 This volume contains the 53 stories of Father Brown, the beloved character created by English novelist G. K. Chesterton, who stars in 51 detective short stories (and two framing vignettes). Chesterton based the character on Father John O'Connor (1870-1952), a parish priest in Bradford who was involved in Chesterton's conversion to Catholicism in 1922. Father Brown is a short, stumpy Roman Catholic Church priest, "formerly of Cobhole in Essex, and now working in London", with shapeless clothes and a large umbrella, and an uncanny insight into human evil. Unlike the more famous fictional detective Sherlock Holmes, Father Brown's methods tend to be intuitive rather than deductive. This volume contains ALL OF FATHER BROWN STORIES, included the three stories left

out of most collections: "The Donnington Affair" "The Vampire of the Village" "The Mask of Midas" . The following is the list of Father Brown stories included in this volume: 1. The Innocence of Father Brown, 1911 "The Blue Cross", The Story-Teller, September 1910; first published as "Valentin Follows a Curious Trail", The Saturday Evening Post, 23 July 1910 "The Secret Garden", The Story-Teller, October 1910. "The Honour of Israel Gow" (as "The Strange Justice", The Saturday Evening Post, 25 March 1911. "The Wrong Shape", The Saturday Evening Post, 10 December 1910. "The Sins of Prince Saradine", The Saturday Evening Post, 22 April 1911. "The Hammer of God" (as "The Bolt from the Blue", The Saturday Evening Post, 5 November 1910. 2018-06-23 G. K. Chesterton The little village of Bohun Beacon was perched on a hill so steep that the tall spire of its church seemed only like the peak of a small mountain. At the foot of the church stood a smithy, generally red with fires and always littered with hammers and scraps of iron; opposite to this, over a rude cross of cobbled paths, was "The Blue Boar," the only inn of the place. It was upon this crossway, in the lifting of a leaden and silver daybreak, that two brothers met in the street and spoke; though one was beginning the day and the other finishing it. The Rev. and Hon. Wilfred Bohun was very devout,

and was making his way to some austere exercises of prayer or contemplation at dawn. Colonel the Hon. Norman Bohun, his elder brother, was by no means devout, and was sitting in evening dress on the bench outside "The Blue Boar," drinking what the philosophic observer was free to regard either as his last glass on Tuesday or his first on Wednesday. The colonel was not particular.

2007-07-26 G K Chesterton Immortalized in these famous stories, G. K. Chesterton's endearing amateur sleuth has entertained countless generations of readers. For, as his admirers know, Father Brown's cherubic face and unworldly simplicity, his glasses and his huge umbrella, disguise a quite uncanny understanding of the criminal mind at work. This edition includes seven tales from a number of G. K. Chesterton's 'Father Brown' books.

2022-09-04 G. K. Chesterton G. K. Chesterton's The Complete Father Brown Stories Father Brown originally appeared in 1911 in The Innocence of Father Brown, one of the most oddly pleasant and charming characters to emerge from English detective fiction. G.K. Chesterton's genial priest was thrust into the forefront of quirky sleuths with that first collection of stories. This complete collection comprises all of the favourite Father Brown stories, demonstrating a calm wit and compassion that has endeared him to many, while solving his problems in a

very convincing manner using a combination of imagination and compassionate worldliness.

2013 G. K. Chesterton Gilbert Keith Chesterton was an English writer who lived at the turn of the 20th century. His works explored a number of subjects such as philosophy, poetry, journalism, lectures, criticism, and theatrical plays. However, his best-known stories feature the character of an English priest and detective named Father Brown. While the character was based on a real priest who was involved in Chesterton's own conversion of faith, the adventures and mysteries that Father Brown solves are purely fictional. Included in the collection "Father Brown: The Essential Tales" are "The Blue Cross," "The Invisible Man," "The Strange Crime of John Boulnois," and twelve other thrilling stories. What is interesting about Father Brown is that he does not rely on deductive reasoning like other famous detectives, namely Sherlock Holmes. Instead, Father Brown relies on intuition. He puts himself into the mind of the perpetrator and figures out the criminal's steps along the way. Part of what makes him a great detective is that Father Brown is never shocked by the atrocities that he sees. As a priest, he says that he has already heard about all the awful things people do and think; nothing surprises him anymore. He also refuses to believe in any supernatural explanations and instead focuses on a case's reasonable explanation. Anyone

wanting a fun and entertaining read with a great character to lead the way should add "Father Brown: The Essential Tales" to their reading list.

Between the silver ribbon of morning and the green glittering ribbon of sea, the boattouched Harwich and let loose a swarm of folk like flies, among whom the man we must follow was by no means conspicuous -- nor wished to be. There was nothing notable about him, except a slight contrast between the holiday gaiety of his clothes and the official gravity of his face. His clothes included a slight, pale grey jacket, a white waistcoat, and a silver straw hat with a grey-blue ribbon. His lean face was dark by contrast, and ended in a curt black beard that looked Spanish and suggested an Elizabethan ruff. He was smoking a cigarette with the seriousness of an idler. There was nothing about him to indicate the fact that the grey jacket covered a loaded revolver, that the white waistcoat covered a police card, or that the straw hat covered one of the most powerful intellects in Europe. For this was Valentin himself, the head of the Paris police and the most famous investigator of the world; and he was coming from Brussels to London to make the greatest arrest of the century.

GK Chesterton's quiet and unassuming little priest has long since joined the pantheon of great literary detectives. Combining the shrewdness of Miss Marple, the insight of Sherlock Holmes and the intuitive knowledge of the dark side of human nature gained in the confessional, Father Brown is well equipped to uncover the startling truth whenever mystery & murder stalk society.

2012-11-26 G. K. Chesterton Father Brown took a small book out of his pocket and began to read steadily; he betrayed no consciousness of the fact that the red-haired lady had left her own table and sat down opposite him. At last she leaned over and said in a low, strong voice: "Why do you say that? How do you know it's false?" He lifted his rather heavy eyelids, which fluttered in considerable embarrassment. Then his dubious eye roamed again to the white lettering on the glass front of the public-house. The young woman's eyes followed his, and rested there also, but in pure puzzlement. "No," said Father Brown, answering her thoughts. "It doesn't say 'Sela', like the thing in the Psalms; I read it like that myself when I was wool-gathering just now; it says 'Ales.'"

2016-07-03 G. K. Chesterton "The most beautiful crime I ever committed," Flambeau would say in his highly moral old age, "was also, by a singular coincidence, my last. It was committed at Christmas. As an artist I had always attempted to provide crimes suitable to the special season or landscapes in which I found myself, choosing this or that terrace or garden for a catastrophe, as if for a statuary group.

2022-01-11 G. K. Chesterton G. K. Chesterton's celebrity priest-detective returns in The Incredulity of Father Brown (1926), the third of five collections of short stories featuring Father Brown. The book begins with reports of Father Brown's death in "The Resurrection of Father Brown" and includes the popular tales "The Curse of the Golden Cross," "The Doom of the Darnaways," and "The Ghost of Gideon Wise." Father Brown employs his legendary intuition to solve a raft of perplexing crimes and mysteries with his characteristic self-deprecating charm. Chesterton's wildly popular Father Brown stories—which he continued to write until his death in 1936—are among the most beloved of the detective fiction genre. This Warbler Classics edition includes an extensive biographical timeline.

2012-04-05 G K Chesterton The complete adventures of the well-loved clerical sleuth, collected in one brilliant volume. Shabby and lumbering, with a face like a Norfolk dumpling, Father Brown makes for an improbable super-sleuth. But his innocence is the secret of his success: refusing the scientific method of detection, he adopts instead an approach of simple sympathy, interpreting each crime as a work of art, and each criminal as a man no worse than himself. This complete edition brings together all of the Father Brown stories, including two not previously available in Penguin: 'The Donnington Affair', in which Chesterton

rises to the challenge of solving a murder-mystery half written by someone else (Max Pemberton), and 'The Mask of Midas', which was found in Chesterton's papers after his death. It also includes an introduction and notes by Michael D. Hurley. G.K. Chesterton was born in 1874. He attended the Slade School of Art, where he appears to have suffered a nervous breakdown, before turning his hand to journalism. A prolific writer throughout his life, his best-known books include *The Napoleon of Notting Hill*

(1904), *The Man Who Knew Too Much* (1922), *The Man Who Was Thursday* (1908) and the Father Brown stories. Chesterton converted to Roman Catholicism in 1922 and died in 1938. Michael D. Hurley is a Lecturer in English at the University of Cambridge, and a Fellow of St Catharine's College. He has written widely on English literature from the nineteenth century to the present day, with an emphasis on poetry and poetics. His book on G. K. Chesterton was published in 2011.

2000-11-06 G. K. Chesterton In this fifth and final set of Father Brown mysteries G K Chesterton's short, shabby priest continues, in his humorous, effortless but powerfully effective way to solve a wide range of high crimes and misdemeanours.

1993-03-30 G. K. Chesterton Beloved clerical sleuth in roster of remarkable cases: "The Blue Cross," "The Sins of Prince Saradine," "The Sign of the Broken Sword," "The Man in the Passage," "The Perishing of the Pendragons," more.
