The Insider's Guide to Complete Asset Protection-Brett K. Kates 1994

The Aba Consumer Guide to Asset Protection-Jeffrey Matsen 2015-02-16 The proliferation of lawsuits throughout society exposes business owners, physicians, and other professionals to enormous risk if they don t adequately protect their personal and business assets. In The ABA Consumer Guide to Asset Protection, leading asset protection attorney Jeffrey Matsen provides a step-by-step guide to creating a "shield of liability" around personal and business assets through a combination of business and investment entity selections; estate planning techniques; and the creation of appropriate trusts. Matsen s multi-tiered approach is designed to help virtually everyone who has significant assets and to provide a plan appropriate to their particular circumstances. Readers will gain the knowledge to choose the right advisor and actively participate in the creation and management of their own asset protection plan."

Asset Protection-Jay Adkisson 2004-07-02 Strategies that are effective and legal for putting one's assets safely out of reach In today's increasingly litigious world, the shielding of assets has become a prominent issue for financial planners, business owners, and high-net-worth individuals. Asset Protection details methods that are both legally and morally legitimate for protecting one's assets from creditors, lawsuits, and scams. Bringing economic common sense and legitimacy to an area that is drowning in gimmickry, two of today's top lawyers examine the fundamental issues in this growing area, avoiding dense legalese to make the book accessible to anyone. Asset Protection covers everything readers want to know about: Establishing an effective asset protection program Today's most popular, established strategies Newer strategies that are still being resolved by the courts

Complete Guide to Asset Protection Strategies-Mark Warda 2011-05-01 This book provides a chapter covering each of 35 different methods for protecting one's assets, how to set up an asset protection plan, and what to do if disaster strikes. It explains how each asset protection device works, how the protections are different in each state, and why some are better, or stronger than others. It suggests different plans for protecting assets, from the least expensive to the more complicated.

The Insider's Guide to Complete Asset Protection-Brett K. Kates 1991-08-01

Asset Protection Planning Guide, Cch Tax Spotlight Series-Barry S. Engel 2013-01-06 Featuring the insights and strategies of leading asset protection strategist, Barry S. Engel, the Asset Protection Planning Guide helps advisors master the multitude of asset protection planning vehicles available, understand the strengths and weaknesses of those vehicles, and achieve the goals of clients. The ideal reference for estate planning attorneys, trust officers, tax practitioners, financial planners, and other wealth planners, the Guide covers every aspect of asset protection planning -- describing the various asset protection plans, when to use them, why specific strategies are used, and which countries to go to for protection. It describes the complex mix of tools and techniques available to the planner in designing successful, solid plans -- offering a wealth of practical advice, helpful "how-to's" and practice tools, sample documentation language, and a sample trust. This new edition reflects the most recent developments in asset protection planning. This practical resource covers every aspect of this complex area, giving users the security of knowing they'll be well informed as they help clients safeguard their assets. Topics covered include: - What Is Asset Protection Planning? - Asset Protection Planning and Fraudulent Transfer Law - Gifting as a Planning Tool - Joint or Concurrent Ownership as a Planning Tool - Exemptions as a Planning Tool - Foreign Annuities and Foreign Insurance Products - Family Limited Partnerships as a Planning Tool - Insurance as a Planning Tool - Domestic Trusts as a Planning Tool - Alternative Tools Under Other Legal Systems - Foreign Asset Protection Trusts as a Planning Tool - Expatriation as an Asset Protection Tool - Protection of Retirement Benefits - Ethical, Civil, and Criminal Considerations for the Asset Protection Planner The Guide includes nu

Loss Prevention and the Small Business-J. Robert Wyman 1999-07-20 A reference for security professionals who work in or advise small businesses. It addresses the reality of shoplifting, fraud and embezzlement, showing how each incremental loss eats away at profit and success, and discusses how to develop and maintain a loss prevention strategy.

The Complete Asset Protection Guide-Arnold S. Goldstein 1990

The Asset Protection Handbook-Lee Hadnum 2014-01-14 Lee Hadnum FCA CTA, author of "The Worlds Best Tax Havens" and other bestselling offshore guides looks at how you can protect and safeguard your assets. Given the growth in the litigation culture, there's been a rush by many professionals that work in areas with a high risk of litigation to protect their assets. The worry is that they could potentially be sued and lose a significant chunk of their wealth that they have accumulated over the years. The perceived risk of such litigation has grown due to the number of seemingly frivolous claims that have been made against wealthy professionals. The current view is that if your assets are obvious and easily reachable, you are pretty much a sitting duck. It's not just professionals though who are interested in protecting what's theirs. Essentially if you look as though you have deep pockets there is a risk. In our new Asset Protection book we look at a whole range of Asset Protection scenarios where you can ringfence and safeguard your assets. After reading this guide you'll know what you can and can't do to protect you and your family assets. Contents include: Asset Protection in General We look at the main strategies that everyone can use to protect their wealth. Asset Protection in a Recession The depressed economy raises a number of complex issues for anyone looking at asset protection strategies. We look at specific strategies that can be used. Different Types of Entities Using onshore and offshore entities can be very attractive for an asset protection strategy. We look at the key entities and how and when they can be used (including Ltd company's, LLC's, LLP's, IBC's, Protected Cell Company's, Foundations and Trusts). Using a Trust to Protect Assets Trusts have specific benefits for asset protection and are still the bulwark of many asset protection strategies. Using a Company to Protect Assets Companies are often used in conjunction with trusts, as aside from tax planning advantages there are various practical benefits.We look at how these can be used. Protecting Assets on Divorce We look at the latest strategies for protecting assets on divorce including a look at how the courts approach a matrimonial separation. Trusts, pre and post nuptial settlements and forum shopping are also considered. Safeguarding your Will Ensuring that your assets are left to who you want is important. We look at how this can be achieved. Care Home Fees Planning We look at how to ensure your assets aren't used to fund care home fees. Using Offshore Bank Accounts Offshore bank accounts can still be useful providing they are used for the right purposes.

The Insider's Guide to Complete Asset Protection-Brett K. Kates 1994-12-01

Covering Your ASSETS-Leonard Critcher 2014-02-26 COVERING YOUR ASSets is not a guide on how to accumulate assets. It is written specifically for people who have already accumulated assets, or are on their way to doing so, and wish to preserve and protect those assets. It is written in a unique format that will allow you to isolate your specific life situation and read only material applicable to you. You will learn about what the Wealth Planning process should actually entail, the Thirteen Wealth Management Issues (twelve of which that are ignored by many Financial Planners), the synergy that should come from the integration of these oft-ignored issues, and how to properly build a Wealth Planning Team. Twenty-seven complex strategies and techniques are explained in simple terms and presented in such a way that they can be easily understood by any layman. COVERING YOUR ASSets is an informative, enjoyable and easy to read guide for anyone wishing to Preserve and Protect what they have accumulated.

In Trust Forever-Aurorah Dey 2014-12-02 IN TRUST FOREVER A Single Parents Guide to Family and Asset Protection is the first book series to address the real life issues of a single parent and offer on time doable solutions. Author Aurorah Dey is a single parent, successful serial entrepreneur, legal professional, and business mentor who is fully aware of how imperative it is to be equipped with the knowledge to not only raise and care for a family but to protect a family. She now taps this experience in the first of a planned series of books, which highlights the dos, and don'ts of family and asset protection. The book is entitled ?IN TRUST FOREVER A Single Parents Guide to Family and Asset Protection? and is available now. Aurorah drew from the disaster that struck her life in 2009 where she found out that she had been totally misinformed about the protections that she was legally advised to put in place for herself, her business and her children. Forced into bankruptcy and challenged by the ongoing needs of two small children, Aurorah was determined to start over and more than ever, start over on top. She needed to protect her remaining assets, eliminate or save on taxes, eliminate attorney fees, provide the needs of her children, avoid liability lawsuits and without question, she needed something that would afford her complete control over her valuables without public notice.
