2015-05-20 Jackie Hernandez How to Decorate For Less and Eventually For Free You think, "I don't have enough money" or "I can't afford a room like that." You want to create a comfortable, beautiful home, but you don't believe it's within your reach. The truth is decorating is expensive and frustrating when you: Try to keep up with the latest trends. Buy home decor you don't love (even if you get amazing deals). Feel the need to replace your

decor every season or even every few years. Imagine not feeling rushed to finish your home. Imagine enjoying your home in progress. With a different approach to decorating you can: Surround yourself with decor you love (no matter your budget). Find things you want to keep and never want to replace. Save money by passing on "disposable decor" and confidently buy decor you'll enjoy for years to come. This approach isn't about penny-pinching, finding cheap deals, or dumpster diving (unless that's what you're into). Free Decorating is a strategy to 1) Free yourself from the tug to constantly replace and redo your spaces, and 2) Build a decor collection that allows you to reuse and re-decorate without spending money. It's time to shop smarter, save your money, and most importantly, love your home decor (well past the return date on the receipt). Discover How to Find Home Decor with Staying Power Picture this: A piece you love so much that your toughest decision is where to display it in your home because it would look great in any room. Now imagine if all your decor was like that. This book will show you how to get there. You'll learn how to: Stop over-spending on the wrong things you inevitably regret later. Declutter your decor to showcase the pieces you love and replace the ones you don't. Shop strategically for home decor that will stand the test of time. Strengthen your collection with decor that can be mixed and matched all over your home. Renew any room without an expensive shopping trip. Free Decorating is a strategy

that could save you tens of thousands of dollars over the life of your home. It's based on the principle that if you bring the right things into your home to begin with, you'll love your decor for years to come and won't have to spend time and money to replace it later. Free Decorating will: Boost your buying confidence by showing you how to identify home decor you love. Triple the life of your home decor with the collection building guidelines, pre-purchase test, and restyling plan. Increase the time you spend enjoying your home rather than shopping for it. Can you afford to keep buying (and replacing) the wrong things for your home? Or are you ready to find the decor with staying power? Start Free Decorating now.
