2003-02-05 John Purner Organized by state, Purner offers pilot-recommended best places to land for a round of golf. Courses are rated (winged-golf ball icons positioned by course name) and descriptions include technical runway and FBO info, transportation options if required, and the skinny on course details, costs, accommodations, etc. Running throughout book are author's tips for winning weekend golf. Key Features: · Over 500 golf courses in 50 states · From the horse's mouth: recommendations come from pilots to pilots · Tells all: service, location, style, quality, price, transportation, operations, the works! · Travel, golfing, and pilot guide all in one! · "PIREP" submission form included · Bonus value: golf tips included

2004 Ed Bowker Staff

2015-07-17 John Purner "The \$100 Hamburger - A Pilots' Guide" has been general aviation's Zagat Guide for twenty-five years. It contains 300 pages of reviews of easily accessible ON AIRPORT restaurants that every private pilot needs to know about. All restaurants located on general aviation friendly airports in the United States are included. John Purner has written each review from his personal experience. "The \$100 Hamburger - A Pilots' Guide" follows John's three editions of the very popular "The \$100 Hamburger- A Guide to Pilot's Favorite Fly-In Restaurants" plus the highly successful

"The \$100 Hamburger 2014/15". This summer of 2017 edition includes information about FBOs, rental cars, on airport museums, hotels, golf courses, camping and so much more!!! Everything you need to know to make a decision for your next burger run is included; maps, phone numbers, website URLs and email addresses. It's guaranteed to make your next flight a real pleasure.

2011-09-28T00:00:00+02:00 Niki Segnit Una guida originale per sperimentare i sapori attraverso svariate combinazioni, dai classici cioccolato e nocciole agli insoliti caffè e formaggio di capra. Un libro unico, che offre idee e spunti creativi per una cucina tutta da scoprire. Tostati Carnosi Caseari Di terra Senapati Sulfurei Di mare Sale e salamoia Erbe e verde Speziati Di bosco Fruttati freschi Fruttati cremosi Agrumati Di rovo e siepe Fruttati fioriti

1999 John A. Merry This is a directory to the aviation world in cyberspace. It offers 100 sites, adds the category airlines and adds contact e-mail addresses to the featured 300 sites.

2010-07-13 Sue Corbett Insiders' Guide to Williamsburg and Virginia's Historic Triangle is the essential source for in-depth travel and relocation information to Williamsburg, Jamestown, and Yorktown. Written by a local (and true insider), this guide offers a personal and practical perspective of the cities and the

surrounding environs.

2004-06-10 John F. Purner Author John Purner, who gave his fellow pilots The \$100 Hamburger and the \$500 Round of Golf, is back with a unique compilation of 101 not-to-be-missed aviation events, sites, and adventures. Purner details how to get there, where to stay, how much it's going to cost, and everything else you need to get the most out of the fabulous attractions. * Convenient regional organization * Coverage extends to the Cayman Islands, France, and the UK * Includes historical landmarks, aviation museums, air shows, and more * More than a directory, Purner only includes carefully chosen top attractions * Author's companion website allows readers to log on and share experiences and recommendations

2002-11 John Purner Organized by state, this book offers pilot-recommended best places to land for a bite to eat. Known throughout the community as the \$100 hamburger, this moniker describes a common practice of flying for the pleasure of flying, justified by the excuse of lunch. Restaurants are rated (hamburger icons positioned by restaurant name) and descriptions include technical runway and FBO information, transportation options if required and information on restaurant ambiance and fare. Over 1000 restaurants in 50 states and 16 foreign locations are covered.

2010-06-21 Niki Segnit Ever wondered why one flavour works with another? Or lacked inspiration for what to do with a bundle of beetroot? The Flavour Thesaurus is the first book to examine what goes with what, pair by pair. The book follows the form of Roget's Thesaurus. The back section lists, alphabetically, 99 popular ingredients, and suggests classic and less well known flavour matches for each. The front section contains an entry for every flavour match listed in the back section and is organised into 16 flavour themes such a Bramble & Hedge, Green & Grassy, and Earthy. There are 980 entries in all, with 200 recipes and suggestions embedded in the text. It covers classic pairings such as pork & apple, lamb & apricot, and cucumber & dill; contemporary favourites like chocolate & chilli, and goat's cheese & beetroot; and interesting but unlikely-sounding couples including black pudding & chocolate, lemon & beef, blueberry & mushroom, and watermelon & oyster. Beautifully packaged, The Flavour Thesaurus is not only a highly useful, and covetable, reference book that will immeasurably improve your cooking - it's the sort of book that might keep you up at night reading.

2015-12-30 Alan Meyer The inside story of the hypermasculine world of American private aviation. In 1960, 97 percent of private pilots were men. More than half a century later, this figure has barely changed. In Weekend Pilots, Alan Meyer provides an engaging account of

the postWorld War II aviation community. Drawing on public records, trade association journals, newspaper accounts, and private papers and interviews, Meyer takes readers inside a white, male circle of the initiated that required exceptionally high skill levels, that celebrated facing and overcoming risk, and that encouraged fierce personal independence. The Second World War proved an important turning point in popularizing private aviation. Military flight schools and postwar GI-Bill flight training swelled the ranks of private pilots with hundreds of thousands of young, mostly middle-class men. Formal flight instruction screened and acculturated aspiring fliers to meet a masculine norm that traced its roots to prewar barnstorming and wartime combat training. After the war, the aviation community's response to aircraft designs played a significant part in the technological development of personal planes. Meyer also considers the community of pilots outside the cockpit—from the time-honored tradition of "hangar flying" at local airports to air shows to national conventions of private fliers—to argue that almost every aspect of private aviation reinforced the message that flying was by, for, and about men. The first scholarly book to examine in detail the role of masculinity in aviation, Weekend Pilots adds new dimensions to our understanding of embedded gender and its long-term effects.

2015 Nancy White Food trucks in Jacksonville

are a smashing success. The early popularity of trucks like Corner Taco and On the Fly set the stage for a mobile dining revolution. Innovators such as Mike Field and Jax Truckies supplied the vision and passionately advocated for the cause. From Beer Cheese Soup to Chicken Madras, the astounding variety of menus, themes and trucks means there's something for all locals to enjoy. Author and "Nourish the Beast" blogger Nancy White includes fascinating stories and mouth-watering recipes as she chronicles the rise of food trucks on Florida's First Coast.

1994 Timothy Trimble Thrills, chills, and spills at 30,000 feet! Flight Simulator is one of the most popular software packages ever created, with more than one million armchair pilots worldwide. To commemorate Flight Simulator's 10th year Microsoft presents the ultimate Flight Simulator adventure guide. It covers the basics of flying and instrument training, aircraft and scenery design, and challenging ""flying adventures"". (Games)

2017-08-01 Mary Contini Gordon "Wine was

free, but we had to pay for water." Joe Chiriaco and his thirteen siblings heard this from their Italian immigrant father as he recounted his ocean journey to America. In the face of limited water and rudimentary dirt roads, Joe and his Norwegian wife, Ruth Bergseid, founded Chiriaco Summit in the 1930s, a desert travel oasis on today's Interstate 10 between Phoenix and Los Angeles, promising to serve the world on wheels. The twenty-four-seven challenges are lightened with the courtship of two feisty lovers, the frolicking of youngsters in the desert, more loves, and the juxtaposition of some very imposing personalities, including those of Joe Chiriaco and General Patton. After moving through new aqueducts and highways, military camps, societal upheavals, and a welcome new set of hard-working immigrants, the twenty-first century brings provisions for electric cars, modern aircraft, and ATV facilities outside Joshua Tree National Park from whence the first Summit waters flowed.

2010-04-01 The Phantom Gourmet Boston's well-known "mysterious" food critic has honed his compendium of restaurant knowledge into his selection of the Boston area's best restaurants. The Phantom lists his favorite eight (also known as the "Great Ate") restaurants in 60 categories from comfort food and fried clams to Chinese and Italian. There are also lists devoted to neighborhoods and regions, from the North End to the North Shore. The nearly 500 restaurant reviews are

also catalogued in alphabetical, geographical, and cuisine indexes for easy reference. Unlike the competition, this book has a voice and exhibits the well-respected local expertise of the Phantom Gourmet himself. Moreover, rather than list every restaurant under the sun, the Phantom selects the places he feels are worthwhile and explains why, giving restaurant-goers more guidance when they're looking for a place to eat.

1998 John Purner It's a fact: Pilots will fly 800 miles for a good short order meal! Organized by American states and 15 foreign countries, this pilot-endorsed guide reviews more than 1,000 restaurants convenient to regional landing strips, as well as general and international airports. Rated by location, style, quality, service, atmosphere and price, the book also includes hours of operation and even dress codes. 55 illustrations.

1995 Terry T. Lankford

2022-08-16 John Purner The pandemic was rough on our world. Really, really rough. So rough in fact that we postponed the 2021 Edition of the \$100 Hamburger. The reason was simple. All across America, airport restaurants were shut down. A full 90% were not operating. Some closed for the duration. Some forever. Many changed hands. All anxiously waited. Soon we noticed the first shoots of spring, literally. Airport restaurants began to re-open.

The owners reached out to us. Each wondered what we were doing to help and asking us to do more. They wanted us to get the word out and help them bring their businesses back to life. We rolled up our sleeves and got busy. "The \$100 Hamburger - A Pilots' Guide 2022" is a critical part of that effort. We re-activated our Volunteer Burger Reviewer Field Force. By the way, we always have room for one more. Write me if you're interested.

(jpurner@100dollarhamburger.com). We set up a phone bank to quickly reach out to all of the restaurants we cover. "The \$100 Hamburger - A Pilots' Guide 2022" is the newest edition of what has been called general aviation's Zagat Guide. For over twenty-five years recreational pilots have relied on their copy of private aviations ONLY travel guide. The newest Edition is full of good news. The great General Aviation Re-Awakening is in full swing. We're back! "The \$100 Hamburger - A Pilots' Guide 2022" contains reviews of every, easily accessible ON AIRPORT restaurant in the United States. It is written from John Purner's own experiences. Everything you need to know to make flight planning decisions for your next Burger Run is included; phone numbers, website URLs and email addresses. It's guaranteed to make your next flight a real pleasure. This is the perfect book for every private pilot you know. Welcome back. Get your copy of "The \$100 Hamburger - A Pilots' Guide 2022", fire-up your machine and GO FLYING, you've been locked down too long.

2018-12-03 John Purner "The \$100 Hamburger - A Pilots' Guide 2019" is the newest edition of what has been called general aviation's Zagat Guide. For over twenty-five years recreational pilots have relied on their copy of private aviations ONLY travel guide. It contains reviews of easily accessible ON AIRPORT restaurants written from John Purner's own experiences. Every ON AIPORT restaurant in the country is included. This December 2018 edition includes information about FBOs, rental cars, on airport museums, hotels, golf courses, camping, ON AiRPORT restaurants and so much more!!! Everything you need to know to make flight planning decisions for your next burger run is included; phone numbers, website URLs and email addresses. It's guaranteed to make your next flight a real pleasure. This is the perfect book for every private pilot you know.

2004-03-21 Eyvinn H. Schoenberg Plane Talk: Cessna Export Tales is the story of the team of close friends in the Export Department of the Cessna Aircraft Company, Wichita Kansas as seen through the eyes of Eyvinn H. Schoenberg as he relates through forty tales and five epilogue histories, experiences of his own and those of his friends in exporting Cessnas worldwide. He describes his strict flight training in a Piper Cub, and the fun of flying Cessnas once authorized to be a Cessna Utility Pilot while learning to fly The Cessna Way, as well as his own and others adventures in flying,

selling, and developing an internationally based Distributor and Dealer organization, whose sales of Cessnas in the Caribbean, South America, Hawaii, Australia, New Zealand, The Far East, Europe, The Middle East, and various African countries in great part caused Wichita Kansas to be called The Air Capitol of the World.

2006-11-22 John F. Purner Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. Since its publication in 1998, "The \$100 Hamburger-A Guide to Pilot's Favorite Fly-In Restaurants" has become more than a book. It is a cultural phenomenon felt far outside its intended target market, general aviation owner pilots. Virtually every aviation magazine has written about the book. The April 2001 edition of Plane& Pilot referred to it as "general aviation's version of the Zagat Guide". The November 2001 edition of Flying pointed it out to "Fly-in diners intent on finding decent \$100 Hamburgers."The mainstream media has covered as well. The July 26, 2001 edition of The Wall Street Journal featured an above the fold, front page article of 23 column inches. The Seattle Post-Intelligencer, The Boston Globe, The Chicago

Tribune and others had written flattering feature articles on our book over the life of the next edition. The book's companion website clocks over 450,000 site visits per month. Each week it receives 50 to 100 updates (PIREPs) from our pilot readers. These PIREPs affect over 80% of the sites reported on in the book. New restaurants have opened, some restaurants and even some airports have closed. Today only twenty percent of the data from the current edition is fully accurate.The new edition will feature over 80% new content - new restaurants, new airports, and completely updated reports on both from pilots all over the US, Canada, and the UK.

2017-01-08 Ники Сегнит С чем сочетается ягненок? Какую приправу добавить к белой рыбе, чтобы получить оригинальное блюдо? Почему чили так прекрасно оттеняет горький шоколад? Ответы на эти вопросы интересны не только профессиональным шеф-поварам, но и новичкам, которые хотят приготовить вкусное блюдо. Ники Сегнит, в прошлом успешный маркетолог в сфере продуктов питания, решила создать полный

справочник сочетаемости вкусов. «Тезаурус вкусов» – это список из 99 популярных продуктов с разными сочетаниями – классическими и менее известными. Всего 980 вкусовых пар, к 200 из них приводятся рецепты. Все ингредиенты поделены на 16 тематических групп. Например, «сырные», «морские», «жареные» и т. д. К каждому сочетанию вкусов приведена статья с кулинарным, историческим и авторским бэкграундом. Помимо классических сочетаний, таких как свинина – яблоко,

огурец и укроп, в словаре можно встретить современные пары – козий сыр и свекла, лобстер и ваниль, а также нежелательные сочетания: лимон и говядина, черника и грибы и т. д. [i]В формате pdf A4 сохранен издательский дизайн.[/i]

2004 Fritz Schneider "The new user and the Web-savvy alike will benefit from the many simple and advanced tactics and strategies the authors share for finding information on the Web with Google." - cover.
