

The Cocker Containing Every Information To The Breeders And Amateurs Of That Noble Bird The Game Cock History Of Cockfighting Series

The Cocker-William Sketchley 1814

The Cocker-W. [from old catalogue]. Sketchley 1814

The Cocker-William Sketchley 2019-08-13 This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

The Cocker; Containing Every Information to the Breeders and Amateurs of That Noble Bird, the Game Cock-William Sketchley 2015-07-22 Excerpt from The Cocker; Containing Every Information to the Breeders and Amateurs of That Noble Bird, the Game Cock: To Which Is Added, a Variety of Other Useful Information for the Instruction of Those Who Are Attendants on the Cock Pit The author having been attached to the sod at a very early period of life - and having lived in a part of the country high in repute for that noble bird, the Game Clock; where as great a variety of birds were exhibited in all their various process of refinement as any individual amateur could enjoy, he flatters himself that by such superior means of collecting information his attempt at writing "The Cocker" will be found to contain not only

instruction, but be a source of amusement to the reader, and as such may serve to plead his apology for undertaking the present task. Under such a pre-eminent latitude of superior breed, no man of discernment could be at a loss (to mark those whose superiority of blood, mode of fighting, with all the necessary concomitants that constitute perfection in the game cock) how much to appreciate their worth. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. The Cocker; Containing Every Information to the Breeders and Amateurs of that Noble Bird the Game Cock, Etc-William SKETCHLEY 1814

The Cocker - Containing Every Information to the Breeders and Amateurs of That Noble Bird the Game Cock (History of Cockfighting Series)-W. Sketchley 2005-09-01 THE COCKER; Containing Every Information to the Breeders and Amateurs Of that Noble Bird, THE GAME COCK. By W. Sketchley. Originally published in 1814, this rare early work on the Game Cock is both expensive and hard to find in its first edition. READ COUNTRY BOOKS have republished it, using the original text and engravings. The author was born and bred in Staffordshire, a part of the country high in repute for its love of the Game Cock and Cocking. This important historical work contains a wealth of knowledge and experience gained over a period of fifty years as a top breeder of fighting cocks. The book's one hundred and fifty four pages are divided into two sections. The first contains

detailed chapters on: Breeding. - Trials. - Remarks on the Change in Constitution. - Remarks on Steady Breeding. - The Necessity of Making Trials. - Bad Constitution in Cocks. - Some Favourite Breeds of Cocks. - Cockfeeders. - Cock Match Articles and Rules. - More Remarks on Breeding. - Matching etc. The second section consists of specially designed pages for keeping records: Pedigrees of Brood Cocks, Hens, or Pullets. - Names and Characters of Cocks. - Accounts of Cocks. - Bags in stock. - Memorandums. - Accounts. Having reproduced this book from an original first edition, the publishers decided to retain a small number of interesting hand written notes in the records section. These were made in 1825 by the original owner. This is a fascinating read for any Game Fowl enthusiast or historian, and also contains much information that is still useful and practical today. Many of the earliest poultry books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Read Country Books are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
