The Case for Christ / The Case for Faith-Jane Vogel 2013-12-23 This leader's guide for both The Case for Christ: Student Edition and The Case for Faith: Student Edition in one book walks you through teaching middle and high school students each of the 10 sessions (five each for The Case for Christ and The Case for Faith).

The Case for Christ-Lee Strobel 2002-02-01 Who Was Jesus? A good man? A lunatic? God? There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that--stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel--an award-winning legal journalist with a knack for asking tough questions--decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence--how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in The Case for Christ?

The Case for Miracles Student Edition-Lee Strobel 2018-03-27 Do miracles really exist? Bestselling and award-winning author Lee Strobel decided to find out. In The Case for Miracles Student Edition, he presents the interviews, real-life stories, and provable facts behind historical and modern-day incidents many people claim are "miraculous" and others see as false, then lays out the solid truth, giving young adults like you the evidence you need to make your own decision on whether miracles and other supernatural events ever happened, and if they still happen today. A woman on the news says she saved a boy from drowning after a glowing man told her where to go. A man says his cancer miraculously disappeared, and doctors agree they can't find any trace of the disease. A classmate says the answers to his final exam came to him in a dream and claims it must have been a miracle. None of these things are normal events--but are they really miracles, or just strange coincidences? And what about all the miracles in the Bible? Can modern science explain them away? In The Case for Miracles Student Edition, Lee Strobel asks the hard questions as he interviews scientists, skeptics, and first-hand witnesses, and also uses his award-winning journalist background to examine the evidence behind modern-day and historical miracles and "supernatural" claims to see if they are really from God or just wishful thinking. As he presents the evidence, you can decide: Does God really perform miracles in our world? And if he does, what does that mean for us? The Case for Miracles Student Edition: Answers the questions teens and young adults thirteen and up ask about miracles and otherworldly events, looking at all the possible angles and presenting proof of God's presence Explores all types of miracles—and why they sometimes don't happen when we think they should Can also be used in the classroom, in group studies, or as part of a religious studies class Pairs well with The Case for Christ Student Edition, The Case for a Creator Student Edition, and The Case for Faith Student Edition

The Case for Faith Study Guide Revised Edition-Lee Strobel 2013-12-23 Does believing in Christ mean refusing to ask hard questions in the midst of doubt? Doubt is familiar territory for Lee Strobel, the former atheist and award-winning author of books for skeptics and Christians. But he believes that faith and reason go hand in hand, and that Christianity is a defensible religion. In this six-session revised small group Bible study (DVD/digital video sold separately), Strobel explores the most common emotional obstacles to faith in Christ. These include the natural inclination to wrestle with faith and doubt, the troubling presence of evil and suffering in the world, and the exclusivity of the Christian gospel. They also include this compelling question: Can I doubt and be a Christian? Through compelling personal stories and experts testimony combined with reflection and interaction, Christians and spiritual seekers will learn how to overcome these obstacles, deepen their spiritual convictions, and find new confidence that Christianity is a reasonable faith. Sessions include: The Challenge of Faith Dealing with Doubt Evil and Suffering, Part 1 Evil and Suffering, Part 2 Why Is Jesus the Only Way to God? The Power of Faith Designed for use with The Case for Faith Revised Video Study 9780310698814 (sold separately).

The Case for the Real Jesus-Lee Strobel 2008 Students today are bombarded with opinions and research about Jesus that goes against everything you've been trying to teach them. They don't know if they can trust what the Bible says about Jesus because they don't know they can trust the Bible. They wonder if he really rose from the dead, or if he was even God. Let Lee Strobel's investigations into the real Jesus help your students see the truth about the Son of God."

The Case for Grace Student Edition-Lee Strobel 2015 "Lee draws upon his own journey from atheism to Christianity to explore the depth and breadth of God's redeeming love, including stories from those whose lives have been radically changed after discovering the 'how' and 'why' behind God's amazing grace"--Page [4] of cover.

The Case for the Real Jesus Student Edition-Lee Strobel 2009-08-01 There's proof a man named Jesus of Nazareth once walked the earth, but opinions on exactly who he was can vary widely. Was he really the Son of God, or was he a nice guy who did some positive things on earth, or was he possibly an unstable man? And how can you know for sure what is true and what is false when it comes to what you've read or been told? Lee Strobel decided to investigate the real, historical Jesus and gather irrefutable evidence on everything connected to him so you can discover the biblical truth for yourself. A great prophet. A rebel. The Messiah. A crazy lunatic. Someone who never existed at all. All of these phrases describe different people's views of Jesus, and various ancient documents have been discovered and various books have been written by scholars that seem to support each version. Not to mention all the arguments that say the Bible can't be trusted as a reliable source of information on Jesus. So what are you supposed to believe—and why? Lee Strobel wanted the provable, undeniable truth, so he decided to return to the investigation he began in The Case for Christ and explore a variety of new angles to find out once and for all who the real Jesus was. Inside are interviews with numerous biblical scholars and once-zealous doubters about the most common arguments against Jesus, discussions of how reliable Scripture really is, examinations of unearthed ancient texts that appear to counter the gospels, and the evidence that shows who Jesus really was and continues to be in our world. Explore the case for yourself and decide: Is the real Jesus the one the Bible has proclaimed all along? The Case for the Real Jesus Student Edition: Presents the arguments for and against who Jesus is that teens and young adults thirteen and up often ask and encounter so they can see the real facts Uses logic and solid information to examine why Christians believe what they do Can be used in the classroom, in group studies, or as part of a religious studies or comparison class Contains infographics and charts to make the concepts clear Pairs well with The Case for Christ Student Edition, The Case for a Creator Student Edition, The Case for Faith Student Edition, and The Case for Miracles Student Edition

The Case for Christ-Lee Strobel 1998 A student edition of Lee Strobel's prize-winning The Case for Christ, created by the same writers, Strobel and Jane Vogel, who produced the popular The Case for Faith--Student Edition.

The Case for Grace-Lee Strobel 2015-02-24 In The Case for Grace, bestselling author Lee Strobel crafts a compelling and highly personal case for God, focusing on God's transforming work in the lives of men and women today. In this book, you'll encounter racists, addicts, and even murderers who have found new hope and purpose. You'll meet once-bitter people who have received God's power to forgive those who have harmed them - and, equally amazing, people mired in guilt who have discovered that they can even forgive themselves. Writing with unusual candor, Lee draws upon his own journey from atheism to Christianity to explore the depth and breadth of God's redeeming love for spiritually wayward people. He travels thousands of miles to capture the inspiring stories of everyday people whose values have been radically changed and who have discovered the "how" and "why" behind God's amazing grace. Through it all, you will be encouraged as you see how God's grace can revolutionize your eternity and relationships . . . starting today. Also available: The Case for Grace Spanish edition, kids' edition, and student edition. In Defense of Jesus-Lee Strobel 2016-09-06 An enlightening follow-up to the bestselling book The Case for Christ, In Defense of Jesus follows award-winning journalist Lee Strobel as he explores the most explosive arguments against the identity of Christ as the Messiah. Has modern scholarship debunked the traditional Christ? Has the church suppressed the truth about Jesus to advance its own agenda? What if the real Jesus is far different from the atoning Savior worshiped through the centuries? In Defense of Jesus explores such hot-button questions as: Did the church suppress ancient non-biblical documents that paint a more accurate picture of Jesus than the four Gospels? Did the church distort the truth about Jesus by tampering with early New Testament texts? Do new insights and explanations disprove the resurrection? Have fresh arguments disqualified Jesus from being the Messiah? Did Christianity steal its core ideas from earlier mythology? Evaluate the arguments and evidence being advanced by prominent atheists, liberal theologians, Muslim scholars, and others. Sift through expert testimony. Then reach your own verdict with In Defense of Jesus. This

Session 5 takes your group from learning to application as they draw on what they've learned in an actual evangelistic scenario. You'll also find a skit suitable for publicizing *The Case for Christ* sessions in church to both kids and parents. Get excited! These powerful studies will boost the faith of your kids, and their confidence to share it, to a whole new level.

*The Case for Faith Participant's Guide*-Lee Strobel 2009-01-01 Doubt is familiar territory for Lee Strobel, the former atheist and award-winning author of books for skeptics and Christians. But he believes that faith and reason go hand in hand, and that Christianity is a defensible religion. In this six-session video curriculum, Strobel uses his journalistic approach to explore the most common emotional obstacles to faith in Christ. These include the natural inclination to wrestle with faith and doubt, the troubling presence of evil and suffering in the world, and the exclusivity of the Christian gospel. They also include this compelling question: Can I doubt and be a Christian? Through compelling video of personal stories and experts addressing these topics, combined with reflection and interaction, Christians and spiritual seekers will learn how to overcome these obstacles, deepen their spiritual convictions, and find new confidence that Christianity is a reasonable faith.

*The Case for Christ Answer Booklet*-Lee Strobel 2017-04-04 Lee Strobel is best known for his bestselling books and lectures on the topic of apologetics. After being featured in *God's Not Dead 2*, his own life is now the subject for a full-length feature film from Pure Flix Entertainment. He is excited about the possibility of trimming the existing *Case for Christianity Answer Book* into a booklet-sized product that will help lift the visibility of several projects: the parent book (the *Answer Book*), the newly recover *Case for Christ* that will release in tandem with the movie, as well as promoting the movie itself.

*The Case for Miracles*-Lee Strobel 2018-03-27 New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button question: is it really credible to believe God intervenes supernaturally in people's lives today? This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What's more, Strobel delves into the most controversial question of all: what about miracles that don't happen? If God can intervene in the world, why doesn't he do it more often to relieve suffering? Many American Christians are embarrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, *The Case for Miracles* shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action in lives today. Also available: *The Case for Miracles* Spanish edition, kids' edition, and student edition.

When Can I Stop Running?-John Podlaski 2016-06-20 John Podlaski's encore Vietnam War novel brings back John ('Polack') Kowalski, the central character in 'Cherries', and introduces us to Louis ('LG') Gladwell, his irrepressible black friend. Polack and LG are a 'Salt and Pepper' team, best buddies and brothers in a way that only those who have fought side-by-side in a war can ever truly understand. The year is 1970, and the story follows the two soldiers - impressionable Detroit teenagers - during their long night in a Listening Post ('LP'), some 500 meters beyond the bunker line of the new firebase. Their assignment as a "human early warning system", is to listen for enemy activity and forewarn the base of any potential dangers. As they were new to the "Iron Triangle" and its reputation, little did they know that units before them lost dozens of soldiers in this nightly high-risk task and referred to those assigned as "bait for the enemy" and "sacrificial lambs". Sitting in the pitch black tropical jungle - with visibility at less than two feet - John's imagination takes hold throughout the agonizing night, and at times, transports him back to some of his most vivid childhood memories - innocent, but equally terrifying at the time. As kids, we instinctively run as fast as we can to escape imaginary or perceived danger, but as soldiers, men are trained to conquer their fears and develop the confidence to stand their ground and fight. Running is not an option. In 'When Can I Stop Running?' the author juxtaposes his nightmarish hours in the bush with some of his most heart-pounding childhood escapades. Readers will relate to the humorous childish antics with amusement; military veterans will find themselves relating to both of the entertaining and compelling recollections.

Packed full of well-researched, reliable, and eye-opening investigations of some of the biggest questions, The Case for the Creator for Kids uses up-to-date scientific research to strengthen your faith in God's creation.

God's Feminist Movement-Amber Picota 2016-07-19 Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by God's design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picota's God's Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. It's not politically driven and it's not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichés that minimize a woman's true position in Christ!

The Case for Easter-Lee Strobel 2009-12-15 Did Jesus of Nazareth really rise from the dead? Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect. How credible is the evidence for--and against--the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. He examines: The Medical Evidence: Was Jesus' death a sham and his resurrection a hoax? The Evidence of the Missing Body: Was Jesus' body really absent from his tomb? The Evidence of Appearances: Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, The Case for Easter probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you.

The Case for Christ-Lee Strobel 2013-12-13 The Case for Christ Revised Study Guide is a six-session small group Bible study where you and your group investigate along with bestselling author Lee Strobel the evidence for Jesus from historical evidence and expert testimony.
