Emily Dickinson in Context-Eliza Richards 2013-09-16 Long untouched by contemporary events, ideas and environments, Emily Dickinson's writings have been the subject of intense historical research in recent years. This volume of thirty-three essays by leading scholars offers a comprehensive introduction to the contexts most important for the study of Dickinson's writings. While providing an overview of their topic, the essays also present groundbreaking research and original arguments, treating the poet's local environments, literary influences, social, cultural, political and intellectual contexts, and reception. A resource for scholars and students of American literature and poetry in English, the collection is an indispensable contribution to the study not only of Dickinson's writings but also of the contexts for poetic production and circulation more generally in the nineteenth-century United States.

Understood Betsy-Dorothy Fisher 2013-04-16 Originally published in 1917, this early children’s novel is both expensive and hard to find in its first edition. It follows the adventure of Elizabeth Ann, an orphan who leaves a privileged urban lifestyle with her cousin to live with the Putney’s on a Vermont farm. It is a fascinating novel of the period and still an interesting read for adults and children today. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The Tell-Tale Heart-Edgar Allan Poe 2020-08-26 Poe’s preference for not naming his narrators is potent once again in "The Tell-Tale Heart", a story that is trying so hard to appear sane, but fails miserably in the end. With minute preparations, perfect calculations, and even more precise execution of the conceived gruesome act, the narrator successfully fulfils his purpose, only to be lost in a battle with his sanity and guilt afterwards. Backed by the numerous movie and theatrical adaptations, the story is considered one of Poe’s most popular and critically acclaimed. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

The Masque of the Red Death- Edgar Allan Poe 2019-12-10 "The Masque of the Red Death", originally published as "The Mask of the Red Death: A Fantasy", is an 1842 short story by American writer Edgar Allan Poe. The story follows Prince Prospero's attempts to avoid a dangerous plague, known as the Red Death, by hiding in his abbey. He, along with many other wealthy nobles, hosts a masquerade ballwithin seven rooms of the abbey, each decorated with a different color. In the midst of their revelry, a mysterious figure disguised as a Red Death victim enters and makes his way through each of the rooms. Prospero dies after confronting this stranger, whose "costume" proves to contain nothing tangible inside it; the guests also die in turn. Poe's story follows many traditions of Gothic fiction and is often analyzed as an allegory about the inevitability of death, though some critics advise against an allegorical reading. Many different interpretations have been presented, as well as attempts to identify the true nature of the titular disease. The story was first published in May 1842 in Graham's Magazineand has since been adapted in many different forms, including a 1964 film starring Vincent Price.

An Occurrence at Owl Creek Bridge-Ambrose Bierce 2019-12-11 "An Occurrence at Owl Creek Bridge" (1890) is a short story by the American writer and Civil War veteran Ambrose Bierce. Described as "one of the most famous and frequently anthologized stories in American literature", it was originally published by The San Francisco Examiner on July 13, 1890, and was first collected in Bierce's book Tales of Soldiers and Civilians (1891). The story, which is set during the American Civil War, is known for its irregular time sequence and twist ending. Bierce's abandonment of strict linear narration in favor of the internal mind of the protagonist is an early example of the stream of consciousness narrative mode. Peyton Farquhar, a civilian and plantation owner, is being prepared for execution by hanging from an Alabama railroad bridge during the American Civil War. Six military men and a company of infantrymen are present, guarding the bridge and carrying out the sentence. Farquhar thinks of his wife and children and is then distracted by a noise that, to him, sounds like an unbearably loud clanging; it is actually the ticking of his watch. He considers the possibility of jumping off the bridge and swimming to safety if he can free his tied hands, but the soldiers drop him from the bridge before he can act on the idea. Famous works of the author Ambrose Bierce: "A Psychological Shipwreck", "Killed at Resaca",, "An Inhabitant of Carcosa", "One of the Missing", "A Tough Tussle", "An Unfinished Race", "One of Twins", "A Horseman in the Sky", "The Spook House", "The Middle Toe of the Right Foot", "The Man and the Snake", "An Occurrence at Owl Creek Bridge", "The Realm of the Unreal", "The Boarded Window", "The Secret of Macarger’s Gulch", "The Death of Halpin Frayser", "The Damned Thing", "The Eyes of the Panther", "Moxon's Master", "The Moonlit Road", "Beyond the Wall".

The Most Dangerous Game-Richard Connell 2021-01-01 ♥♥ The Most Dangerous Game by Richard Connell ♥♥ The Most Dangerous Game, also published as The Hounds of Zaroff, is a short story by Richard Connell first published in Collier's magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ Big-game hunter Sanger Rainsford and his friend, Whitney, are traveling to the Amazon rainforest for a jaguar hunt. After a discussion about how they are "the hunters" instead of "the hunted," Whitney goes to bed and Rainsford hears gunshots. He climbs onto the yacht's rail and accidentally falls overboard, swimming to Ship-Trap Island, which is notorious for shipwrecks. On the island, he finds a palatial chateau inhabited by two Cossacks: the owner, General Zaroff, and his gigantic deaf-mute servant, Ivan. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ Zaroff, another big-game hunter, knows of Rainsford from his published account of hunting snow leopards in Tibet. Over dinner, the middle-aged Zaroff explains that although he has been hunting animals since he was a boy, he has decided that killing big-game has become boring for him, so after escaping the Russian Revolution he moved to Ship-Trap Island and set it up to trick ships into wrecking themselves on the jagged rocks that surround it. He takes the survivors captive and hunts them for sport, giving them food, clothing, a knife, and a three-hour head start, and using only a small-caliber pistol for himself. Any captives who can elude Zaroff, Ivan, and a pack of hunting dogs for three days are set free. He reveals that he has won every hunt to date. Captives are offered a choice between being hunted or turned over to Ivan, who once served as official knouter for The Great White Czar. Rainsford denounces the hunt as barbarism, but Zaroff replies by claiming that "life is for the strong." Realizing he has no way out, Rainsford reluctantly agrees to be hunted. During his head start, Rainsford lays an intricate trail in the forest and then climbs a tree. Zaroff finds him easily, but decides to play with him as a cat would with a mouse, standing underneath the tree Rainsford is hiding in, smoking a cigarette, and then abruptly departing. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ After the failed attempt at eluding Zaroff, Rainsford builds a Malay man-catcher, a weighted log attached to a trigger. This contraption injures Zaroff’s shoulder, causing him to return home for the night, but he shouts his respect for the trap before departing. The next day Rainsford creates a Burmese tiger pit, which kills one of Zaroff’s hounds. He sacrifices his knife and ties it to a sapling to make another trap, which kills Ivan when he stumbles into it. To escape Zaroff and his approaching hounds, Rainsford dives off a cliff into the sea; Zaroff, disappointed at Rainsford’s apparent suicide, returns home. Zaroff smokes a pipe by his fireplace, but two issues keep him from the peace of mind: the difficulty of replacing Ivan and the uncertainty of whether Rainsford perished in his dive.

By the Waters of Babylon-Stephen Vincent Benet 2015-08-24 The north and the west and the south are good hunting ground, but it is forbidden to go east. It is forbidden to go to any of the Dead Places except to search for metal and then he who touches the metal must be a priest or the son of a priest. Afterwards, both the man and the metal must be purified. These are the rules and the laws; they are well made. It is forbidden to cross the great river and look upon the place that was the Place of the Gods-this is most strictly forbidden. We do not even say its name though we know its name. It is there that spirits live, and demons-it is there that there are the ashes of the Great Burning. These things are forbidden- they have been forbidden since the beginning of time.

Hop - frog- Edgar Allan Poe 2019-12-10 "Hop-Frog" (originally "Hop-Frog; Or, the Eight Chained Ourang-Outangs") is a short story by American writer Edgar Allan Poe, first published in 1849. The title character, a person with dwarfism taken from his homeland, becomes the jester of a king particularly fond of practical jokes. Taking revenge on the king and his cabinet for the king’s striking of his friend and fellow dwarf Trippetta, he dresses the king and his cabinet as orangutans for a masquerade. In front of the king’s guests, Hop-Frog murders them all by setting their costumes on fire before escaping with Trippetta. Critical analysis has suggested that Poe wrote the story as a form of literary revenge against a woman named Elizabeth F. Ellet and her circle. Edgar Allan Poe is also famous for such works as "The Raven", "The Cask of Amontillado", "The Fall of the House of Usher", "The Masque of the Red Death", "The Pit and the Pendulum", "The Murders in the Rue Morgue", "The Tell-Tale Heart", "The Gold-Bug", "The Black Cat", "The Facts in the Case of M. Valdemar", "Hop-Frog" and many more.

Tamerlane and Other Poems-Edgar Allan Poe 2010-03-16 Tamerlane and Other Poems is the first published work by American writer Edgar Allan Poe. The short collection of poems was first published in 1827. Today, it is believed only 12 of approximately 50 copies of the collection still exist. The poems were largely inspired by Lord Byron, including the long title poem "Tamerlane", which depicts a historical conqueror who laments the loss of his first romance. Like much of Poe's future work, the poems in Tamerlane and Other Poems include themes of love, death, and pride.

Language Minority Students in American Schools-H. D. Adamson 2005-03-23 This book addresses questions of language education in the United States, focusing on how to teach the 3.5 million students in American public schools who do not speak English as a native language. These students are at the center of a national debate about the right relationship among ESL, bilingual, and mainstream classes. Bilingual education has been banned by constitutional amendment in California and Arizona, and similar amendments are being considered in other states. Language Minority Students in American Schools: An Education in English places this debate and related issues of teaching standard English to speakers of nonstandard dialects, such as black English, within the larger context of language acquisition theory and current methods of language teaching. Adamson draws from the large body of sociolinguistic, psycholinguistic, and educational research, and on his own experience as an English teacher in the U.S. and overseas, to shed light on some of these controversies and on the cognitive, cultural, public policy, and practical issues involved in educating English language learners. Presenting all sides of the issues fairly, he offers a strong endorsement for bilingual and bidialectical education based on programs designed and administered according to the principles discussed in the book and supported by language acquisition theory and classroom research. A strength of the book is the inclusion of original research conducted in a middle school enrolling a majority of Latino students. This research contributes to the field of language education by providing a detailed description of how English language learners study content subjects. Examples from the study are used to illustrate a discussion of Vygotskian learning principles and the relationship between the students' home and school cultures. Language Minority Students in American Schools: An Education in English is intended for students who are preparing to become teachers of English as a second language, and for teachers of other subjects who work with English language learners.

MS. Found in a Bottle-Edgar Allan Poe 2020-08-26 A representative of Poe’s tales of the sea, "Ms. Found in a Bottle" follows the writer’s infatuation with the horrific and unknown forces around us. An avid reader just like his creator, the narrator finds solace within books and ancient lore, thus testing the limits of one’s imagination, and at the same time paving the road for further exploration of the unknown. Poe’s otherworldly narrative could easily fall in the same category as the sea voyages and tribulations described by later authors such as Herman Melville and Joseph Conrad. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. A Dream Within a Dream-Edgar Allan Poe 2020-10-05 An example of Poe's melancholic and morbid poetic pieces, "A Dream Within a Dream" is a poem that pitifully mourns the passing of time. The poet's own life, teeming with depression, alcoholism, and misery, cannot but exemplify the subject matter and tone of the poem. The constant dilution of reality and fantasy is detrimental to the poetic speaker's ability to hold reality in his hands. The quiet contemplation of the speaker is contrasted with thunderous passing of time that waits for no man. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic.
