2006-12-21 Peter Thomson This updated Companion offers students crucial guidance on virtually every aspect of the work of this complex and controversial writer. It brings together the contrasting views of major critics and active practitioners, and this edition introduces more voices and themes. The opening essays place Brecht's creative work in its historical and biographical context and are followed by chapters on single texts, from *The Threepenny Opera* to *The Caucasian Chalk Circle*, on some early plays and on the *Lehrstücke*. Other essays analyse Brecht's directing, his poetry, his interest in music and his work with actors. This revised edition also contains additional essays on his early experience of cabaret, his significance in the development of film theory and his unique approach to dramaturgy. A detailed calendar of Brecht's life and work and a selective bibliography of English criticism complete this provocative overview of a writer who constantly aimed to provoke.

2015-03-16 Bertolt Brecht This Student Edition of Brecht's classic dramatisation of the conflict over possession of a child features an extensive introduction and commentary that includes a plot summary, discussion of the context,

themes, characters, style and language as well as questions for further study and notes on words and phrases in the text. It is the perfect edition for students of theatre and literature. Brecht projects an ancient Chinese story onto a realistic setting in Soviet Georgia. In a theme that echoes the Judgment of Solomon, two women argue over the possession of a child; thanks to the unruly judge, Azdak (one of Brecht's most vivid creations) natural justice is done and the peasant Grusha keeps the child she loves, even though she is not its mother. Written in exile in the United States during the Second World War, *The Caucasian Chalk Circle* is a politically-charged, much-revived and complex example of Brecht's epic theatre. This volume contains expert notes on the author's life and work, historical and political background to the play, photographs from stage productions and a glossary of difficult words and phrases. It features the acclaimed translation by James and Tania Stern with W. H. Auden.

2008-03-06 Eric Bentley Recipient of 2007 The Robert Chesley Foundation Lifetime Achievement Award in Playwriting Winner of 2006 International Association of Theatre Critics Thalia Prize Winner of 2006 Village Voice OBIE Awards Lifetime Achievement Award Since their first meeting in Santa Monica, California in 1942, Eric Bentley has been Bertolt Brecht's other, offstage voice. Just as Brecht reshaped modern theater, Bentley's

writings on Brecht helped shape his reputation in the United States and the rest of the world. Bentley on Brecht represents a lifetime of critical and personal thoughts on both Brecht as friend and Brecht as influential literary figure. Brought together in this volume are Brecht-Bentley correspondence, Bentley's personal recollections of his years with Brecht, including Charles Laughton's production of *Galileo*, Brecht's testimony before the House Un-American Activities Committee, and Bentley's analysis of Brecht's plays.

2009-01-19 Bertolt Brecht Written in exile during the Second World War, the story of Brecht's classic play subverts an ancient Chinese tale - echoed in the Judgement of Solomon - in which two women claim the same child. The message of Brecht's parable is that resources should go to those who will make best use of them. Thanks to the rascally judge, Azdak, one of Brecht's most vivid creations, this story has a happy outcome: the child is entrusted to the peasant Grusha, who has loved and nurtured it. Published in Methuen Drama's Modern Classics series, this edition features an extensive introduction, Brecht's own notes on the play and a full appendix of textual variants. It is the standard critical edition of the work in an acclaimed translation by James and Tania Stern with W. H. Auden.

2021-08-25 Heinz-Uwe Haus This book presents to the reader a selection of the considerable

amount of material written and published in relation to Heinz-Uwe Haus's productions of Brecht's plays and Brechtian productions by other dramatists, especially ancient Greek drama, in Cyprus and Greece since his production of *The Caucasian Chalk Circle* marked the launch of the Cyprus National Theatre in 1975 after the country's political turmoil that had culminated in the Turkish invasion. This includes material written by Haus at the time for his cast, announcements of the productions in the media, newspaper reviews and academic articles about the productions, conference contributions, and reflections by cast members (both professional actors and university faculty) and designers (set, costume, light, music). His work in Cyprus and Greece led to further collaborations on productions of ancient Greek plays across the world.

2010 Fred Vargas When strange blue chalk circles start appearing overnight on the pavements of Paris, Jean-Baptiste Adamsberg insists on being kept informed of new circles and the increasingly bizarre objects which they contain. Soon a circle with decidedly less banal contents is discovered: the body of a woman with her throat savagely cut. Adamsberg knows that other murders will follow.

2013 Richard Baines THE CAUCASIAN CHALK THING is by Richard Baines but freely adapted from the Eric Bentley translation of the play by

Bertolt Brecht. Why tinker with *The Caucasian Chalk Circle*? It's a long play. It's a complicated play. The propaganda can become a bit repetitive. Epic theatre, as Brecht's theatre is called, is like a row of boxcars, each scene standing on its own, and so the sets are constantly changing. Most school productions would take a knife to the original text. Our version simplifies and streamlines the production. Extra lines are added without taking away the spirit and mood of the original. There are parts here for twenty or more actors, half of them playing several characters. But this is Brecht. His poetry is here. His humour is here. His characters continue to be amusing because of their blatantly self-centred approach to life. Many of them are caricatures, but that is what makes them fun to play. This is not Stanislavski. Actors do not need to be talented thespians to take part in a Brecht play. So 'have fun with it' as Drama Directors are wont to say on opening nights.

1999-03-03 Denis M. Calandra CliffsNotes on Bertolt Brecht's plays *Mother Courage* and *The Caucasian Chalk Circle*.

2014-05-13 Alistair Beaton An outrageously funny satire on modern politics, *New Labour* and the fine art of spin Alistair Beaton's hilarious play, part farce, part biting satire, is set in the plush seaside hotel of a party conference. As anti-capitalist riots rage in the streets below, sinister and obsessive press

secretary Eddie and young speech-writing aide Paul are trying to finalise the PM's conference speech. But Eddie's manipulative skills are to be tested far more by the scandal that George, dim-witted lord and close friend of the PM, gradually reveals - not helped by the arrival of Eddie's ex-wife and investigative journalist, Liz. "Left me sobbing with laughter" (The Times) "Alistair Beaton rediscovers and restores the lost art of political satire in this hilariously timely portrait of new Labour fibbing and deceiving" (Benedict Nightingale, The Times) "Political satire was joyfully restored to the stage last night ... A satirical treat to savour" (Nicholas de Jongh, Evening Standard)

2014-11-10 Bertolt Brecht An historic publication in which the legendary German poet and dramatist emerges, quite like Goethe, as a poet driven by Eros. Bertolt Brecht is widely considered the greatest German playwright of the twentieth century, and to this day remains best known as a dramatist, the author of *Mother Courage*, *The Threepenny Opera*, and *The Caucasian Chalk Circle*, among so many other works. However, Brecht was also a hugely prolific and eclectic poet, producing more than 2,000 poems during his lifetime—indeed, so many that even his own wife, Helene Weigel, had no idea just how many he had written. "A thieving magpie of much of world literature," the full scope and variety of his poetic output did not become apparent until after his death. Now, the English-speaking

world can access part of his stunning body of work in Love Poems, the first volume in a monumental undertaking by award-winning translators David Constantine and Tom Kuhn to translate Brecht's poetic legacy into English. Love Poems collects his most intimate and romantic poems, many of which were banned in German in the 1950s for their explicit eroticism. Written between 1918 and 1955, these poems reflect an artist driven not only by the bitter and violent politics of his age but, like Goethe, by the untrammelled forces of love, romance, and erotic desire. In a 1966 New Yorker article, Hannah Arendt wrote of Brecht that he had "staked his life and his art as few poets have ever done." In these 78 poems, we see Brecht's astonishing and deeply personal love poems—including 22 never before published in English—many addressed to particular women, which show Brecht as lover and love poet, engaged in a bitter struggle to keep faith, hope, and love alive during desperate times. Featuring a personal foreword by Barbara Brecht-Schall, his last surviving child, Love Poems reveals Brecht as not merely one of the most famous playwrights of the twentieth century but also one of its most fiercely creative poets.

2017-05-02 Bertolt Brecht A terrifying series of

short poems by one of the world's leading playwrights, set to images of World War II In this singular book written during World War Two, Bertolt Brecht presents a devastating visual and lyrical attack on war under modern capitalism. He takes photographs from newspapers and popular magazines, and adds short lapidary verses to each in a unique attempt to understand the truth of war using mass media. Pictures of catastrophic bombings, propaganda portraits of leading Nazis, scenes of unbearable tragedy on the battlefield — all these images contribute to an anthology of horror, from which Brecht's perceptions are distilled in poems that are razor-sharp, angry and direct. The result is an outstanding literary memorial to World War Two and one of the most spontaneous, revealing and moving of Brecht's works.

1983-01-01 Anthony Tatlow This book contains unique information about Bertolt Brecht and East Asian theatre. It focuses in particular on China and offers first and detailed accounts of important Brecht productions from those directly involved. Hence it grants remarkable insight into the problems of modern Chinese theatre and its relationship to Western theatre and into possible future developments. The book also throws light on Brecht's work and suggests ways of 're-producing' Brecht in the West. It consists of papers presented at a Hong Kong conference by distinguished Western critics (John Willett, Klaus Volker) and

prominent practitioners of the theatre in China - directors (Huang Zuolin, Chen Yong), stage designers, translators and scholars. There are also accounts of Brecht productions in Japan

and India, which form a stimulating contrast with the Chinese experience. With a wealth of practical examples, the book enables us to appreciate how theatre develops within

different social structures. Presenting examples of cultural affinity and cultural disjunction, it also makes a useful contribution to intercultural study.
