

The Church Universal And Triumphant

The Church Universal and Triumphant-Bradley C. Whitsel 2003-03-01 Bradley Whitsel's vivid account of the Church Universal Triumphant (CUT), from its modest origin as a tiny fragment of the esoteric community to its growth into a wealthy and formidable organization in the 1960s and early 1970s, constitutes one of the most compelling stories to emerge from the larger movement of American religion. Founded in 1958 by the charismatic Mark Prophet and subsequently headed by his wife, Elizabeth Clare Prophet-the Church combines New Age beliefs with an anti-Communist mindset based on the conviction that America was imperiled by left-wing enemies. In his deft examination of the group's evolution, Whitsel uses internal church documents as well as other resources to trace CUT's development of a dark apocalyptic vision. He places the Church Universal and Triumphant within the context of other millennial groups sharing a similar psychology of crisis and disaster, and analyze the church's interactions with its political environment. This book will appeal to general readers as well as political scientists and sociologists specializing in the fields of political sociology, millennialism, and radical religio-political movements.

Prophet's Daughter-Erin Prophet 2008-09-24 In early 1990, in response to apocalyptic prophecies given by her mother, Elizabeth Clare Prophet, Erin Prophet entered a network of underground bunkers in Montana along with members of her mother's Church Universal and Triumphant, a controversial New Age sect. Emerging to find the world still intact, Erin was forced into a radical reassessment of her life and her beliefs. She had spent her adolescence watching her mother vilified as a dangerous cult leader even while attempting to meet her expectations by becoming a "prophet" herself. Prophet's Daughter describes Erin's search for her mother's origins and motivations. With the craft of a storyteller, she describes the combination of health crises and external pressure that drove her mother's ever-more dire prophecies. She reveals how the allure of infallibility led her mother to a conspicuous downfall, and how her mother's rapidly progressing Alzheimer's disease truncated any hope of resolution. A remarkable memoir with implications for the dialog about power, group behavior and the future of religion.

The Shelter Cycle-Peter Rock 2013 Two friends who grew up together as part of an extreme doomsday-prepping religion are reunited 20 years later in search for an abducted child in this new novel from the author of My Abandonment. 25,000 first printing.

Church Universal and Triumphant-James R. Lewis 1994 Church Universal and Triumphant is a new religious movement in the Theosophical tradition. Since moving its headquarters to Montana in the early 1980s, the Church has frequently been in the news, for everything from illegal weapons purchases to the construction of controversial fallout shelters. Most recently it has been sensationalized in the media as the "next Waco." During the summer of 1993, a team of academic specialists conducted a unique, interdisciplinary study of this movement to, in part, determine whether the general public perception of this fascinating new religion was accurate. This volume reports the results of that study.

Church Universal and Triumphant's Elizabeth Clare Prophet, Vicar of Christ--the Pope-D. Bradley Grey 1981

Articles about the Church Universal and Triumphant, 1981- 1981

The Church Universal and Triumphant-Bradley C. Whitsel 2003-03-01 Bradley Whitsel's vivid account of the Church Universal Triumphant (CUT), from its modest origin as a tiny fragment of the esoteric community to its growth into a wealthy and formidable organization in the 1960s and early 1970s, constitutes one of the most compelling stories to emerge from the larger movement of American religion. Founded in 1958 by the charismatic Mark Prophet - and subsequently headed by his wife, Elizabeth Clare Prophet - the Church combines New Age beliefs with an anti-Communist mindset based on the conviction that America was imperiled by left-wing enemies. In his deft examination of the group's evolution, Whitsel uses internal church documents as well as other resources to trace CUT's development of a dark apocalyptic vision. He places the Church Universal and Triumphant within the context of other millennial groups sharing a similar psychology of crisis and disaster, and analyze the church's interactions with its political environment. This book will appeal to general readers as well as political scientists and sociologists specializing in the fields of political sociology, millennialism, and radical religio-political movements.

Controversial New Religions-James R. Lewis 2014 In terms of public opinion, new religious movements are considered controversial for a variety of reasons ranging from how they speak, dress, and eat, to the way they think and their sense of community. Their social organization often runs counter to popular expectations by experimenting with communal living (or strict individualism), alternative leadership roles (or flat network structures), unusual economic dispositions, and new political and ethical values. As a result the general public views new religions with a mixture of curiosity, amusement, and anxiety, sustained by lavish media emphasis on oddness and tragedy rather than familiarity and lived experience. This updated and revised second edition of Controversial New Religions offers a scholarly, dispassionate look at those groups that have generated the most attention, including some very well-known classical groups like The Family, Unification Church, Scientology, and Jim Jones' People's Temple; some relative newcomers such as the Kabbalah Centre, the Order of the Solar Temple, Branch Davidians, Heaven's Gate, and the Falun Gong; and some interesting cases like contemporary Satanism, the Raelians, Black nationalism, and various Pagan groups. Written by established scholars as well as younger experts in the field, each essay combines an overview of the history and beliefs of each organization or movement with original and insightful analysis. By presenting decades of scholarly work on new religious movements in an accessible form, this book will be an invaluable resource for all those who seek a view of new religions that is deeper than what can be found in sensationalistic media stories.

The Universal Church of the Kingdom of God in South Africa-Ilana van Wyk 2014-05-12 This book shows how the UCKG utilizes rituals that are locally meaningful and are informed by local ideas about human bodies, agency and ontological balance.

Church Universal and Triumphant-Robert Burrows 1984

Mary Baker Eddy's Church Manual and "Church Universal and Triumphant"-Helen Marie Wright 1981-01-01 This book shows how Mary Baker Eddy's Church Manual was carefully designed to bring to view the Church Universal & Triumphant, and through it, the spiritual salvation of the human race.

Deadly Cults-Robert L. Snow 2003 How do seemingly "normal" or "ordinary" citizens suddenly find themselves committed to a group whose leader promotes criminal activities and isolation from families and friends? What should you do if a loved one becomes indoctrinated by a potentially dangerous cult? By providing specific accounts of dangerous cults and their destructive acts, Snow illustrates how seemingly innocent groups can turn pernicious when under the sway of a charismatic leader with an agenda, or when members take things too far. He offers advice on how to identify cults, how to protect yourself and your family, and what to do if a loved one is ensnared by such a group.

Cults-James R. Lewis 2014-09-11 Cults examines the history and current status of cults across the United States, Europe, and East Asia. Focusing on the principal controversial religions and movements that have attracted major media attention, the book also includes profiles of hundreds of minority religions, from Jesus People and Rastafarians to voodoo practitioners and the human-cloning Raelians. All the issues central to the practice and the fear of cults are examined - apocalypticism, deprogramming, social isolation, cults and the media, the use and threat of violence, child custody, libel, tax evasion, solicitation, and the techniques of persuasion and conviction - as are the many charismatic cult leaders. Cults presents a comprehensive and authoritative reference, offering a balanced view of the controversy surrounding these new religious movements, assessing the movements themselves as well as the legal and governmental responses to them, including attempts to quantify membership.

Radical Transformations in Minority Religions-Beth Singler 2021-11-22 All religions undergo continuous change, but minority religions tend to be less anchored in their ways than mainstream, traditional religions. This volume examines radical transformations undergone by a variety of minority religions, including the Children of God/ Family International; Gnosticism; Jediism; various manifestations of Paganism; LGBT Muslim groups; the Plymouth Brethren; Santa Muerte; and Satanism. As with other books in the Routledge/Inform series, the contributors approach the subject from a wide range of perspectives: professional scholars include legal experts and sociologists specialising in new religious movements, but there are also chapters from those who have experienced a personal involvement. The volume is divided into four thematic parts that focus on different impetuses for radical change: interactions with society, technology and institutions, efforts at legitimation, and new revelations. This book will be a useful source of information for social scientists, historians, theologians and other scholars with an interest in social change, minority religions and 'cults'. It will also be of interest to a wider readership including lawyers, journalists, theologians and members of the general public.

Encyclopedic Handbook of Cults in America-J. Gordon Melton 1992 Covers the history, founders, beliefs, and literature of over five hundred nonconventional and alternative religious movements

All for the Love of God-Alex Reichardt 2008 This book offers a collection of stories written from individuals' one-on-one interactions with the late Mark Prophet, founder of The Summit Lighthouse.

Texe Marrs Book of New Age Cults & Religions-Teixe W. Marrs 1990 Across America and the world dangerous New Age cults and religious groups are growing in strength and numbers. Here is the authoritative guide to the New Age cults and religions infecting and threatening our society. It carefully analyzes these groups and provides answers to the questions most commonly asked about them.

The Emerging Network-Michael York 1995 The 1980s saw the emergence of New Age and neo-paganism as major new religious movements. In the first book-length study of these movements, Michael York describes their rituals and beliefs and examines the similarities, differences and relationships between them. He profiles particular groups, including the Church Universal Triumphant, Nordic pagans, and the Covenant of Unitarian Pagans, and questions the adequacy of existing sociological categories for describing these largely amorphous phenomena.

Royal Teton Ranch News- 1989

How Prophecy Lives-Diana Tumminia 2011-09-20 Occasioned by reflections on the 50th anniversary of the publication of Festinger et al.'s When Prophecy Fails, this book examines social scientific prophecy research in the second half of the twentieth century, with particular attention to the question of the dynamics that inspired people to engage actively in such end-time activities.

Teachings from the Mystery School, the Healing Power of Angels-Elizabeth Clare Prophet 1987

The Church in Gods Program-Robert L. Saucy 1974-08-21 The Church in God's Program is a biblical study covering the entire scope of the church - its beginning, government, ministries, and the new covenant.

Reincarnation-Elizabeth Clare Prophet 1997 Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts, this groundbreaking work traces the history of reincarnation in Christianity--from Jesus and early Christians through Church councils and the persecution of so-called heretics.

Lambs to Slaughter-John Joseph Pietrangelo 1994

The Cultic Milieu-Jeffrey Kaplan 2002 In 1972--a period of social upheaval much like today--sociologist Colin Campbell posited a 'cultic milieu': An underground region where true seekers test hidden, forgotten, and forbidden knowledge. Ideas and allegiances within the milieu change as individuals move between loosely organized groups, but the larger milieu persists in opposition to the dominant culture. Jeffrey Kaplan and Helene Loow find Campbell's theory especially useful in coming to grips with the varied oppositional groups of today.

Religions of the World: A Comprehensive Encyclopedia of Beliefs and Practices, 2nd Edition [6 volumes]-J. Gordon Melton 2010-09-21 This masterful six-volume encyclopedia provides comprehensive, global coverage of religion, emphasizing larger religious communities without neglecting the world's smaller religious outposts. • Coverage of the religions of more than 240 countries, including all of the larger religious communities, denominations, and sects • Detailed statistical information on the major religious communities in each country • 100+ entries on famous and important religious sites and places of pilgrimage • Biographies of the 100 most influential religious leaders in history • More than 150 photographs, plus maps and illustrations for each nation • A bibliography for each entry

Record of Decision-Montana. Department of Health and Environmental Sciences 1993

The Lost Teachings of Jesus-Mark Prophet 1988 The authors prove that many of Jesus' original teachings are missing and that the New Testament records only a fragment of what Jesus taught. This book fills in the gaps with a bold reconstruction of the essence of Jesus' message.

Encyclopedic Handbook of Cults in America-J. Gordon Melton 2017-06-30 First Published in 1993. Routledge is an imprint of Taylor and Francis, an informa company.

Prophecy the Missing Dimension of Healing, the Healing Power of Angels Karma of the Nations-Elizabeth Clare Prophet 1988-03
