The Burnt Orange Heresy-Charles Ray Willeford 1971 James Figueras, a young art critic; his girlfriend, high school English teacher Berenice Hollis; Jacques Debierue, the artist; and the making of a murderer.

The Burnt Orange Heresy (Movie Tie-In)-Charles Willeford 2020-03-03 Now a major motion picture directed by Giuseppe Capotondi, with Claes Bang, Elizabeth Debicki, Mick Jagger and Donald Sutherland "A spiky romance laced with art-history references and the trappings of a sleekly elegant neo-noir." —The Hollywood Reporter Fast-talking, backstabbing, womanizing, and fiercely ambitious art critic James Figueras will do anything—blackmail, burglary, and beyond—to make a name for himself. When an unscrupulous collector offers Figueras a career-making chance to interview Jacques Debierue, the greatest living—and most reclusive—artist, the critic must decide how far he will go to become the art-world celebrity he hungers to be. Will Figueras stop at the opportunity to skim some cream for himself or push beyond morality's limits to a bigger payoff? Crossing the art world with the underworld, Willeford creates a novel of dark hue and high aesthetic polish. The Burnt Orange Heresy—the 1970s crime classic now back in print—has lost none of its savage delights as it re-creates the making of a murderer, calmly and with exquisite tension, while satirizing the workings of the art world as the ultimate con.

Beckett in Popular Culture-P.J. Murphy 2015-12-11 What do Bono, Seinfeld and Apple have in common? Nothing. However, it's the nothing of Samuel Beckett, which is something. Bold and provocative, Beckett's works and even his image are a potent force in modern society. Shoes, marketing, baby names—all fall under his spell. This collection of new essays (one exception) finds him incorporated into virtually all aspects of popular culture—television, popular fiction, movies, tattoos, even sports—in a manner that seems to defy classifying. Is it image-making or image-taking? Why is our culture so obsessed with an obscure Irish writer most people have not read? Each essay provides a unique appraisal of Beckett's branding.

Comedy After Postmodernism-Kirby Olson 2001 Is comedy postmodern? Kirby Olson posits that no one has been more marginalized than the comic writer, whose irreverent truths have always made others uncomfortable. In a literary age that purports to champion diversity, comic writers remain an underclass huddling at the fringes of the canon. Olson challenges the status quo by inviting the comic writer into the center of literary debate. In the growing discipline of humor studies, Olson is the first to create a substantial link between the fields of comedy and postmodernism, discovering in comic writers a philosophy of oddness and paradox that parallels and extends the work of the major postmodern thinkers. With elegant clarity, *Comedy After Post-modernism* examines: Edward Lear as he invents a comic picturesque to challenge the sublime of Kant and Ruskin Gregory Corso as he explodes the Great Chain of Being of his early Catholicism Philippe Soupault as a comic surrealist undoing the sacrificial aesthetics of André Breton P.G. Wodehouse as a social thinker with surprisingly deep affinities to anarchist Peter Kropotkin and radical social theorist Charles Fourier Stewart Home, the infamously violent punk author, as a pacifist whose narrative questions Marxist-anarchist terrorism in favor of patience and tolerance Charles Willeford, the maestro of the black humor police procedural, as a postmodern philosopher who deepens the problems of ethical and aesthetic judgment after postmodernism. "An original, splendidly researched, and necessary book. By pointing to the vast excluded literature of 'comic writers, ' Dr. Olson opens the door to a postmodern scholarship capable of greater flexibility. *Comedy After Postmodernism* evinces a lucid, passionate, and engaging style." --Andrei Codrescu There was an old man on the Border, Who lived in the utmost disorder; He danced with the cat, and made tea in his hat, Which vexed all the folks on the Border. --From *The Complete Nonsense of Edward Lear*

Nobody's Perfect-Anthony Lane 2003 The collected reviews of Anthony Lane, the New Yorker critic. In the manner of Edmund Wilson and Kenneth Tynan, Lane embraces high and low with equal gusto.

Cockfighter-Charles Willeford 2014-08-14 'No one writes a better crime novel than Charles Willeford' Elmore Leonard Frank Mansfield is the cockfighter, a man obsessed with an illegal sport which is unspeakably cruel, unthinkably bloody - and incredibly exciting. His pursuit of the champion's medal takes him into the seamy underbelly of rural Southern life - into the hot, dusty small-town circuits, where greed and corruption vie only with lust and violence . . .

Warpaint-Alicia Foster 2013-03-28 *Warpaint* by Alicia Foster is a compelling tale of truth and lies, tragedy and black comedy, loosely based on the lives of four painters of the time. England, 1942: a dark world of conflict, hardship and subterfuge where information is a matter of life and death and art has become a weapon. In a gothic villa deep in the woods near Bletchley Park, the 'Black' propaganda team use intelligence to make propaganda designed to demoralise the enemy. For Vivienne Thayer, employed as an artist at the villa, the war has worked out well so far, she has an indulgent husband and a new lover. And while the government quibbles over what cannot be shown officially, at the villa there are no such restrictions - but where does the subterfuge end? Meanwhile, on the Home Front, three women painters - Laura Knight, Faith Farr and Cecily Browne - have been tasked by the War Artist's Advisory Committee with recording wartime life, brightening the existence of a public starved of culture, and summoning up the bulldog spirit in their art. Together they must battle with the men in power, including Churchill himself, to control the stories that can be told. As the course of the war turns and the lives of both groups collide, each woman must ask herself what can be revealed and what must be concealed, even from those closest to them. Alicia Foster grew up in Yorkshire and lives in Kent. She has a PhD in Art History and when she's not writing herself, she teaches art students. *Warpaint* is her first novel.

The Malleus Maleficarum-Heinrich Kramer 2007-04-01 "A handbook for hunting and punishing witches to assist the Inquisition and Church in exterminating undesirables. Mostly a compilation of superstition and folklore, the book was taken very seriously at the time it was written in the 15th century and became a kind of spiritual law book used by judges to determine the guilt of the accused"--From publisher description.

I Was Looking For a Street-Charles Willeford 2014-08-14 'No one writes a better crime novel than Charles Willeford' Elmore Leonard I Was Looking For a Street tells the story of the author's childhood and adolescence as an orphan, as he moves from railroad yard to hobo tent city, to soup kitchen and desert around Los Angeles and across the United States. The ensuing tale is at once a picaresque adventure through Depression-era America and a portrait of the writer as a young man of seemingly little promise but great spirit. Written late in Willeford's career, this memoir is the work of a writer at the height of his powers looking back without nostalgia or regret, and preserving in his clear and powerful prose the great American adventure of his youth.

Pick-Up-Charles Willeford 2014-08-14 'No one writes a better crime novel than Charles Willeford' Elmore Leonard In this riveting novel of psychological suspense, Charles Willeford charts a duel trajectory of alcoholic desire and destruction that is at once poignant, terrifying and utterly authentic. Prowling the grimy streets of San Francisco, Helen is a beautiful, sensuous drunk - and a pathetically easy pick-up. Harry just wants to help, but before long they are both adrift in a sea of alcohol - until Harry conceives the ultimate crime.

This Grotesque Position-Sean McCann 1994

The Man Who Folded Himself-David Gerrold 2011-02-02 This classic work of science fiction is widely considered to be the ultimate time-travel novel. When Daniel Eakins inherits a time machine, he soon realizes that he has enormous power to shape the course of history. He can foil terrorists, prevent assassinations, or just make some fast money at the racetrack. And if he doesn't like the results of the change, he can simply go back in time and talk himself out of making it! But Dan soon finds that there are limits to his powers and forces beyond his control.

Crime Novels: American Noir of the 1950s (LOA #95)-Jim Thompson 1997-09 Critically acclaimed crime novels of the 1950s include Pick-Up, The Killer Inside Me, Down There, The Real Cool Killers, and The Talented Mr. Ripley, in this second in a two-volume set.

Miami Blues-Charles Willeford 2009-08-19 After a brutal day investigating a quadruple homicide, Detective Hoke Moseley settles into his room at the un-illustrious El Dorado Hotel and nurses a glass of brandy. With his guard down, he doesn't think twice when he hears a knock on the door. The next day, he finds himself in the hospital, badly bruised and with his jaw wired shut. He thinks back over ten years of cases wondering who would want to beat him into unconsciousness, steal his gun and badge, and most importantly, make off with his prized dentures. But the pieces never quite add up to revenge, and the few clues he has keep connecting to a dimwitted hooker, and her ex-con boyfriend and the bizarre murder of a Hare Krishna pimp. Chronically depressed, constantly strapped for money, always willing to bend the rules a bit, Hoke Moseley is hardly what you think of as the perfect cop, but he is one of the the greatest detective creations of all time.

The Shark-Infested Custard-Charles Willeford 2009-08-26 From the master of Miami noir comes this tale of four regular guys living in a singles apartment building who experience firsthand that there's more than one type of heat in Miami. Larry Dolman is a rather literal minded ex-cop who now works private security. Eddie Miller is an airline pilot who's studying to get his real estate license. Don Luchessi is a silver salesman who's separated from his wife but too Catholic to get a divorce. Hank Norton is a drug company rep who gets four times as many dames as any of the other guys. They are all regular guys who like to drink, play cards, meet broads, and shoot a little pool. But when a friendly bet goes horribly awry, they find themselves with two dead bodies on their hands and a homicidal husband in the wings—and acting more like hardened criminals than upstanding citizens.

Fahrenheit 451-Ray Bradbury 1951 A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Crime Fiction and Film in the Sunshine State-Steve Glassman 1997 From Elmore Leonard's professional hoods to Carl Hiaasen's amateur grotesques, Florida's mystery writers have created a criminal universe that centers on Miami. For the first time, a group of literary critics examines how the center of crime shifted from the City of Angels to the home of Miami Vice and the Magic Kingdom and why the country's southernmost state has developed such a concentration of talented mystery writers. In addition to essays on the origins of the detective novel in Florida and its contemporary masters, the book includes a chapter on Florida film noir from Key Largo to Body Heat and the first comprehensive bibliography of mysteries set in the state.

No Country for Old Men-Cormac McCarthy 2010-12-03 Adapted by the Coen Brothers into an Academy Award winning film, No Country For Old Men is a dark and suspenseful novel from Cormac McCarthy, author of The Road. Llewelyn Moss, hunting antelope near the Rio Grande, stumbles upon a transaction gone horribly wrong. Finding bullet-ridden bodies, several kilos of heroin, and a caseload of cash, he faces a choice - leave the scene as he found it, or cut the money and run. Choosing the latter, he knows, will change everything. And so begins a terrifying chain of events, in which each participant seems determined to answer the question that one asks another: how does a man decide in what order to abandon his life?

Wild Wives-Charles Willeford 2014-08-14 'No one writes a better crime novel than Charles Willeford' Elmore Leonard Amoral, sexy and brutal, Wild Wives was written in a sleazy San Francisco hotel in the early 1950s while Willeford was on leave from the army. This tale of deception features crooked detective Jacob C. Blake and his nemesis: a beautiful, insane young woman who is the wife of a socially prominent San Francisco architect. Blake becomes entangled in a web of deceit, intrigue and multiple murders in this exciting period tale. 'Mr Willeford never puts a foot wrong, and this is truly an entertainment to relish' New Yorker

The Psychosocial Implications of Disney Movies-Lauren Dundes 2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

These Dreams of You-Steve Erickson 2012-01-31 "Set against the backdrop of Obama's ascendancy to the presidency . . . A complex and imaginative literary tapestry about family and identity" (Kirkus Reviews, starred review). At once immediate and epic, funny and devastating, this new novel by the author of Shadowbahn is a transcendent dispatch from the intersection of art and politics, passion and memory. One November night in a canyon outside Los Angeles, Zan Nordhoc—a failed novelist turned pirate radio DJ—sits before the television with his small, adopted black daughter, watching the election of his country's first black president, Barack Obama. In the nova of this historic moment, with an economic recession threatening their home, Zan, his wife, and their son set out to solve the enigma of the little girl's life. When they find themselves scattered and strewn across two continents, a mysterious stranger with a secret appears, who sends the story spiraling forty years into the past. Sweeping from 1960s London and '70s Berlin to twenty-first-century California, and the beginning-of-civilization Ethiopia, These Dreams of You chronicles not only a family struggling to salvage its bonds but a twelve-year-old boy readying himself for what the years to come hold. "Truly electrifying. In its gorgeous, vivid prose and its acutely sensitive soul, These Dreams of You shows us just what a novel can still do in our own crazy times." —The Boston Globe "Drama filled with exuberance." —The Washington Post "The four Nordhocs who provide the messy, vibrant heart of These Dreams of You make up a representative tableau for the new millennium: the American family as mash-up." —The New York Times Book Review

Fun City Cinema-Jason Bailey 2021-10-26 A visual history of 100 years of filmmaking in New York City, featuring exclusive interviews with NYC filmmakers Fun City Cinema gives readers an in-depth look at how the rise, fall, and resurrection of New York City was captured and chronicled in ten iconic Gotham films across ten decades: The Jazz Singer (1927), King Kong (1933), The Naked City (1948), Sweet Smell of Success (1957), Midnight Cowboy (1969), Taxi Driver (1976), Wall Street (1987), Kids (1995), 25th Hour (2002), and Frances Ha (2012). A visual history of a great American city in flux, Fun City Cinema reveals how these classic films and legendary filmmakers took their inspiration from New York City's grittiness and splendor, creating what we can now view as "accidental documentaries" of the city's modes and moods. In addition to the extensively researched and reported text, the book includes both historical photographs and production materials, as well as still-frames, behind-the-scenes photos, posters, and original interviews with Noah Baumbach, Larry

Clark, Greta Gerwig, Walter Hill, Jerry Schatzberg, Martin Scorsese, Susan Seidelman, Oliver Stone, and Jennifer Westfeldt. Extensive "Now Playing" sidebars spotlight a handful of each decade's additional films of note.

The Way We Die Now-Charles Willeford 2014-08-14 'No one writes a better crime novel than Charles Willeford' Elmore Leonard Sergeant Hoke Moseley is struggling: his division chief is making ominous plans for him, a man he sent to jail for murder has moved in across the street, and he's stuck on one of his toughest cold cases yet. So the last thing he needs is to be sent undercover just as he's beginning to make some headway with his work. South of Miami he is taken as a migrant worker to a farm where rumours of murder and slavery are rife. With only a Filipino prostitute and his own wits to protect him, Hoke faces vicious rednecks and his own scheming boss in this funny, vibrant masterpiece of hard-boiled fiction, the final Hoke Moseley.

The Darkening Age-Catherine Nixey 2017-09-21 'A searingly passionate book' - Bettany Hughes In The Darkening Age, Catherine Nixey tells the little-known - and deeply shocking - story of how a militant religion deliberately tried to extinguish the teachings of the Classical world, ushering in unquestioning adherence to the 'one true faith'. The Roman Empire had been generous in embracing and absorbing new creeds. But with the coming of Christianity, everything changed. This new faith, despite preaching peace, was violent, ruthless and intolerant. And once it became the religion of empire, its zealous adherents set about the destruction of the old gods. Their altars were upturned, their temples demolished and their statues hacked to pieces. Books, including great works of philosophy and science, were consigned to the pyre. It was an annihilation. A Book of the Year in the Daily Telegraph, the Spectator, the Observer, and BBC History Magazine A New York Times Book Review Editors' Choice Winner of the Royal Society of Literature Jerwood Award for Nonfiction Catalina-W. Somerset Maugham 2021-01-29 When a sixteen-year-old Spanish girl sees a religious vision while praying in a convent, she becomes involved in a series of humorous adventures. Catalina is a crippled girl, supposedly cured by divine intervention after witnessing a vision of the Virgin Mary. As a result of this, she is pressured into becoming a nun in a Carmelite convent. The Bishop of Segovia, himself undergoing a crisis of faith, becomes involved in the debate about the debt owed to god by Catalina for her cure, but the girl resists all attempts to control her life, determined to marry the man she loves. She joins a troupe of strolling players and becomes the most famous actress in all of Spain.

Politics after Christendom-David VanDrunen 2020-04-21 For more than a millennium, beginning in the early Middle Ages, most Western Christians lived in societies that sought to be comprehensively Christian--ecclesiastically, economically, legally, and politically. That is to say, most Western Christians lived in Christendom. But in a gradual process beginning a few hundred years ago, Christendom weakened and finally crumbled. Today, most Christians in the world live in pluralistic political communities. And Christians themselves have very different opinions about what to make of the demise of Christendom and how to understand their status and responsibilities in a post-Christendom world. Politics After Christendom argues that Scripture leaves Christians well-equipped for living in a world such as this. Scripture gives no indication that Christians should strive to establish some version of Christendom. Instead, it prepares them to live in societies that are indifferent or hostile to Christianity, societies in which believers must live faithful lives as sojourners and exiles. Politics After Christendom explains what Scripture teaches about political community and about Christians' responsibilities within their own communities. As it pursues this task, Politics After Christendom makes use of several important theological ideas that Christian thinkers have developed over the centuries. These ideas include Augustine's Two-Cities concept, the Reformation Two-Kingdoms category, natural law, and a theology of the biblical covenants. Politics After Christendom brings these ideas together in a distinctive way to present a model for Christian political engagement. In doing so, it interacts with many important thinkers, including older theologians (e.g., Augustine, Aquinas, and Calvin), recent secular political theorists (e.g., Rawls, Hayek, and Dworkin), contemporary political-theologians (e.g., Hauerwas, O'Donovan, and Wolterstorff), and contemporary Christian cultural commentators (e.g., MacIntyre, Hunter, and Dreher). Part 1 presents a political theology through a careful study of the biblical story, giving special attention to the covenants God has established with his creation and how these covenants inform a proper view of political community. Part 1 argues that civil governments are legitimate but penultimate, and common but not neutral. It concludes that Christians should understand themselves as sojourners and exiles in their political communities. They ought to pursue justice, peace, and excellence in these communities, but remember that these communities are temporary and thus not confuse them with the everlasting kingdom of the Lord Jesus Christ. Christians' ultimate citizenship is in this new-creation kingdom. Part 2 reflects on how the political theology developed in Part 1 provides Christians with a framework for thinking about perennial issues of political and legal theory. Part 2 does not set out a detailed public policy or promote a particular political ideology. Rather, it suggests how Christians might think about important social issues in a wise and theologically sound way, so that they might be better equipped to respond well to the specific controversies they face today. These issues include race, religious liberty, family, economics, justice, rights, authority, and civil resistance. After considering these matters, Part 2 concludes by reflecting on the classical liberal and conservative traditions, as well as recent challenges to them by nationalist and progressivist movements.

As a result, enraged and humiliated, he goes on a bender of epic proportions, drinking his way through the underbelly of Los Angeles and exacting a monstrous revenge on all who have crossed him.

Argall-William T. Vollmann 2002-11-26 From the National Book Award-winning author of *Europe Central* - a hugely original fictional history of Pocahontas, John Smith, and the Jamestown colony in Virginia In *Argall*, the third novel in his *Seven Dreams* series, William T. Vollmann alternates between extravagant Elizabethan language and gritty realism in an attempt to dig beneath the legend surrounding Pocahontas, John Smith, and the founding of the Jamestown colony in Virginia-as well as the betrayals, disappointments, and atrocities behind it. With the same panoramic vision, mythic sensibility, and stylistic daring that he brought to the previous novels in the *Seven Dreams* series--hailed upon its inception as "the most important literary project of the '90s" (*The Washington Post*)--Vollmann continues his hugely original fictional history of the clash of Native Americans and Europeans in the New World. In reconstructing America's past as tragedy, nightmare, and bloody spectacle, Vollmann does nothing less than reinvent the American novel.

Prime Evil-Douglas E. Winter 1989 This collection of twelve original horror tales includes contributions by such noted writers of the genre as Stephen King, Dennis Etchison, Clive Barker, Ramsey Campbell, and Peter Straub
