

The Class Trip Triplet Trouble

Triplet Trouble and the Class Trip-Debbie Dadey 1997-01 Worried that their class trip to the museum will be boring, Alex Tucker leads fellow triplets Ashley and Adam away from the group for their own private tour.

Matching Books to Readers-Irene C. Fountas 1999 Provides a list of 7,500 titles, including caption books, series books, and natural language texts, for children in kindergarten through grade three.

Critical Literacy/critical Teaching-Cheryl Dozier 2006 This book describes and documents an exciting new approach to educating literacy teachers. The authors show how to help teachers develop their own critical literacy, while also preparing them to accelerate the literacy learning of struggling readers. The text takes readers inside a literacy lab in a high-poverty urban elementary school, reveals the instructional approach in action, and provides many excellent examples of critically responsive teaching. Featuring a synthesis of several fields of theory and research, this book: illustrates teacher preparation and development as personal and social transformation - demonstrating that this process requires changing the ways teachers think about students, language, culture, literacy, learning, and themselves as educators; provides pedagogical tools - including the history of the innovative literacy lab, the context of the instructional interactions, and the transition from a university-based to a school-based project; and combines critical and accelerative literacy instruction, showing how teachers can accelerate the slowest developing readers in their classrooms and also build a sense of engagement for students with the social world.

Triplet Trouble and the Field Day Disaster-Debbie Dadey 1996-01-01 Alex, Ashley, and Adam are back--and when they start to squabble about who will be the best athlete at the class field day event, that means triple trouble!

Triplet Trouble and the Red Heart Race-Debbie Dadey 1996-01-01 Making valentines for their class party, the Tucker triplets get into trouble when Alex bets Ashley that she can make the most hearts, prompting her to fill the classroom.

Triplet Trouble and the Pizza Party-Debbie Dadey 1996 When Mr. Parker promises his second-grade class that they will win a pizza party if they behave themselves, Sam fears that the irrepressible Tucker triplets will spoil everything, especially when Alex Tucker decides to throw her own party. Original.

Cowboy's Triplet Trouble-Carla Cassidy 2011-10-18 She had one reckless one-night stand and now Grace Sinclair has to face the fact that Justin Johnson, her triplets' father, is an irresponsible cad. But his cowboy brother Jake--smoldering hot and single--welcomes Grace and her infant daughters to their family's Oklahoma ranch. It's a quiet place...until someone tries to kill the single mom! After years of cleaning up Justin's messes, Jake wants no responsibility for him--or anyone. Even as he protects Grace and feels a powerful sexual desire for her, he assures her they have no future. But when the killer makes another brazen attempt on Grace, Jake finds himself rethinking his life alone...and those three adorable babies.

Triple Trouble-Julia DeVillers 2014-01-07 While continuing to switch places in middle school, identical twins Payton and Emma compete with triplets Dexter, Oliver, and Asher at the Multipalooza festival.

Triplet Trouble and the Cookie Contest-Debbie Dadey 1996 When the Tucker Triplets start to brag about who can make the best cookies, Sam knows that big trouble is on the way and becomes involved in a mess-making, cookie-baking contest that Mr. Parker says is missing a key ingredient. Original.

Triplet Trouble and the Bicycle Race-Debbie Dadey 1997 Mr. Parker's second-grade class is very excited about an upcoming bike race, and while the Tucker triplets feel certain of winning, their harrassed classmates remain skeptical.

Triplet Trouble and the Talent Show Mess-Debbie Dadey 1995 When Mr. Parker decides to have a talent show in the classroom, everyone comes up with performance ideas including Alex, whose plans with Adam and Ashley spell triple trouble for everyone, in the first of a new easy-to-read chapter book. Original.

Triplet Trouble and the Field Day Disaster-Debbie Dadey 1998

Triplet Trouble and the Red Heart Race-Debbie Dadey 1996-01-01 The loveable second-grade Tucker triplets race to see who can make the most red hearts for Valentine's Day.

Triplet Trouble and the Runaway Reindeer-Debbie Dadey 1995 The second-grade's Tucker triplets are in trouble again. This time, they've lost their best friend's dog, which they borrowed to dress up as a reindeer for a Christmas decorating contest!

Triplet Trouble-Stephanie Brother 2020-10-09 Kissing the sexy security guard is a bad idea. But Keiran is all muscles, tattoos, and rides a hot as hell motorcycle. And I can't get him out of my head.He looks like my stepbrothers, Ian and Jasper. I've crushed on them for years.They're twins, career cops, and completely over-protective.And they definitely don't approve.Now each of them wants to date me too!I've saved myself for a man I can trust, and now three men want to please me.They are all strong, protective men who'd do anything for me.How can I choose?And on top of all that, Keiran trusts me with his secrets: Secrets that change everything.A Reverse Harem novel of over 50,000 words. It's a high heat romance involving MFMM situations with a happily ever after ending.It is part of Stephanie Brother's Triplets series, but each book can be read as a standalone. No cliffhangers. No cheating.

The Jungle Book-Rudyard Kipling 1920

Hunting Eden-V. H. Nicolson 2021-06-09 I wasn't looking for love, but Hunter King crashed into my world and flipped it upside down. He's a King alright... a sex on legs and larger than life pro-golfer. A sinful God. And I want to dive into his hypnotic brown eyes. But I'm broken, I'm lost... stuck in a time loop. Waiting for my heart to heal. True to his name, Hunter King decides I'm someone he wants. I'm his hot prey. But I don't want to be caught. And he's not used to being told no. We're from two different worlds. I won't allow him to piece me back together. But I may not have a choice, because my soul craves his. And it makes me question everything. I always thought my heart belonged to another... What if I'm wrong? **** Hunting Eden is a standalone romance featuring a gorgeous sports hero who wears his heart on his sleeve, and a beautiful dreamer dancer who's built walls so high around her, you can no longer see her petite frame.

It's a perfectly blended full-length romance filled with heat, laughter, emotion, and a HEA, with no cliffhanger. Hunting Eden is Book 1 of The Triple Trouble Series. ***Book 2 Coming soon.*** Authors note: This book touches on sensitive discussions about baby loss and accidental death.

Triplet Trouble and the Bicycle Race-Debbie Dadey 1997-04-01 Mr. Parker's second-grade class is very excited about an upcoming bike race, and while the Tucker triplets feel certain of winning, their harrassed classmates remain skeptical.

Inevitable Ella-Vh Nicolson 2021-10-30 Seven years ago my soulmate got married. To someone else. Fraser Farmer broke me. Made me incapable of loving again. Seven years later he's back, whispering I love you. He's gorgeous, magnetic, successful, an athlete at the peak of his game. But behind his picture perfect life and family, lies a precarious path of deceit and anguish and a vicious sports agent on the warpath to destroy him. He's a prisoner in his own life. Held captive. He still belongs to someone else. Can I help set him free? And can he be the one to uncage and heal my dying heart? I have two options. Fight alongside him, or have my heart broken again. Do I even have a choice, or were we always inevitable? *** Inevitable Ella is a standalone steamy second chance sports romance full of twists and turns. It features Ella, a feisty ice-blond bombshell dancer and Fraser, a sexy powerhouse pro golfer. It's an intricate love story involving scandal and extortion. It's a perfectly blended full-length romance filled with heat, emotion, and a Happy Ever After, with no cliffhanger. Inevitable Ella is Book 2 in The Triple Trouble Series. Each book can be read as a standalone, but have cross over characters. Intended for readers aged 18 years and over.

Trading Faces-Julia DeVillers 2008-12-30 In Trading Faces, identical twin sisters Emma (the smart one) and Payton (the popular one) start seventh grade at a brand-new school and discover they've been assigned entirely different schedules—so when they get sick of their respective cliques, they secretly switch places. What ensues is a hilarious yet poignant romp from middle school to the mall as the twins learn what it means to be true to yourself, even when the rest of the world isn’t making it easy.

The Big Book of Conflict Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration-Mary Scannell 2010-05-28 Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas—before they affect your organization’s bottom line. Let The Big Book of Conflict-Resolution Games help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in The Big Book of Conflict-Resolution Games delivers everything you need to make your workplace more efficient, effective, and engaged.

Triple Trouble-Jerilyn Dufresne 2016-05-26 This fun cozy mystery series features amateur sleuth and social worker Samantha and her canine companion Clancy. Between her big family of five siblings, her charming hometown of Quincy, and a sudden run of murders, Sam has her work cut out for her. No one is asking her to investigate, but that doesn't stop her! Books by Bestselling Author Jerilyn Dufresne Who Killed My Boss? (Sam Darling mystery #1) Any Meat in That Soup? (Sam Darling mystery #2) Can You Picture This? (Sam Darling mystery #3) Will You Marry Me? (Sam Darling mystery #4) Where Is Henderson? (Sam Darling mystery #5) Who’s the Rogue? (Sam Darling mystery #6) Who Dies Next? (Sam Darling #7) Is This the End? (Sam Darling #8) Triple Trouble (Box Set of Sam Darling mysteries #1-3) Triple Trouble Too (Box Set of Sam Darling mysteries #4-6) Sam Darling Cozy Set of Six (Box Set of #1-6) Coming soon Where’s My Passport? (Sam Darling #9) Who Said What? (Sam Darling #10) "I love a good mystery with a spunky young woman heroine and a dog too!" "The Sam Darling mysteries are some of the best I've ever read." "Dufresne wraps humor, mystery, romance and a whole lot of fun into one package." Praise for Jerilyn Dufresne and the Sam Darling Mysteries Dufresne has created a charming, nosy, and slightly irreverent character in Samantha Darling, the heroine in Who Killed My Boss?, a fast-paced cozy that takes place in the small town of Quincy, Illinois. Beth Amos, author of the Mattie Winston Mystery series (as Annelise Ryan) The plot kept me guessing until nearly the end and I am looking forward to reading further adventures! Fun and entertaining read. Highly recommended... well done! Anne Kelleher, author of A Once and Future Love and Wickham’s Folly Dufresne shows her gift of storytelling as she moves the plot forward, introducing believable characters and a complicated plot. Recommended to everyone who enjoys a well-written, fun, cozy mystery! Kimberly Shursen, author of Itsy Bitsy Spider and Hush #1 - Who Killed My Boss? Moments after hiring Samantha Darling as a therapist, Dr. Burns is murdered. Stunned by his sudden death and desperate to keep the job she just got, Sam vows to find the killer. She has two things going for her. The first is that her brother Rob is a cop, and she figures the crime-solving thing has to be genetic. The second is that Sam is a little bit psychic—so finding the culprit should be a snap for her. If only she could tell the difference between her psychic vibes and indigestion.... With the help of her landlord and her dog, Sam sets out to solve the murder. Along the way, she spends time with the hot new guy in town and tries not to spend time with the old high school boyfriend who stood her up on prom night. Using her vibes, her wit, and her charm, Sam solves the mystery, but not before going in the complete wrong direction more than once. #2 - Any Meat In That Soup? When a man falls down at Samantha Darling’s feet, she thinks it’s pretty funny. But she stops joking when he turns up dead. Social worker and would-be crime-solver Sam is busy trying to unravel the mystery as the death toll keeps mounting. She’s thrilled to be hired by the handsome local PI to work in the ER and investigate. Being paid to snoop makes her feel like she's died and gone to heaven, but Sam's elation quickly evaporates when she finds out that her sister Jen is being investigated for the murders. A trio of other suspects, a poisoning scare for her best bud and canine companion Clancy, and the back-and-forth pull of Sam’s attraction to the dreamy Michael and the loyal George keep her unbalanced as she tries to juggle social work, secret sleuthing, and a romantic triangle. As usual, Sam takes her snooping to extraordinary heights. She can’t seem to stop putting her nose where it doesn’t belong. And this time... she may have gone too far. #3 - Can You Picture This? If Sam had known when she knocked over the guy's bicycle that it would put her knee-deep in murder again, she might have thought twice. Richie Klingman, the only representative of the “paparazzi” in Quincy, chased Sam down with his camera in an attempt to grab a quick shot of the local celebrity sleuth. But when the flashbulb went off in her face, she went off on him—or on his bike--and down it went, Richie and all. Turns out that one of the photos Richie took caught the precise moment of a murder on film. The next thing Sam knows, Richie himself has been stabbed and is in the hospital with a serious chest wound. Sam is stumped. There are no suspects. Instead there are round-the-clock police protecting Sam and her kids, who are home from college for the summer. And there is round-the-clock involvement with her old high school beau George, whom Sam has finally forgiven for standing her up on prom night. When at last a suspect emerges, Sam is confronted with her own mortality yet again. In this third book of the Sam Darling mystery series, you'll be wondering whodunit right up until the murderer is fully exposed and the picture finally emerges. And a bonus short story! Sam's Prom Night Fiasco Read about the beginning of Sam's romance with George... and how he ended up with egg on his face. Or is that mud?

Triple Pet Trouble-Megan McDonald 2015-09-08 Judy’s unusual pets—Jaws, Mouse, and Toady—are the center of attention in a new Judy Moody® book for newly independent readers. Dr. Judy knows a sick pet when she sees one, and Jaws the Venus flytrap is for-sure sick. Time for some urgent care and first aid! Judy Moody, pet vet, will never rest in her efforts to nurse Jaws back to health. In her quest for a medical miracle, Judy finds herself wrangling an unruly toad and seeking help from Mouse, the mind-reading cat. Nothing will stand in the way of Judy’s search for a cure. Not even the fearsome Carnivoria vampira! From Megan McDonald comes this selection of three mini-stories just right for luring young readers into the Moody universe.

Immunisation against infectious diseases-David Salisbury 2006-12-11 This is the third edition of this publication which contains the latest information on vaccines and vaccination procedures for all the vaccine preventable infectious diseases that may occur in the UK or in travellers going outside of the UK, particularly those immunisations that comprise the routine immunisation programme for all children from birth to adolescence. It is divided into two sections: the first section covers principles, practices and procedures, including issues of consent, contraindications, storage, distribution and disposal of vaccines, surveillance and monitoring, and the Vaccine Damage Payment Scheme; the second section covers the range of different diseases and vaccines.

The Tale of Peter Rabbit-Beatrix Potter 2021-05-29 The Tale of Peter Rabbit, first published by Frederick Warne in 1902, is a classic children's story by Beatrix Potter that is a must read for new and returning readers alike. Beatrix Potter was an English author, illustrator, natural scientist, and conservationist best known for her children's books featuring animals. Potter's artistic and literary interests were deeply influenced by fairies, fairy tales and fantasy. ‘The Tale of Peter Rabbit’ was her first publication. It tells the story of a very mischievous rabbit and the trouble he encounters in a vegetable garden. Peter disobeys his mother by going into Mr. McGregor's garden and almost gets caught. Potter's books continue to sell throughout the world in many languages with her stories being retold in song, film, ballet, and animation. The basis for the 2018 film, Peter Rabbit has been hailed as one of the bestselling stories of all time. The warmth and charm of Beatrix Potter's animal stories have made them favorites with generations of children and adults.

Triplet Trouble and the Pizza Party-Debbie Dadey 1996-12-01 When Mr. Parker promises his second-grade class a pizza party if they behave themselves, Sam fears that the irrepressible Tucker triplets will spoil everything, especially when Alex Tucker decides to throw her own party.

The Triple Trouble Trio-Hannah Hall 2012-09-17 The triplets Cleo, Leo and Theo aren't bad kids. They just try to help people. But sometimes they're helpfulness gets them into trouble. Now they have to prove to Miss Grisly, their rude and nasty teacher, what they're really all about Get ready to laugh and cheer as you read about the adventures of the Triple Trouble Trio.

The Triple Package-Amy Chua 2014-02-04 "That certain groups do much better in America than others—as measured by income, occupational status, test scores, and so on—is difficult to talk about. In large part this is because the topic feels racially charged. The irony is that the facts actually debunk racial stereotypes. There are black and Hispanic subgroups in the United States far outperforming many white and Asian subgroups. Moreover, there’s a demonstrable arc to group success—in immigrant groups, it typically dissipates by the third generation—puncturing the notion of innate group differences and

undermining the whole concept of 'model minorities.'" Mormons have recently risen to astonishing business success. Cubans in Miami climbed from poverty to prosperity in a generation. Nigerians earn doctorates at stunningly high rates. Indian and Chinese Americans have much higher incomes than other Americans; Jews may have the highest of all. Why do some groups rise? Drawing on groundbreaking original research and startling statistics, *The Triple Package* uncovers the secret to their success. A superiority complex, insecurity, impulse control—these are the elements of the Triple Package, the rare and potent cultural constellation that drives disproportionate group success. The Triple Package is open to anyone. America itself was once a Triple Package culture. It's been losing that edge for a long time now. Even as headlines proclaim the death of upward mobility in America, the truth is that the old-fashioned American Dream is very much alive—but some groups have a cultural edge, which enables them to take advantage of opportunity far more than others.

- Americans are taught that everyone is equal, that no group is superior to another. But remarkably, all of America's most successful groups believe (even if they don't say so aloud) that they're exceptional, chosen, superior in some way.
- Americans are taught that self-esteem—feeling good about yourself—is the key to a successful life. But in all of America's most successful groups, people tend to feel insecure, inadequate, that they have to prove themselves.
- America today spreads a message of immediate gratification, living for the moment. But all of America's most successful groups cultivate heightened discipline and impulse control. But the Triple Package has a dark underside too. Each of its elements carries distinctive pathologies; when taken to an extreme, they can have truly toxic effects. Should people strive for the Triple Package? Should America? Ultimately, the authors conclude that the Triple Package is a ladder that should be climbed and then kicked away, drawing on its power but breaking free from its constraints. Provocative and profound, *The Triple Package* will transform the way we think about success and achievement.

Twin and Triplet Psychology-Audrey C. Sandbank 1999 Provides professionals with clear, concise information, from a range of professional settings, on the special needs of multiples.

Ending Discrimination Against People with Mental and Substance Use Disorders-National Academies of Sciences, Engineering, and Medicine 2016-09-03 Estimates indicate that as many as 1 in 4 Americans will experience a mental health problem or will misuse alcohol or drugs in their lifetimes. These disorders are among the most highly stigmatized health conditions in the United States, and they remain barriers to full participation in society in areas as basic as education, housing, and employment. Improving the lives of people with mental health and substance abuse disorders has been a priority in the United States for more than 50 years. The Community Mental Health Act of 1963 is considered a major turning point in America's efforts to improve behavioral healthcare. It ushered in an era of optimism and hope and laid the groundwork for the consumer movement and new models of recovery. The consumer movement gave voice to people with mental and substance use disorders and brought their perspectives and experience into national discussions about mental health. However over the same 50-year period, positive change in American public attitudes and beliefs about mental and substance use disorders has lagged behind these advances. Stigma is a complex social phenomenon based on a relationship between an attribute and a stereotype that assigns undesirable labels, qualities, and behaviors to a person with that attribute. Labeled individuals are then socially devalued, which leads to inequality and discrimination. This report contributes to national efforts to understand and change attitudes, beliefs and behaviors that can lead to stigma and discrimination. Changing stigma in a lasting way will require coordinated efforts, which are based on the best possible evidence, supported at the national level with multiyear funding, and planned and implemented by an effective coalition of representative stakeholders. *Ending Discrimination Against People with Mental and Substance Use Disorders: The Evidence for Stigma Change* explores stigma and discrimination faced by individuals with mental or substance use disorders and recommends effective strategies for reducing stigma and encouraging people to seek treatment and other supportive services. It offers a set of conclusions and recommendations about successful stigma change strategies and the research needed to inform and evaluate these efforts in the United States.

Class Trip to the Haunted House-Marcia Thornton Jones 2005 When Calliope the ghost's old mansion is going to be torn down, the class takes a trip to visit it and discover if Calliope is hiding a secret she won't disclose.

Triple Trouble-Michael J. Pellowski 1995 When look-alike cousin Mandy visits twins Sandi and Randi Danielsit appears that they are triplets rather than twins and cousin.

Reinforcement Learning, second edition-Richard S. Sutton 2018-11-13 The significantly expanded and updated new edition of a widely used text on reinforcement learning, one of the most active research areas in artificial intelligence. Reinforcement learning, one of the most active research areas in artificial intelligence, is a computational approach to learning whereby an agent tries to maximize the total amount of reward it receives while interacting with a complex, uncertain environment. In *Reinforcement Learning*, Richard Sutton and Andrew Barto provide a clear and simple account of the field's key ideas and algorithms. This second edition has been significantly expanded and updated, presenting new topics and updating coverage of other topics. Like the first edition, this second edition focuses on core online learning algorithms, with the more mathematical material set off in shaded boxes. Part I covers as much of reinforcement learning as possible without going beyond the tabular case for which exact solutions can be found. Many algorithms presented in this part are new to the second edition, including UCB, Expected Sarsa, and Double Learning. Part II extends these ideas to function approximation, with new sections on such topics as artificial neural networks and the Fourier basis, and offers expanded treatment of off-policy learning and policy-gradient methods. Part III has new chapters on reinforcement learning's relationships to psychology and neuroscience, as well as an updated case-studies chapter including AlphaGo and AlphaGo Zero, Atari game playing, and IBM Watson's wagering strategy. The final chapter discusses the future societal impacts of reinforcement learning.

Learning from SARS-Institute of Medicine 2004-04-26 The emergence of severe acute respiratory syndrome (SARS) in late 2002 and 2003 challenged the global public health community to confront a novel epidemic that spread rapidly from its origins in southern China until it had reached more than 25 other countries within a matter of months. In addition to the number of patients infected with the SARS virus, the disease had profound economic and political repercussions in many of the affected regions. Recent reports of isolated new SARS cases and a fear that the disease could reemerge and spread have put public health officials on high alert for any indications of possible new outbreaks. This report examines the response to SARS by public health systems in individual countries, the biology of the SARS coronavirus and related coronaviruses in animals, the economic and political fallout of the SARS epidemic, quarantine law and other public health measures that apply to combating infectious diseases, and the role of international organizations and scientific cooperation in halting the spread of SARS. The report provides an illuminating survey of findings from the epidemic, along with an assessment of what might be needed in order to contain any future outbreaks of SARS or other emerging infections.

Triple Trouble-Kelly Rysten 2009-10-29 Join Cassidy Callahan in a three part tracking adventure with trouble at every turn. In Part 1, "Trouble Time," all Cassidy Callahan wants to do is get her life back on track, but it seems an impossible task when she gets carjacked at gunpoint. In Part 2, "Trouble Tracker," Cassidy's friend, detective Rusty Michaels, needs her help in tracking down a forest ranger who went missing on a routine maintenance hike. Cassidy finds more trouble than she bargained for in her hike into the rough and sometimes dangerous woods of southern California. In Part 3, "Trouble Target," it seems like one problem just leads to another. Drug lord Mario Peccati takes the raid on his operation personally. When he terrorizes Cassidy's family and friends, she knows there is only one solution. She must face the drug lord, on his turf, with his rules. Cassidy is going to need all her wiles and skills just to stay alive as she becomes the hunted, with a hunter who knows no mercy. About the Author: Kelly Rysten was born in Florida and moved with her family to New Mexico when she was a young girl. Being raised by parents who were a librarian and a teacher meant that books have always been a part of Kelly's life. Her interest in writing and tracking spans many years, which allows her to bring a real authenticity to her characters and the adventures in her novels. She is currently working on more of Cassidy Callahan's adventures. Kelly and her husband presently reside in southern California. They have two grown children and a crazy Shetland sheepdog named Pippin.

Beyond Leveled Books-Karen Szymusiak 2008 In *Beyond Leveled Books*, Second Edition the authors provide even more resources to help teachers understand and meet the needs of transitional readers. The key topic of series books has been revised and enlarged, with charts outlining new series along with the challenges they pose and the supports readers need. New lessons have been added, and most chapters now include a related article from a literacy expert. Some of the contributors include Kathy Collins, Larry Swartz, and Mary Lee Hahn.

Twin and Triplet Psychology-Audrey Sandbank 2003-09-02 Information on the special needs and natures of twins and multiples is often difficult for professionals to obtain. *Twin and Triplet Psychology* fills this gap, helping professionals to be better-equipped to offer advice to parents and twins alike. Examining the psychology of twinship throughout the lifespan, the book includes chapters on: * twins in-utero temperament development and inter-twin behaviour before and after birth * antenatal and postnatal influences on family relationships * twins with special needs * the death of a twin * twins in secondary school and adolescence.

Mrs. Jeepers' Monster Class Trip-Debbie Dadey 2000 Puzzles accompany the story of a visit to Rock Castle State Park, where the students in Mrs. Jeepers's class suspect that their vampire teacher plans to use her magic brooch to bring the rocks to life as monsters.

Triple Fault-Jessica Burkhart 2009-08-11 In *Chasing Blue*, Sasha and her horse, Charm, have proven that they're worthy competitors for the elite Canterwood Crest equestrian team. Things are definitely looking up . . . until Sasha finds out who her riding partner for the semester is: her archnemesi, Queen Bee Heather. Not. Good. And when Heather starts spending a little too much QT with Sasha's almost-boyfriend, Jacob, the partnership is put to the ultimate test. The tension builds in *Behind the Bit* when Sasha and her team are accepted to a prestigious horse clinic. Can Sasha and Callie work together when it counts? *Gabby Duran and the Unsittables*, Book 4 *Triple Trouble*-Elise Allen 2020-08-11 CASE FILE: THE FINAL (?) UNSITTABLES SUMMARY: With the entire Unsittables program in jeopardy of termination, Gabby Duran, Associate 4118-25125A has been tasked with caring for three young charges on the afternoon of a highly important Planetary Treaty Association (P.T.A.) meeting-one that could change the fate of the entire galaxy. While Gabby has proven in the past to be resourceful in a crisis, the members of A.L.I.E.N. currently have serious doubts about whether she has what it takes to protect the lives, and the identities of aliens here on earth. But we've decided to give her one last chance to prove herself. Of course, it won't be easy. Her three new clients hail from three different alien planets and each have special powers that require a deep well of patience on the part of their caretaker. We also have recently received word that one of her charges, a young girl by the name of Sharli, has become the target of certain unsavory intergalactic elements who might wish to do her harm. Will Gabby manage to keep the girl safe (and on-planet) until her mother returns from her P.T.A. meeting? Will any of us live to tell the tale? This fast-paced, planet-hopping, laugh-inducing novel perfectly wraps up the Gabby Duran and the Unsittables book series while catapulting readers into the action of the new Disney Channel Original Series of the same title, now airing on Disney Channel!
