Prayers For My Future Husband-Anna Bella 2020-04-19 Marriage is one of the greatest gifts God ever gave to humanity, besides His son Jesus. In the
Garden of Eden, God said that it was not good that man was alone, so He created Eve out of Adam's side (Genesis 2). Desiring a counterpart and
oneness with another person is built into the deepest and oldest parts of our human nature. God also tells us in His Word to present all of our
requests to Him (Philippians 4:6). We want to encourage you in your desire for marriage by encouraging you and inspiring you to pray for your heart
and the heart of your future husband. We wrote 31 Prayers For My Future Husband for single or engaged women, women currently in a serious
relationship, and women who are already engaged that are planning for their special day! 31 Prayers For My Future Husband is also a great resource
to help teenage girls prepare their hearts and minds for what God has for their future marriage. As you seek God's will for you and your future
husband, as you patiently prepare for your wedding day, we challenge you to begin to be the prayer warrior that God desires and created you to be.

Prayers for My Future Husband-Farrah Young 2021-08-05

Prayers for My Future Husband One of the mistakes some young women are guilty of is making all the preparations for marriage on the physical and leaving the spiritual to chance. Marriage takes two whole, committed and determined people to make it work. If you have just one person (the woman) doing all the preening and preparation, then you'd be leaving your marriage to chance. Praying for your future husband is going beyond the physical and committing this man into God's hands. It is asking the good Lord to mould and shape him, the way He is doing with you. Praying these prayers is asking God for a godly and fulfilling marriage before you even step into this institution. It is placing your marriage in the care of the one who instituted it, knowing He's got you covered. This book is written for every such woman who wants her marriage free of the strife and struggles that plague most 21st-century marriages. It contains a 30-day prayer programme that will help you achieve this. Download this book now to find out what this programme is.

Prayers to Attract the Right Husband-Laura Armstrong 2017-10-23 Marriage is ordained by God and it is one of His greatest gifts to mankind. However, marriage is a serious business that no single lady should go into without first of all praying for the right spouse. Not seeking God’s will concerning your future husband is a recipe for a troubled home. Prayers to attract the Right Husband was written for single women who desire God’s ordained spouse. As you patiently wait on the Lord, there are prayers you will have to observe and meditate on in order not to attract the wrong person who will, in turn, make your life miserable. This book teaches you to write down the qualities you desire in your husband and take them to God in prayers using guides provided therein. These are seventeen prayer points which I used while I was single that attracted my husband to me and I can confidently say we are married for 20 years. I give to single ladies I counsel who desire the right man same prayers points and most of them come back with testimonies. Laura Armstrong is Marriage and family therapist with 15 years’ experience. She has worked with young ladies and couples to overcome relationship, fear, parenting and self-esteem/self-worth issues. As a Christian, she has been able to fuse her training as a Marriage and family therapist with the Bible to help counsel individuals and couples according to the Biblical instructions with positive results spanning her 15-year career period. Laura believes the foundation of a good society starts with the marriage and worked tirelessly to help people start their marriage on a good footing. She lives in Asheville, North Carolina, the USA with her Husband Kelvin Armstrong and two beautiful children.
