Cart Girls-DH Verbeek 2005-03-14 Mike and Jack walked down the path to the beverage cart but didn’t see anyone attending the beverage cart. "Well, someone must have parked it here," Jack said, looking over the stocked beverage cart and opening a few containers to inspect the contents. Jack walked around the back of the beverage cart and noticed some sneakers behind a bush. "Mike, look over here," he said. They pulled back the bush and immediately Mike turned and ran a few feet. He bent over and violently vomited from the sight of what he had just witnessed. Sandy Creek Country Club is thrust into the center of a horrific scandal when one of its cart girls is found murdered on the thirteenth hole of the golf course. Lieutenant Ron Carr, the lead investigator on the case, struggles to connect the meager evidence to any of the suspects. Lieutenant Carr receives help from the county medical examiner, Dr. Jean Loreno, an attractive single mother who is looking for a father for her son, Jake. Carr and Loreno spend hours together examining the evidence and interrogating the long list of suspects-and everyone is a suspect. The two begin to develop feelings for each other, but will the grueling task of solving the murder get in the way of their growing relationship?

Stuff a Girl’s Gotta Know-Andrea Stephens 2003-10-24 The zillion things a teen girl needs to know in life are all together in "Stuff a Girl’s Gotta Know." Judgment-Melissa A. Craven 2021-10-21 Prepare to be swept away by Melissa A. Craven’s highly original, dark and gritty tale of Immortality, prophecy and fated romance. They claim the prophecy is about her. They say she will lead the Immortals into an unknown future. But she is angry. And that anger is all she has left. Allie Carmichael has so many secrets she doesn’t know what—or who—to believe anymore. After dropping a truth bomb that changed her world, Gregory McBrien has disappeared without answering the questions that have haunted her for months. The knowledge that her life was built on a foundation of lies and manipulation has left her scathed for life and Quinn a captive of the Coalition. When she returns to school and her normal routine, Allie finds herself constantly dancing on the edge of losing control of her power, too afraid and too furious to confide in anyone—even her broody best friend, Aidan, who could be more than just a friend after that night in Agra they don’t talk about. An encounter at a dangerous Immortal nightclub gives Allie and her friends a chance to discover what really happened to Quinn. But as Allie continues to struggle with the nightmares that only Aidan can keep at bay, she doesn’t understand what her clairvoyant gift is trying to tell her. Just when she begins to put the pieces together, she fears it might be too late, and this time the price for her mistakes will be much too high. Last time she was afraid. This time she is angry. Judgment is book two of the Immortals of Indriell Series. An epic journey with twists and turns readers won’t soon forget. Readers of Cassandra Clare, Mortal Instruments, Victoria Aveyard, Red Queen, and Jennifer L. Linda Fairstein Boxed Set-Linda Fairstein 2011-04-26 Now available, a boxed eBook set of Linda Fairstein’s first three Alex Cooper mysteries: Final Jeopardy, Likely to Die, and Cold Hit. Linda Fairstein’s first novel, Final Jeopardy, introduces the Manhattan Assistant District Attorney Alexandra Cooper, whose job description matched Fairstein’s own as Manhattan’s top sex crimes prosecutor. The author’s “two decades as a prosecutor of sex crimes imbues Final Jeopardy with riveting authenticity” (Vanity Fair), and it was made into a television movie starring Dana Delaney. In Likely to Die, New York City’s oldest medical center is the scene of a ghastly attack: top neurosurgeon Gemma Dogen is found in her blood-soaked office, where she has been sexually assaulted, stabbed, and designated by the cops as a “likely to die.” By the time Alex has plunged into the case, it’s a high-profile, media-infested murder investigation with a growing list of suspects from among those who roam the hospital’s labyrinthine halls. As Alex’s passion to find the killer intensifies, she discovers that she is the next target for lethal violence. For readers who “like the science of Patricia Cornwell and the legal strategy of John Grisham, this one’s for you” (The New Orleans Times-Picayune). In Cold Hit, the silk-clad body of a woman is pulled from the waters at Manhattan’s northern tip. Alex races against the clock with the hope for a “cold hit” —a DNA match that would reveal the identity of the murderer by linking the crime to someone already in the police database. But as the case pulls her into the exclusive world of Eastside auction houses, Alex discovers she may be marked as an expendable commodity in a chilling and deadly scheme. “A skillfully executed plot, by a crime novelist whose powerful characters are drawn from her real life expertise. Absorbing, intricately woven—bring on the next” (Patricia Cornwell).

Likely to Die-Linda Fairstein 1998-09-01 The real-life work of sex-crimes prosecutor Linda Fairstein brought “riveting authenticity” (Vanity Fair) to her bestselling debut novel, Final Jeopardy. Now Fairstein’s fictional counterpart -- smart and savvy assistant D.A. Alexandra Cooper -- returns in “[a] Grisham-esque page turner” (Time) that puts Alex in the line of fire. New York City’s oldest and largest medical center is the scene of a ghastly attack: top neurosurgeon Gemma Dogen is found in her blood-soaked office, where she has been sexually assaulted, stabbed, and designated by the cops as a “likely to die.” By the time Alex has plunged into the case, it’s a high-profile, media-infested murder investigation with a growing list of suspects from among those who roam the hospital’s labyrinthine halls. As Alex’s passion to find the killer intensifies, she discovers this hospital is not a place of healing but of deadly peril -- and that she is the next target for lethal violence. A high-style thriller that sweeps from Manhattan to London to Martha’s Vineyard, Likely to Die is an exhilarating tale from a justice system insider and provocative novelist.

Altar Call-Hope Lyda 2006 In this fun and clever sequel to "Hip to Be Square," heroine Mari Hamilton discovers how a wedding, even someone else’s, can turn rational women into irrational creatures.

The Gift of the Snowman-Joann Ellen Sisco 2014-06-23 Who would think a snowman would have something to give back? Snows in Oklahoma can sometimes do things one wouldn’t expect, and when a group of girls teamed up on a Christmas project, an unusual Christmas Snow occurred. Just in time. Mr. Okie Snow was born in a day and he lived for almost a week, but during his lifetime he had a wonderful surprise for the girls that made him.

Sometimes the best surprises are those that are unexpected, and who would expect a surprise from a Snowman with green hair and orange lips wearing a glove and a mitten. And standing on two legs instead of a fat belly? And, of course, he would be wearing shoes. .

The Lost Girl By D. H. Lawrence-D. H. Lawrence 2021-11-09 David Herbert Lawrence is definitely an acquired taste, and one that, until I read this novel, I never thought I’d acquire. However, after seeing a terrific performance of The Daughter-in-law (Oberon Modern Plays) at the Lowry Theatre earlier this year, I was intrigued by the gritty physicality of Lawrence's writing, and decided to give this, one of his lesser-known works, a go - and I was glad I did. The novel is fairly straightforward and develops pretty slowly, as the unquenchable loser James Houghton (pronounced 'Huffton') grasps scheme after harebrained scheme in order to become wealthy and give his only daughter, Alvina, and sickly wife, the life he thinks they were born for. By the time of his death, mid-way through the novel, Alvina has taken centre-stage, and we see her striving to break out of the shadow of her feckless father and find love in a world threatened by war.

Jesus, Fads, & the Media-Michael Evans 2006 Explores the various ways Jesus is understood in the media, marketplace and popular culture. Discusses significance of the popularity of the film "The Passion of the Christ" and the television series "Joan of Arcadia." Examines the intersection of secular and sacred in the Western world in music, art, literature and theater. Includes illustrations, informational sidebars, reading suggestions and a glossary. Double Shot Death-Emmeline Duncan 2022-04-26 Sage Caplin is taking her Portland coffee cart on the road to a sustainable music festival, but murder is an unwanted special guest . . . At Campathon, an annual eco-friendly festival held on a farm outside of Portland, fans celebrate the Pacific Northwest’s music scene in quintessential PDX style—with gourmet food carts, reusable utensils . . . and lots of coffee. How else to get through three days of nonstop entertainment? Sage has scored a coveted place for her Ground Rules coffee cart thanks to her new-ish boyfriend, Bax, who’s friendly with Maya, one of the musicians performing. The festivities begin with a stream of customers, friends, and acquaintances stopping by for Ground Rules’ world-class blends, expertly brewed by Sage and her newest barista. But there are tensions between Maya and her former bandmates, who are on the cusp of making it big, and with Ian, the band’s manager. When Sage stumbles upon Ian’s dead body in the nearby woods—his hand still clutching one of her coffee mugs—it’s clear that someone’s grudge boiled over into murder. Can Sage work out who’s responsible before another innocent life fades out, and the curtain falls on Campathon, and maybe her own future, for good? Praise for Fresh Brewed Murder “Lively characters help propel the intricate plot. Cozy fans will hope to see a lot more of Sage and friends.” —Publishers Weekly

The Yada Yada Prayer Group Gets Down-Neta Jackson 2013-12-17 The Yada Yada Prayer Group seems invincible—until tension and distrust shake its very foundation. Jodi Baxter is slowly recuperating from a horrific car accident, but before she’s fully recovered, other problems arise within the Yada Yada Prayer Group—big problems. The turmoil starts when a heroin-addicted woman charges into a prayer meeting with a knife and isn’t afraid to use it. Things really take a turn for the worse when grim accusations are made against Jodi’s husband. Racial division, pain, and pride are tearing this close-knit group of women apart, and Jodi isn’t sure if she and her spiritual sisters will be able to survive the mess. The Yada Yadas are forced to get down to the nitty-gritty in their relationships and in their prayers. But is forgiveness possible—not just of their closest friends . . . but also of their enemies? Twentieth-century Caribbean and Black African Writers-Berth Lindfors 1993 Essays on the post-colonial Anglophone writers from Africa and the Caribbean and their works.

Widow-Martha Miller 2014-11-01 County Judge Bertha Brannon’s life blows up when her partner of twelve years, police sergeant Toni Matulis, the love of her life, is killed during a domestic violence call gone bad. Bertha is still trying to accept what’s happened when she gets the first of several threatening phone calls. This is followed by one dangerous incident after the next, one dead body after the last. The police are no help, so Bertha starts her own investigation and learns that Toni was working on a case that no one wanted her to solve, a case of corruption that goes all the way to the top.

The 2000s Made Me Gay-Grace Perry 2021-06-01 From The Onion and Reductress contributor, this collection of essays is a hilarious nostalgic trip through beloved 2000s media, interweaving cultural criticism and personal narrative to examine how a very straight decade forged a very queer woman "Honest, funny, smart, and illuminating." —Anna Drezen, co-head writer of SNL "If you came of age at the intersection of Mean Girls and The L Word: Read this book." —Sarah Pappalardo, editor in chief and co-founder of Reductress Today’s gay youth have dozens of queer peer heroes, both fictional and real, but former gay teenager Grace Perry did not have that luxury. Instead, she had to search for queerness in the (largely straight) teen cultural phenomena the aughts had to offer: in Lindsay Lohan’s fall from grace, Gossip Girl, Katy Perry’s “I Kissed A Girl,” country-era Taylor Swift, and Seth Cohen jumping on a coffee cart. And, for better or worse, these touch points shaped her adult identity. She came out on the other side like many millennials did: in her words, gay as hell. Throw on your Von Dutch hats and join Grace on a journey back through the pop culture moments of the aughts, before the cataclysmic shift in LGBTQ representation and acceptance—a time not so long ago, which many seem to forget.

Telling Lies-Wendy Hornsby 2014-06-01 After a brutal attack on her sister, Maggie MacGowen searches L.A. for the gunman. When Maggie MacGowen was a girl, her sister Emily lived the life of a leftist radical on the run from the FBI. Twenty-two years after the FBI finally caught her, Emily lives in Los Angeles, a doctor at a free clinic that tends to the city’s down and out. When one of her old radical buddies comes out of hiding and surrenders to the police, their long-ago crimes become front-page news. Emily calls Maggie, now a documentary filmmaker, and asks her to come visit. By the time Maggie arrives in Los Angeles, Emily is nearly dead. The bullet, delivered point-blank in broad daylight, sent Emily into a coma. It seems a random act of violence, but Maggie digs deeper. She finds dark secrets in her sister’s past, and a conspiracy that won’t end until all those who ask questions are silenced. Midnight Baby-Wendy Hornsby 2011-11-29 Maggie investigates the murder of a strange young streetwalker in Los Angeles making a documentary about upscale day cares, Maggie MacGowen visits MacArthur Park to get contrasting footage of the pubescent prostitutes that populate its dark corners. There she meets Pisces, a fourteen-year-old hooker with manners that don’t match her profession. As they bond over a plate of pastrami, Maggie talks her into spending the night in a shelter. But Pisces comes with baggage: a nine-year-old hoodlum named Sly. Maggie takes them both to a convent, where they are fed, bathed, and tucked into bed, just like normal children. The next day, Pisces is dead, her throat slashed by an unknown hand. The Los Angeles Police Department has little time for murdered hookers, so it falls to Maggie to find the killer. The keys to the case are the young girl’s manners, and the fact that she died with her virginity intact.

Cake at Midnight-Jessie L. Star 2018-01-15 In this deliciously sweet foodie romance, a twenty-something pastry chef falls out of sync with her old childhood crush and falls into the arms of the quiet but charming boy next door. Giovanna, Zoë, and Declan have always been a trio—their fierce friendship has seen them through every heartbreak and hardship and helped pave the way to brighter futures. Gio is a passionate baker of cakes, pastries, and all things delicious, Zoë a take-no-prisoners beauty, and Declan an ambitious businessman on the way up. Best friends forever, Gio thinks—until Gio’s lifelong crush on Declan is exposed, leaving her humiliated, and Gio realizes she needs to cut him loose to get over him once and for all. Enter Theo, Gio’s neighbour...she’s never met anyone like him before. He doesn’t talk much, but he’s kind, he’s sexy, he’s generous, and he’s often awake in the middle of the night, like Gio. Theo has a sweet tooth and a mysterious history and Gio can’t seem to stay away. Thanks to the power of sleepless nights and chocolate cake, Gio thinks she’s finally over Declan, but then his whole world turns upside down. Gio knows she can’t desert Declan in his time of need, but how can she explain a lifetime of love to Theo? Letting go of the past isn’t so easy when your heart is breaking.

Blood Like Cherry Ice-M.E. Purfield 2015-08-26 When your best friend is all you have left in the world, murder comes naturally. For psychic Miki Radicci, an average night with her best friend Corey at a New York City club turns for the worst when they run into Ethan Weisz, the neo-Nazi leader of American Strong. A small altercation explodes into a shattering event of violence. Now Corey fights for his life in the ICU and no one believes Weisz is responsible for putting him there. Except for Miki. Her psychic vision confirms it and she will prove them wrong. If she doesn’t kill Weisz first. Don’t miss out on this tense psychic urban fantasy and plunges deep into Manhattan’s homeless culture and the darkest corners of hate.

Goodbye, Earl-Jo-Ann Mapson 2004-01-19 Five challenging years have passed in the lives of the ladies of Bad Girl Creek. Beryl, Nance, Ness, and Phoebe have experienced their share of hardship and heartache, but also much happiness. Beryl now lives with Earl in Alaska, where the fissures in their relationship have started to spread. When Earl disappears one wintry night, some dark and desperate memories surface, forcing Beryl to take inventory and withdraw from her friends while she works things out. Nance, on the heels of a string of devastating miscarriages, has been advised to stop trying for a baby. Phoebe finds herself overwhelmed by her own daughter, Sally, who is five-years-old-going-on-thirty; meanwhile she is being romanced by an enigmatic Southern charmer named Andrew. And Ness tenderly nurses David Snow as he gradually succumbs to AIDS. The farm’s successes have brought profits, but when a nursery opens across the road, the bar is set higher yet again. As Beryl wonders at Earl’s fate, she is isolated by more than geography. Even as her friends in California are wondering what happened to Beryl, Beryl wonders the very same thing. But life rolls on, and in the midst of myriad misfortunes come explosive surprises. The old friends are challenged to reunite once again, to rediscover with fresh eyes the powerful words in Aunt Sadie’s journal: Live life to the fullest. Love as often as you can. Regret nothing. Eat hearty. Laugh often. Plant flowers. And don’t forget to dance.

Comprehension First-Claudia E Cornett 2017-06-30 This book is about designing instruction that makes comprehension the priority in reading and in content area study. The comprehension model described responds to calls from literacy experts and professional organizations for inquiry-based instruction that prepares readers to be active meaning makers who are adept at both critical and creative thinking. Comprehension First introduces a before, during, after Comprehension Problem Solving (CPS) process that helps readers ask key questions so they arrive at a substantial comprehension product-"big ideas" based on the themes and conclusions drawn from literary works and expository texts. The book further describes how to orchestrate research-based best practices to build lessons and units around big ideas and important questions. In this age of multiple literacies, all of us must learn to be more nimble users of Literacy 2.0 communication tools. Mastering problem solving is at the core of this challenge. Comprehension First embraces this challenge by inviting present and future teachers to examine WHY and HOW these tools can be used more purposefully to achieve the pre-eminent literacy goal of deep comprehension.

The Harlem Charade-Natasha Tarpley 2017-01-31 WATCHER. SHADOW. FUGITIVE. Harlem is home to all kinds of kids. Jin sees life passing her by from the window of her family’s bodega. Alex wants to help the needy one shelter at a time, but can’t tell anyone who she really is. Elvin’s living on Harlem’s cold, lonely streets, surviving on his own after his grandfather was mysteriously attacked. When these three strangers join forces to find out what happened to Elvin’s grandfather, their digging leads them to an enigmatic artist whose missing masterpieces are worth a fortune-one that might save the neighborhood from development by an ambitious politician who wants to turn it into Harlem World, a ludicrous historic theme park. But if they don’t find the paintings soon, nothing in their beloved neighborhood will ever be the same. . . . In this remarkable tale of daring and danger, debut novelist Natasha Tarpley explores the way a community defines itself, the power of art to show truth, and what it really means to be home. Praise for The Harlem Charade: * "A story that motivates justice and inspires kindness..." -- Kirkus Reviews, starred review "The Harlem Charade links a multifaceted cast of characters with some of Harlem’s thorniest issues, and offers dreams, hope, and plenty of action in the process. Few novels take on the real-life neighborhood issues of gentrification, big money, and the destructive loss of old ways. This book does, and in the process shines a light on the magical and complex history of Harlem and its many brilliant art forms. Tarpley shares Harlem’s past and present glory with grace and respect, and in the process offers inspiration to all who would love to see its unique beauty survive." -- Blue Balliett, New York Times bestselling author of Chasing Vermeer Praise for I Love My Hair!: "A very special book about self-acceptance." -- School Library Journal "[A] celebration of African American identity." -- Booklist

Make Trouble-Cecile Richards 2018-04-03 From Cecile Richards, the former president of Planned Parenthood for more than a decade, daughter of the late Ann Richards, featured speaker at the Women’s March on Washington, and “the heroine of the resistance” (Vogue), comes “an enthralling memoir” (Booklist, starred review) filled with “practical advice and inspiration for aspiring leaders everywhere” (Hillary Rodham Clinton). Cecile Richards has been an activist since she was taken to the principal’s office in seventh grade for wearing an armband in protest of the Vietnam War. Richards had an extraordinary childhood in ultra-conservative Texas, where her civil rights attorney father and activist mother taught their kids to be troublemakers. She had a front-row seat to observe the rise of women in American politics and watched her mother, Ann, transform from a housewife to an electrifying force in the Democratic party. As a young woman, Richards worked as a labor organizer alongside women earning minimum wage, and learned that those in power don’t give it up without a fight. She experienced first-hand the misogyny, sexism, fake news, and the ever-looming threat of violence that constantly confront women who challenge authority. Now, after years of advocacy, resistance, and progressive leadership, she shares her “truly inspiring” (Redbook) story for the first time—from the joy and heartbreak of activism to the challenges of raising kids, having a life, and making change, all the while garnering a reputation as “the most badass feminist EVER” (Teen Vogue). In the “powerful and infinitely readable” (Gloria Steinem) Make Trouble, Richards reflects on the people and lessons that have gotten her through good times and bad, and encourages the rest of us to take risks, make mistakes, and make trouble along the way.
