sustainable, team-based ministries of prayer that deepen our trust in each other and ensure that God, alone, gets the glory. Salas shares accounts from his own journey of spiritual formation—from saying “anemic” prayers to declaring life-giving words of blessing and power, ushering him into a deeper intimacy with God that his heart has always longed for. The biblically solid approach in The Praying Church honors theologically conservative traditions while embracing individuals no matter where they are in their faith journey.
