Know Him in the Breaking of the Bread—Francis Randolph 1998-01-01 In accessible and lively prose, this book explains the ceremonies of the
Catholic Mass and their meaning for lay people, including the young. It is designed to meet the widespread complaint that the Mass is boring, incomprehensible, or alienating. Fr. Randolph goes through the Mass step by step, looking at the origin and purpose of the various elements, and relating them to the reader’s experience of prayer and the Christian life. Suggestions are made for ways to enhance our appreciation of the liturgy, how to prepare for Mass, and how to carry the grace of the Mass out into the world. A supplementary chapter looks at the use of Latin in the Mass, its past and present value, and explains it in the context of contemplative prayer.

Some Elements of the Mass-Rev. Fr. Gregory O. Okorobia 2009-12-29 The Mass has been at the center of Catholic worship since the day of its institution on that first Holy Thursday when Jesus Christ took bread, blessed and broke it, and took the cup filled with wine, gave them to his disciples saying: "Take and eat, this is my body...", "take and drink, this is my blood". Many people who attend this worship observe many ritual actions performed by the priest, and some prayers said both by the celebrant and the people, without knowing why they do and say them. "Some Elements of the Mass" is a brief explanation of these different ritual actions and prayers that make up the Roman Catholic Mass. It tells the reader the origin of some of these ritual actions and prayers, and why they are placed at their present positions within the structure of the Roman Catholic Mass. Both those coming in newly into the Catholic Church and 'cradle Catholics' have found "Some Elements of the Mass very enlightening and educative. Like Most Reverend Robert F. Vasa said in the foreword: "The booklet is written, not for scholars, but rather for the "common man" and as such provides a very good introduction to the Mass".

The Ministry of Music-Kathleen A. Harmon 2004 The Ministry of Music explores liturgical music from the perspective of liturgy as a ritual enactment of the paschal mystery. How do the acclamations, the hymns and songs, the responsorial psalm, and the litanies enable the assembly to participate in this enactment? What musical and pastoral choices best enable music to fulfill this role? And how does the music form us in a paschal mystery spirituality that shapes daily Christian living and makes the relationship between liturgy and life tangible. Book jacket.

PREVAILING PRAYERS OF INTERCESSION AND SUPPLICATION GUIDES-Akinbowale Isaac Adewumi 2019-05-27 THOSE who pray know that
prayer gets answered by God. In the ecological culture of prayer and its sublime gestational realm, spiritual phenomena metamorphose into tangible physical realities as a well-sculpted script in its gamut of performance delivery. Divinity rules in the affairs of men on this side of the divide depending on how well-guided prayer pundits are. This book, 'PREVAILING PRAYERS OF INTERCESSION AND SUPPLICATION GUIDES,' sets out to sensitize and equip readers by giving a sense of proper direction through a biblical predisposition to the fact that an unanswered prayer is never God’s desire. Prayers channeled through the holy vessels of God are honored by God. Hence, Psalms 66:18 says, “If I regard iniquity in my heart, the Lord will not hear me.” There are several kinds of prayer but a prayer of intercession involves standing in the gap as a bridge for others’ welfare to turn things around and sustain positive changes. It redirects the vicissitudes of life and makes living much better for both the prospects or targets of prayer and its subjects who can spare time to be with God without selfishness and bitterness. Intercessory prayer moves mountains, removes barriers, breaks yokes or chains, lifts burdens, rolls away sorrows, gives victory in every battle of life, provides calmness in crisis and eases perplexing situations confronting believers and the world itself in its socio-economic and political landscapes. In the same breath, through prayers of supplication, we receive assurance, protection, authority and dominion. It reveals our dependence on God, takes us to the realm of the supernatural and moves God to act on our behalves. In these last days, believers have to be guided to repair the altar of prayer and get acquainted with God more than ever before according to Job 22:21-30. Many saints of old left us their footprints in the ministry of intercession and supplication among whom are Abraham, Moses, Elijah and a host of others. They were all successful in their time. If only we too would consecrate and commit ourselves to the ministry of intercession and supplication, we will succeed and make enviable marks in our churches, homes, environment and nations. More importantly, we must believe in the power of intercession in order to activate it, operate in it, practice it and seek God on behalf of others. Premised on the foregoing, our prayers must be fervent, effectual and importunate if we would to get things done and have results. We ourselves must be sold-out to Jesus and develop a loving beauty of spirit for other people as we engage in prayer without ceasing. With our spirit given up to God in intercession, there is hope for our Churches, nations and ministries. Ultimately, our rewards shall be great from the Good Lord Who does not owe anyone.
