1996-12-03 Mary R. Shefferman This lovable creature is on its way to being the third most popular companion animal after dogs and cats.

2020-06-24 Herman Joe If you are thinking about keeping a canary as a pet, you would be wise to learn as much about the species as you can - that is where this book comes into play. Within the pages of this book you will find a wealth of knowledge about the canary as a species as well as important information about keeping canaries as pets. Here you will find information about mould of canaries, how to take proper care of them, crafting a healthy diet, preventing canary disease, reasons why they make good pet and other this to consider why buying a canary. Simply put, this book contains all of the information you need in order to determine whether the canary is the right pet for you and, if it is, it will help you get started in becoming the best canary owner you can possibly be.

1997-07-28 Julie Rach Mancini This is our sixth set of Happy, Healthy Pet titles. These are books pet owners can turn to for the essential information they need to raise a healthy pet. All books contain information on feeding housing grooming health care what to expect from the pet basic training As our series expands and focuses on different kinds of pets, the emphasis remains on making the pet a companion. In addition, owners of more unusual pets will

particularly appreciate the expert advice in these books because professional care for their animals may be difficult to come by. As always, the instruction is from experts—people who know their pet intimately, but also remember what it was like to have one for the first time. Happy, Healthy Pet guides are rich with professional quality color photos and are designed to be enjoyable and easy to learn from.

2001 Pam Higdon

2000-12 Sandee Molenda With more than 100 titles and nearly 2 million copies sold, An Owner's Guide to a Happy Healthy Pet is the series people turn to when they want a basic reference that's reliable, up-to-date, and complete. From Pugs to parrots, gerbils to geckos, these guides feature: -- Expert authors, plus renowned guest contributors on specialized topics-- Titles on unusual pets -- animals less commonly covered in pet book series-- Full-color photos throughout-- Basic information on the breed, species, or topic-- Complete coverage of care, health, grooming, training, and more-- Tips and techniques to make life with a pet more rewarding Parrotlets are less than six inches long, but they're every bit as affectionate, energetic, and talkative as their larger cousins -- which makes them the perfect companion birds for people who don't have a lot of space. This book is a comprehensive guide to this diminutive

charmer, nicknamed "the potato chip bird" because it's hard to have just one.

2007-08-27 Diane Grindol The pet bird population continues to rise and bird fanciers love canaries. As clearly demonstrated by Tweetie, canaries are fun-but they're also beautiful birds that are available in a variety of stunning colors. This book will provide new canary owners with everything they need to know to properly house, feed and maintain the health of their bird.

2008-04-21 Diane Grindol From two noted experts-the first in-depth book on teaching your bird to talk Teaching a bird to talk isn't as difficult as it may seem. In this easy-to-follow guide, avian experts Diane Grindol and Tom Roudybush reveal how you can communicate with your parrot far beyond "hello" and, in turn, understand what your bird is trying to communicate to you. Teaching Your Bird to Talk compiles an impressive amount of background, training, and research regarding bird vocalizations, walking you step by step through the behavioral mechanics of training parrots to talk (as well as starlings, mynahs, and other birds). Whether you want your bird to mimic words, talk on cue, or have some understanding of what you are saying, this guide shows you the type of training you need to do with your bird. The book also takes a close look at the work of Dr. Irene Pepperberg-the world's foremost authority in the field of

parrot intelligence and trainer of Alex the African Grey Parrot. \* Identifies which species of bird are likely to talk and which aren't \* Explores field research on regional languages and dialects of parrots in the wild \* Features true stories from owners of talking birds \* Explains how to handle problems with vocal parrots, such as screaming and using inappropriate language \* Offers tips on feeding and housing birds, and finding an avian veterinarian

2023-01-31 William Greg A canary is a low-maintenance little charmer that is commonly used as a starter bird for beginners. This tiny finch has the ability to convert the majority of people into lifelong canary fanatics. Generally speaking, it is a lovely companion bird with a happy demeanor. It transmits its message with a smooth and pleasant melody that is soft and pleasant in tone. Several different colors, sizes, and singing variants of the canary have been deliberately cultivated to meet the needs of different people. It is possible to get canaries at almost any pet store for a reasonable price. This book will teach you all you need to know about caring, feeding, housing, grooming training and helpful tips on how to raise canary as a lovely and happy pet. ORDER YOUR COPY NOW

2008-05-05 Julie Rach At last, a book for pet owners that focuses on administering first aid to birds. You'll not only learn step-by-step

information on emergency situations bird owners might encounter, you'll also learn how to quickly save your bird's life by taking action, and how to prevent emergencies by feeding your bird a balanced diet, regularly trimming his wings and nails and bird-proofing your home. First Aid for Birds is written by an expert and includes instructions on monitoring your bird's health by regular veterinary visits and observing your bird daily for signs of illness. Best of all, the book is filled with color photos, info-packed sidebars and fun facts to make caring for your pet bird easy and enjoyable.

2007-08-27 Pamela Leis Higdon This is our seventh set of Happy, Healthy Pet titles. Like the others, they are books pet owners can turn to for the essential information they need to raise a healthy, happy pet. All books contain information on: feeding grooming housing health care what to expect from the pet basic training As our series expands and focuses on different kinds of pets, the emphasis remains on making the pet a companion. Owners of more unusual pets will particularly appreciate the expert advice in these books because professional care for exotic animals can be hard to come by. As always, the instruction on the books is from experts—people who know their pets intimately but always remember what it was like to have one the first time. Happy, Healthy Pet guides are rich with professional quality color photos and are designed to be enjoyable and easy to learn from.

2003 Roundhouse

1998 Julie Rach Mancini

1998-08-10 Julie Rach Mancini New pet owner's need reliable information, and An Owner's Guide to a Happy, Healthy Pet, provides it like no other series. These hardcover books are all written by authors who know every facet of the featured pet based on years of first-hand experience. With information on feeding, grooming, housing and health, pet owners have a total care plan to ensure a happy, healthy pet. All information is presented with clarity and attractiveness. These are the only books for pet owners that include notes on everything from 'Fighting Fleas' to 'Famous Owners of the Breed'. Boasting the most contemporary layout of any pet series on the market, readers can locate information quickly and easily. The Happy, Healthy Pet Guides cover more than just dog breeds and amongst others now include: Kitten Care and Training, The Goldfish and The Rabbit. The Happy, Healthy Pet Guides are rich with professional colour photographs and are designed to be enjoyable and easy to learn from.

1998-07-31 Pamela Leis Higdon Covering both how to care for a pet bird and how to train it properly, this guide offers a wonderful resource for novice pet owners who need to know how to create a great relationship with their birds. Photos are included.

2006-02-10 Julie Rach Mancini Your Happy Healthy Pet The authoritative information and advice you need, illustrated throughout with full-color photographs--now revised and redesigned to be even more reader-friendly! Outgoing, cheerful, inquisitive little acrobats, conures are entertaining companion birds. They're small in size, but big in personality. This guide helps you make your conure a part of your family, with information on: \* Choosing your conure \* Creating a safe, stimulating home for your bird \* Everyday care, including feeding and bathing \* Clipping your conure's wings--why, when, and how \* Training tips, from getting your conure comfortable with you to potty training to teaching tricks such as Ride in the Wagon, Nod Your Head, and Play Dead \* Teaching your conure to talk Conures are often cuddly and almost always wonderfully affectionate, so you'll get a lot of love from your little feathered friend!

2019-12-04 Alesandro Nelson this book contains all of the information you need in order to determine whether the canary is the right pet for you and, if it is, it will help you get started in becoming the best canary owner you can possibly be. Canary breeding, diet, cages, singing, where to buy, cost, health, lifespan, types, and more covered!

2003-03-18 Larry Lachman You love your pet bird, even when he misbehaves, but how can you train him with compassion? Birds off the

Perch proves that rewarding good behavior is kinder and more effective than traditional discipline through punishment. This revolutionary approach combines the expertise of an animal behaviorist, a companion parrot consultant and a veterinarian who use "family therapy techniques" -- such as learning to respect the bird's boundaries and viewing sibling rivalry in a broad, environmental context -- to help you change the mischievous behavior of domesticated birds, including: • Biting or aggression • Screaming • Sibling/bird rivalry • Jealousy toward its human flock members, and • Feather plucking With additional chapters on choosing the right species for your family, breeding behavior and the appropriate medical care for your bird, Birds off the Perch is the only guide you'll need to keep your pet birds healthy and happy.

1998-03 Julie Ann Rach The mischievous African Grey has been noted in history as far back as biblical times. In this book, Julie Rach, a former editor of "Bird Talk" magazine, brings to light all the latest health, care, and training information on this interesting bird. Photos.

1997 Julie Rach Mancini

1998-03-23 Pamela Leis Higdon This is our seventh set of Happy, Healthy Pet titles. Like the others, they are books pet owners can turn to for the essential information they need to raise a healthy pet. All books contain

information on feeding housing grooming health care what to expect from the pet basic training As our series expands and focuses on different kinds of pets, the emphasis remains on making the pet a companion. In addition, owners of more unusual pets will particularly appreciate the expert advice in these books because professional care for their animals may be difficult to come by.
