Claws of the Dragon-joellen Heath 2011-06-01 Claws of the Dragon by JoEllen Heath is derived from the story of a monk, Ti Chan, in a monastery in India, who escaped death during the religious war spreading from India to China. Embarking on a ship, he arrived in Chin Chew - and his mission was to bring the package shoved underneath his robes by an elder monk who was dying from a Mongolian's arrow to the Monastery Wong Tai Chow and guard it with his life, but when he arrived in Chin Chew, he was killed. It was Hung Lee, the antique shop owner who witnessed what happened and whom he left the task to fulfill his mission. What was inside the package? Will Hung Lee follow Ti Chan's instruction? Claws of the Dragon opens the story of the few people who have an important connection with what was inside the package - the ornately carved violet jade, the pear-shaped, greenish blue emerald and the two plum-sized black pearls with gold streaks flashing from within each center like the eyes of a tiger. Many years and generations had passed and new adventures are taking place. Crystal went to San Francisco to see her father's attorney, Lloyd E. Lyndon, who will reveal to her some important secrets her father left for her and an important gift from her mother - the jade inlayed snuff bottle. Now, she will start her quest for the other stones. She needs to find Andrew and Rusty, who each hold part of her legacy. With this quest, Crystal will embark into various adventures that will lead her to find the answers to her many questions and to solve the puzzle of the letter by her mother, which was written in Chinese. Later on, she will discover surprising revelations. Will she be able to find and gather all of the stones? Who is the real heir of the stones? Who will help her obtain her goals? This is a story of man's quest for wealth and immortality that grips man's soul. The Claws of the Dragon is a riveting tale that will bring us to different realms, which are full of adventures, suspense, passion, deceit, disappointment, anger and love.

Dragon's Claw (Large Print 16pt)-Peter O'Donnell 2012-07-01 Sailing in the Tasman Sea Modesty Blaise discovers Luke Fletcher, one of Britain's greatest artists, lost in the middle of the ocean, alone on a raft, and with a strange gap in his memory. It leads her to the mystery of the nest of evil known as Dragon's Claw. Modesty and her loyal lieutenant, Willie Garvin, become involved in a complex of murder mysteries, struggling against the baffling activities of unknown enemies. Only when Modesty and Willie are helpless captives do they discover the identities of those they must overcome. Against them are a group of deadly killers working for an unknown master. The Reverend Uriah Crisp is an ordained minister and the greatest shot with a handgun in the world, and believes that his victims are sinners who deserve their fate. Beauregard Browne is a master of disguise and mimicry, who kills his victims using the famous handkerchief trick, and is accompanied by his county companion, Clarissa de Courtney - Scott. As usual ingenuity and resourcefulness help Modesty and Willie win the day as they escape Dragon's Claw and find themselves in a fight to the death.

Tooth and Claw-Jo Walton 2013-02-21 A family of dragons gathers on the occasion of the death of their father, the elder Bon Agornin. As is custom, they must eat the body. But even as Bon's last remains are polished off, his sons and daughters must all jostle for a position in the new hierarchy. While the youngest son seeks greedy remuneration through the courts of law, the eldest son - a dragon of the cloth - agonises over his father's deathbed confession. While one daughter is caught between loyalty to her family by blood and her family by marriage, another daughter follows her heart - only to discover the great cost of true love... Here is a Victorian story of political intrigue, family ties and political intrigue, set in a world of dragons - a world, quite literally, red in tooth and claw. Full of fiery wit, this is a novel unlike any other.

Dragon's Claws With Feet of Clay-Morgan Deane 2019-05-13 China often dominates the headlines in negative ways with carrier killing missiles, drone swarms, militarizing islands and new jet fighters. These fearful perceptions and click bait titles are often published without providing basics or background about geography, how to assess weapons, or the doctrine of Chinese and American forces. Dragon's Claws with Feet of Clay: A Primer on Modern Chinese Strategy overcomes those limitations. Using an intimate knowledge of Chinese history and military theory as well as current events, doctrine, and hardware being developed, military historian Morgan Deane explains foundational concepts such as technical capabilities and likely use for major weapon systems, the relationship between history and geography in East Asia, a discussion on likely Chinese strategy and implementation of Sun-Tzu's theories, and assessment of US counter measures, as well as the training of both US and Chinese forces. During a time of continued international tension this book is vital for developing a reasoned assessment of potential dangers and counter measures, most importantly the reader will be able to see through the scare mongering rhetoric of policy makers and politicians to offer their own measured opinion of current events.

Descended-Bri Sailor 2016-06-05 The shadows of war are finally upon the Aznurro kingdom. The Xaemox and Quimmor have fallen, and now after nearly twenty-one years the Khenná kingdom is on the verge of complete control over all four kingdoms. Atreyis knows how dangerous the world is, but she can't stand one more day stuck in the palace cooped up. As Descended, true dragon blood runs through her veins and she has all of the same strength and abilities her brother has, yet the king and queen prevent her from having "fun". All she wants to do is see everything, do everything, experience life, but once outside of her kingdom's protective walls she comes face to face with the harsh truth that is the real world. Assassins? Lies? Betrayal? Who is friend and who is foe? She was once the greatest general that the Khenná have seen in a thousand years. Since the tender age of fifteen, Ky has been groomed to be the perfect warrior. Her enemies fell before her as she furthered the Khennán king's reach. With her at the lead the Black Army is one battle away from establishing complete control over the four kingdoms. Never in the history of the nations has complete control been realized. But a choice to save her men costs her dearly. Now she is nothing more than a glorified lapdog of her arch enemy, her king's advisor. Much to the dismay of the advisor, and witch, she is starting to see the true intentions of those around her. The once certain and self-assured warrior finds herself at a crossroads that her years of training could have never prepared her for. Two worlds collide in the midst of the greatest war since the ancient times of dragons and demons. While misguided power struggles have led to disarray an old enemy lurks in the shadows waiting to pounce. Old demons are resurrected. Will the power of the dragons and their Descended be ready for what's in store?

Dragon's Claws-Grant Carpenter 1914

The Claws of the Earth Part IV-B. 2015-11-30 B. once more draws readers into the action-packed world of treachery, danger and magic in this fourth instalment of the gripping The Claws of the Earth series. Mintor and his companions continue their quest south to find the Island of Weayland's Keep, but will they reach the Claws of the Earth in time? With the black-armour swarming their land, threatening to crush the empire beneath a black tidal wave of destruction, the friends' quest seems near impossible to complete. Queen Riolany makes an unexpected startling discovery in Korlot, but what is Buralco up to? Meanwhile, events in the Eastern Kingdom threaten to spiral out of control. Can anything stand in the way of the wizard, Evan Whitestiller, and halt him in fulfilling his destiny?

Descended-Bri Sailor 2016-06-05 The shadows of war are finally upon the Aznurro kingdom. The Xaemox and Quimmor have fallen, and now after nearly twenty-one years the Khenná kingdom is on the verge of complete control over all four kingdoms. Atreyis knows how dangerous the world is, but she can't stand one more day stuck in the palace cooped up. As Descended, true dragon blood runs through her veins and she has all of the same strength and abilities her brother has, yet the king and queen prevent her from having "fun". All she wants to do is see everything, do everything, experience life, but once outside of her kingdom's protective walls she comes face to face with the harsh truth that is the real world. Assassins? Lies? Betrayal? Who is friend and who is foe? She was once the greatest general that the Khenná have seen in a thousand years. Since the tender age of fifteen, Ky has been groomed to be the perfect warrior. Her enemies fell before her as she furthered the Khennán king's reach. With her at the lead the Black Army is one battle away from establishing complete control over the four kingdoms. Never in the history of the nations has complete control been realized. But a choice to save her men costs her dearly. Now she is nothing more than a glorified lapdog of her arch enemy, her king's advisor. Much to the dismay of the advisor, and witch, she is starting to see the true intentions of those around her. The once certain and self-assured warrior finds herself at a crossroads that her years of training could have never prepared her for. Two worlds collide in the midst of the greatest war since the ancient times of dragons and demons. While misguided power struggles have led to disarray an old enemy lurks in the shadows waiting to pounce. Old demons are resurrected. Will the power of the dragons and their Descended be ready for what's in store?

White Claw --Le Tendre Serge 2018-03-21 Taho-the-Quick, a poacher, has an encounter with the animal totem of his people, the dragon queen, who entrusts him with the dangerous mission of carrying her egg to her dragon brothers up in the mountains. On his journey, Taho-the-Quick will not only have to fight enemies but also join forces with unexpected allies, including the mysterious White Claw, a warrior with unparalleled skills. The survival of the dragon species and that of a whole people will depend on their partnership.
