The Caxtons, a Family Picture-Edward Bulwer Lytton Baron Lytton 1971 In this work, a greater part of the canvas has been devoted to the completion of a simple family picture. It has been my intention to imply the influences of home upon the conduct and career of youth. Whatever our wanderings, our happiness will always be found within a narrow compass, and amidst the objects more immediately within our reach. Copyright © Libri GmbH. All rights reserved.

The Caxtons-Edward Bulwer Lytton 2020-04-02 The Caxtons are Austin Caxton, a scholar engaged on a great work, "The History of Human Error;" his wife Kitty, much his junior; his brother Roland, the Captain, who has served in the Napoleonic campaigns; the two children of the latter, Herbert and Blanche; and Austin's son, Pisistratus, who tells the story. The quiet country life of the family of Austin Caxton is interrupted by a visit to London. There Pisistratus, who has had a good school education, though he has not yet entered the university, is offered the position of secretary to Mr. Trevanion, a leader in Parliament. Lady Ellinor, Mr. Trevanion's wife, was loved as a girl by Roland and Austin Caxton; but she had passed them both by to make a marriage better suited to an ambitious woman. By a freak of fate Pisistratus now falls in love with her daughter Fannie; and when he finds that his suit is hopeless, he gives up his position under Mr. Trevanion, and enters Cambridge University, where his college course is soon closed by the financial troubles of his father. A further outline of this story would give no idea of its charm. The mutual affection of the Caxtons is finely indicated, and the gradations of light and shade make a beautiful picture. Never before had Bulwer written with so light a touch and so gentle a humor, and this novel has been called the most brilliant and attractive of productions. His gentle satire of certain phrases of political life was founded, doubtless, on actual experience.

The Caxtons-Edward Bulwer Lytton Baron Lytton 2005

The Caxtons-Edward Bulwer Lytton 2017-10-20 Excerpt from The Caxtons: A Family Picture In it be the good fortune of this work to possess any interest for the Novel reader, that interest, perhaps, will be but little derived from the customary elements of fiction. The plot is extremely slight; the

incidents are few, and with the exception of those which involve the fate of Vivian, such as may be found in the records of ordinary life. Regarded as a Novel, this attempt is an experiment somewhat apart from the previous works of the author; it is the first of his writings in which Humour has been employed less for the purpose of satire than in illustration of amiable characters - it is the first, too, in which man has been viewed less in his active relations with the world, than in his repose at his own hearth - in a word, the greater part of the canvass has been devoted to the completion of a simple family picture. And thus, in any appeal to the sympathies of the human heart, the common household affections occupy the place of those livelier or larger passions which usually (and not unjustly) arrogate the foreground in Romantic composition. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
