How to Pray for Healing-Che Ahn 2003-12-08 This book is an account of the author's personal journey through healing and into a healing ministry. He explains the basic theology of healing and how to pray for yourself and others. There is also a section that discusses the times when God does not heal. Should we always expect healing? This introduction to the subject of prayer and healing balances the miraculous with the practical and draws from such well known sources a John Wimber, Francis McNutt, Smith Wigglesworth and others. Many personal stories included.

Intercession-Ann Shields 2004 Intercessory prayer—prayer for the needs of others—comes easily to many of us. But sometimes we wonder why our prayers are not more effective. Does God hear us? Does he care? Does he want to help? Why do our prayers seem to fall on deaf ears? Too often, we quit interceding when we fail to see results. In Intercession: A Guide to Effective Prayer, Sister Ann Shields leads us through key Scripture passages that undergird productive prayer. In nine lively lessons, we discover what it means to pray, how to intercede for the church and the world, and the elements of spiritual warfare. Active faith united with practical, Scriptural teaching will equip us to pray with power for our family, friends, neighborhood, church and the global community. A Servant Book.

Fulfillment of the Great Commission is no longer a distant hope but rather is a fast-approaching reality for a Church that will take hold of and utilize the biblical principles for changing cities as described in "That All Should Hear." In it Ed Silvoso shares his heart and his passion for reaching cities the way the Early Church did it: the whole Church modeling the whole gospel to the whole city through prayer and prayerful evangelism.

**Prayer Matters-Marilyn Wragg 2017-12-20** Have you ever wondered how prayer works? Have you ever wished you were better at praying? Have you ever been at a loss for words to pray? This is not a book that attempts to answer all your questions on prayer. On the contrary, the author acknowledges upfront that prayer is a mystery for which there is no magic formula. There are Biblical principles that teach much about prayer, and God's spiritual spokespersons have offered insight. But God is God, and prayer is in the realm of His unfathomable ways and workings. Rather, this is a book that invites you to come alongside the author and delve into the practice of prayer. It contains reflections on varied prayer matters that are based on exploring principles about prayer and trying various ways to pray. It is the fruit of the author's entreating God to teach her to pray. Since much of this entreating occurred while walking with her son through his cancer battle and now as she grieves his passing, the author's insights are presented as one questioning pilgrim desiring to help another. The book's premise is that we do not have to understand prayer to pray. We learn to
pray by praying. The more we pray, the more natural praying therefore becomes. Hence, suggestions and tools are offered to facilitate praying. Whether you are relatively experienced with prayer, brand new, or somewhere in between, you are invited to ponder these prayer matters and to implement those suggestions for "doing prayer" that appeal to you. Because, ultimately, while we may not know the intricate workings of prayer this side of Heaven, one thing we do know is... Prayer Matters!

Prayers and Intercession, to Almighty God, against the threatened visitation of the cholera. [The address signed: R. B. i.e. Robert Brett?]—R. B. 1848

PREVAILING PRAYERS OF INTERCESSION AND SUPPLICATION GUIDES-Akinbowale Isaac Adewumi 2019-05-27 THOSE who pray know that prayer gets answered by God. In the ecological culture of prayer and its sublime gestational realm, spiritual phenomena metamorphose into tangible physical realities as a well-sculpted script in its gamut of performance delivery. Divinity rules in the affairs of men on this side of the divide depending on how well-guided prayer pundits are. This book, ‘PREVAILING PRAYERS OF INTERCESSION AND SUPPLICATION GUIDES,’ sets out to sensitizie and equip readers by giving a sense of proper direction through a biblical predisposition to the fact that an unanswered prayer is never God’s desire. Prayers channeled through the holy vessels of God are honored by God. Hence, Psalms 66:18 says, “If I regard iniquity in my heart, the Lord will not hear me.” There are several kinds of prayer but a prayer of intercession involves standing in the gap as a bridge for others’ welfare to turn things around and sustain positive changes. It redirects the vicissitudes of life and makes living much better for both the prospects or targets of prayer and its subjects who can spare time to be with God without selfishness and bitterness. Intercessory prayer moves mountains, removes barriers, breaks yokes or chains, lifts burdens, rolls away sorrows, gives victory in every battle of life, provides calmness in crisis and eases perplexing situations confronting believers and the world itself in its socio-economic and political landscapes. In the same breath, through prayers of supplication, we receive assurance, protection, authority and dominion. It reveals our dependence on God, takes us to the realm of the supernatural and moves God to act on our behalves. In these last days, believers have to be guided to repair the altar of prayer and get acquainted with God more than ever before according to Job 22:21-30. Many saints of old left us their footprints in the ministry of intercession and supplication among whom are Abraham, Moses, Elijah and a host of others. They were all successful in their time. If only we too would consecrate and commit ourselves to the ministry of intercession and supplication, we will succeed and make enviable marks in our churches, homes, environment and nations. More importantly, we must believe in the power of intercession in order to activate it, operate in it, practice it and seek God on behalf of others. Premised on the foregoing, our prayers must be fervent, effectual and importunate if we would to get things done and have results. We ourselves must be sold-out to Jesus and develop a loving beauty of spirit for other people as we engage in prayer without ceasing. With our spirit given up to God in intercession, there is hope for our Churches, nations and ministries. Ultimately, our rewards shall be great from the Good Lord Who does not owe anyone.
