The Collie - A Complete Anthology of the Dog --Various Authors 2013-04-16 The Collie - A Complete Anthology of the Dog gathers together all the best early writing on the breed from our library of scarce, out-of-print antiquarian books and documents and reprints it in a quality, modern edition. This anthology includes chapters taken from a comprehensive range of books, many of them now rare and much sought-after works, all of them written by renowned breed experts of their day. These books are treasure troves of information about the breed - The physical points, temperaments, and special abilities are given; celebrated dogs are discussed and pictured; and the history of the breed and pedigrees of famous champions are also provided. The contents were well illustrated with numerous photographs of leading and famous dogs of that era and these are all reproduced to the highest quality. Books used include: The Dogs Of The British Islands by Rawdon B. Lee (1899), The Practical Dog Book by Edward C. Ash (1930), Dogs Of The World by Arthur Craven (1931) and many others.

The Collie: A Complete and Comprehensive Owners Guide To: Buying, Owning, Health, Grooming, Training, Obedience, Understanding and-Michael Stonewood 2019-03-28 The Collie is a breed of dog that originates from Scotland, primarily from the Highland regions. The breed's name has two potential points of origin. Some historians believe that the name 'Collie' is based upon the Anglo-Saxon word 'coll' which means black. Other historians believe that the breeds name is based upon the Scottish black-faced sheep named 'Colley, ' as the Collie was used to guard these sheep on a regular basis. However most historians agree that the Collie is probably descended from breeds of dog introduced to the United Kingdom by Roman conquerors almost two thousand years ago! Traditionally the Collie was predominately black coated and was much closer in size and shape to today's Border Collie. The breed traditionally had no standardized appearance due to it being bred for intelligence, herding and working ability rather than looks. The breed was widely employed as a herding dog and was known to herd, and guard, cattle, pigs, sheep and goats on a regular basis. In the 1860's Queen Victoria of England fell in love with the good natured temperament and appearance of the Collie and introduced them into English culture, where the breed was known as the 'Scottish Sheep-Dog.' The Collie comes in two potential coat variants: rough and smooth. The rough coated variant has a long, abundant and straight outer coat that is rough to the touch and a soft, thick and furry undercoat. The smooth coat variant has a shorter, dense and flat outercoat and a thick undercoat. The breed's coat comes in four colors: tricolor (black with white and tan markings), white, blue merle (silvery blue and black) and sable (which is commonly known as the 'Lassie' coat coloration). As a whole the breed is known to be incredibly good natured, affectionate and gentle. The Collie thrives in a household environment and enjoys spending time with its family unit. The Collie is also incredibly good around children as they are both protective and playful. The Collie is highly intelligent and is known to be willing to risk its own wellbeing to protect members of its family. Before purchasing any pet it is important to understand that as a pet owner you are responsible for the care and wellbeing of your pet. It is important to try and learn as much as you can about the animal you are considering to keep as a pet to make sure that your lifestyle, household and financial status are suited to provide your pet with the best possible care. This guide has been designed to provide you with both precise and concise information about a Collie's basic needs to help you provide your pet with the best quality care practices. This guide will give an in-depth explanation on training your Collie, raising your Collie from a puppy, grooming, health care and everything in between! "The Collie: A Complete and Comprehensive Owners Guide to: Buying, Owning, Health, Grooming, Training, Obedience, Understanding and Caring for Your Collie," by Michael Stonewood is the perfect purchase or gift for a first time Collie owner. This guide includes sections on caring for a puppy, breeding, health care, training, the basic cost of owning a Collie and much more. This book is the second edition - the first edition was

published by 'Dog Care Professionals.'

The Collie-O. P. Bennett 2013-04-16 THE COLLIE By DR. O. P. Bennett And C.H. Wheeler. A VINTAGE DOG BOOKS CLASSIC REPRINT Originally published in Washington 1924, and republished in a revised and up-dated edition in the same year, this extremely scarce early work on the Collie is both expensive and hard to find in any edition. VINTAGE DOG BOOKS have republished the revised edition, using the original text and photographs, as part of their CLASSIC BREED BOOKS series. The authors were highly respected figures in the dog world with Dr. Bennett being President of the Collie Club of America, and C.H. Wheeler being an expert on the history and origins of the Collie in the United Kingdom. Both men realised the great need for a modern volume on the Collie. This resulted in a work giving a fuller and more complete history of the breed than was hitherto available. They also took up the question of breeding in a more thorough manner than any other work of its kind in existence. The book's three hundred and fifty six pages consist of ten comprehensive chapters, illustrated with rare vintage photographs of Collie Champions for the period beginning circa 1874 through to 1923. Over two thirds of the work is devoted to detailed records of individual Collies. Although published in the U.S.A., the content is evenly divided between British Collies and their history, and their American cousins. Chapters include: - Origin - History - Blue Merles - American Collies - The Typical Collie - Breeding - Foods and Feeding - Kennelling - Exhibiting - Common Ailments. This is a fascinating read for any Collie enthusiast or historian of the breed, and also contains much information that is still useful and practical today. Many of the earliest dog breed books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. VINTAGE DOG BOOKS are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Unleashed: Case of the Collie Flour-Erik Schubach 2017-11-18 Finnegan May has always had a carefree life in New York. The Romance of the Collie-Karen D. Pfeiffer 2010-04-05 The Romance of the Collie: True Tales of an Amazing Breed is an in-depth look into the true personality of the collie. Inside these covers, one will read about famous collies, such as Lassie, the most famous canine in the world, and Reveille, the mascot of Texas A&M. There are stories about collie heroes, the history of collies in military service, collie collectibles, and Albert Payson Terhune's famous Sunnybank collies. One will also meet Bobbie and Shep, two collies whose love for their masters showed the world what the heart of a collie is all about.

The Collie Or Sheepdog in Show and Work - Its History & Origins-Tony Read 2007-08 An anthology of early history and anecdotes of the Collie or Sheep-Dog in all its varieties dating from the mid 1800s to the early 1900s. This fascinating book consists of 152 pages and is well illustrated with black and white illustrations. Much of the content has been extracted from early and rare writings on the Collie by well known breeders and

developers of the breed. The contents include The Scotch Colley by Idstone - The Collie, Rough and Smooth by H. Compton - Standard of Points of the Rough and Smooth Collie - The Collies by Panmure Gordon and Others - The Old English Bobtailed Sheepdog - The Collie by G. Stables - The Blue Merle Collie by W. Baskerville - Sheep-Dogs by E. C. Ash - Shetland Sheepdogs by W. Baskerville - Sheepdog Trials by Rawdon Lee. This is a fascinating read for any Collie enthusiast or historian of its various varieties, but also contains much information that is still useful and practical today.

The Collie as a Show Dog, Companion and Worker-Hugh Dalziel 1904

All about the Collie-Ada L. Bishop 1980

A History and Description of the Collie Or Sheepdog-Rawdon Lee 2016-05-23 This special re-print edition of the First Edition of Rawdon Lee's book "A History and Description of the Collie or Sheepdog and its British Varieties" has not been available to fans of this breed since it first appeared on the scene back in 1890. This famous work on this breed offers a unique look at the early history of the Collie and how they were handled in his day. The devotees of these breeds praise their liveliness, courage, intelligence, loyalty and their appearance. The demand for this rare book by this famous breeder has brought forth the much needed reprint of this famous classic work on Collie. "A History and Description of the Collie or Sheepdog and its British Varieties" will shed considerable light on these wonderful dog breeds. Note: This public domain edition is a perfect facsimile of the original edition and is not set in a modern typeface. As a result, some type characters and images might suffer from slight imperfections or minor shadows in the page background. This edition is reprinted in accordance to Federal Law.

You be the Judge - the Collie-Robert W. Cole 2002

A History and Description of the Collie Or Sheep Dog-Rawdon Lee 2017-11-21 Excerpt from A History and Description of the Collie or Sheep Dog: In His British Varieties Much has been written about the sheep dog or collie, and no doubt abundance of information thereon is ready to follow. In the following pages an endeavour has been made to trace his progress from the fold and mountain to the drawing room and the parlour, not omitting to specially mention all the varied duties he is now called upon and expected to fulfil. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. The Collie-Anna Katherine Nicholas 1986 Anna Katherine Nicholas presents pertinent information on acquiring caring for, keeping, breeding, and showing Collies. Interesting kennel stories introduce the reader to well-known Collie breeders and owners of famous Collies in the United States and other countries.

A History and Description of the Collie Or Sheep Dog in His British Varieties - Primary Source Edition-Rawdon Briggs Lee 2014-02-24 This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works

worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

The Collie's Story-Finlay Bennett illustrated 2015-10-24 Finlay liked to write stories - stories full of adventure and always with an alien or two. Find out what happens when his teacher asked him to write the story of 'The Collie Dog'. You'll never guess what happens....

A History and Description of the Collie Or Sheep Dog in His British Varieties-Rawdon Lee 2017-07-26 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

A History and Description of the Collie, Or Sheep Dog, in His British Varieties (1890)-Rawdon Lee 2014-08-07 This Is A New Release Of The Original 1890 Edition.

The Collie-Margaret Osborne 1975-01-01

The Collie: Its Show Points-Thomas Baker 189?

This is the Collie-Esther McCloskey 1963

Chaser-John W. Pilley 2014-11-03 Chaser has a way with words. She knows over a thousand of them—more than any other animal of any species except humans. In addition to common nouns like house, ball, and tree, she has memorized the names of more than one thousand toys and can retrieve any of them on command. Based on that learning, she and her owner and trainer, retired psychologist John Pilley, have moved on to further impressive feats, demonstrating her ability to understand sentences with multiple elements of grammar and to learn new behaviors by imitation. John's ingenuity and tenacity as a researcher are as impressive as Chaser's accomplishments. His groundbreaking approach has opened the door to a new understanding of animal intelligence, one that requires us to reconsider what actually goes on in a dog's mind. Chaser's achievements reveal her use of deductive reasoning and complex problem-solving skills to address novel challenges. Yet astonishingly, Chaser isn't unique. John's training methods can be adopted by any dog lover. Through the poignant story of how he trained Chaser, raised her as a member of the Pilley family, and proved her abilities to the scientific community, he reveals the positive impact of incorporating learning into play and more effectively channeling a dog's natural drives. John's work with Chaser offers a fresh perspective on what's possible in the relationship between a dog and a human. His story points us toward a new way of relating to our canine companions that takes into account our evolving understanding of the way animals and humans learn.

Tails of the Collie Lama-Blythe Spirit Publishing 2007 A wise border collie gives advice and insights to the many dogs that come from all over seeking his wisdom. It encourages us to think for ourselves and be true to ourselves.

Our Friend the Collie-Rowland Johns 1936

A History and Description of the Collie Or Sheep Dog in His British Varieties-Rawdon Briggs Lee 2017-08-20

The Collie of Castle Hill-Christine R. Carter 2002-10-01 On Christmas Eve 1954, Carl's wish comes true when his father brings the collie pup, Lucky, home to Castle Hill Farm. "The Collie of Castle Hill" is the story of Carl and Lucky's adventures, the loving bond between a boy and his dog, and the event that led to Carl Maier's life-long commitment to bringing dogs and people together for companionship and comfort. The text and illustrations are based on events that took place in the mid-fifties, as told to author/illustrator C. R. Carter by Carl Maier. Due to the fact that the only witness to the fishing incident has long since passed away, the story is presented as a work of fiction.

History and Description of the Collie Or Sheep Dog in His British Varieties- 1890
