2016-10-05 Alan Edwards This book is the perfect companion for all cat lovers, providing expert advice on choosing and caring for a cat, together with a complete guide to the cat breeds of the world. There is helpful information on feeding, nutrition, grooming, training, health care, breeding and showing. A comprehensive visual encyclopedia covers popular breeds such as Persian, Shorthair, Burmese and Siamese, as well as rarer breeds such as Maine Coon Cat, Ocicat and Ragdoll. Each breed's characteristics are described, such as size, temperament and grooming needs. Over 700 images accompany the expert text, making this a beautiful and informative volume for every cat owner.

2004 Graham Meadows This practical guide to acquiring and keeping a feline offers everything you need to know in a handy pocket format. It covers subjects as diverse as how to introduce a cat into your home, understanding cat behaviour, feline nutrition and caring for older animals. A directory section covers 20 popular cat breeds.

2016-07-14 Angela Herlihy Everything children aged 7-plus need to know to care for, and build a special relationship with, their cat. Everything children aged 7-plus need to know to care for, and build a special relationship with, their cat. Even though cats are independent creatures, they still need a certain level of everyday care, attention, and understanding. This practical guide, complete with informative illustrations, helps children to care for and get to know their cat. In Chapter 1, Preparing For Your Cat, there is essential information on getting ready for a cat's arrival, such as what equipment to buy and how to make your home safe. Chapter 2, Getting to Know Your Cat, reveals what to expect in the first few days. Learn how to handle a cat, help her socialize, and, most importantly, understand her—cats are fascinating creatures and you can glean a great deal from their behavior and body language. Good everyday care is essential to a cat's health and wellbeing, and so in Chapter 3, Everyday Care, there is useful advice on feeding your cat, teaching her to use a cat flap, and spotting the signs that she may be unwell. Chapter 4, Your Cat as Playmate is all about having fun with your feline friend. There are great ideas for games to play, such as Find the Food, and simple toys you can make yourself.

2003 Jim M. Evans

2001 Steve Duno Presents a comprehensive guide to proper cat care and includes full-color illustrated photographs and information on feeding habits and grooming, breeding and training, and interesting facts and folklore about felines.

2019-04-25 Pippa Mattinson Whether you are thinking of getting a kitten, already have a cat, or are considering adopting a rescue moggy, this is the book for you! The chapters cover: breeds and types, advice on rescuing versus buying, feeding, training, sleeping and play,

keeping your cat healthy, grooming, the pros and cons of indoors and outdoors cats, caring for senior cats, dealing with destructive behaviour and aggression, how to integrate a second cat and troubleshooting tips for all-round happiness. With adorable photos throughout, this wonderfully informative book deserves a place in every cat owner's home.

1999-09 James Richards An illustrated guide to cats that provides detailed profiles of fifty breeds and information on choosing the right cat, preparing to bring a new cat home, keeping a cat healthy, litter box training, feeding and grooming, and other related topics.

1986 Eric Allan

2017-10-31 Jackson Galaxy This comprehensive cat care guide from the star of the hit Animal Planet show "My Cat from Hell," Jackson Galaxy, shows us how to eliminate feline behavioral problems by understanding cats' instinctive behavior. Cat Mojo is the confidence that cats exhibit when they are at ease in their environment and in touch with their natural instincts—to hunt, catch, kill, eat, groom, and sleep. Problems such as litter box avoidance and aggression arise when cats lack this confidence. Jackson Galaxy's number one piece of advice to his clients is to help their cats harness their mojo. This book is his most comprehensive guide yet to cat behavior and basic cat care, rooted in understanding cats better. From getting kittens off to the right start socially, to taking care of cats in their senior years, and everything in between, this book addresses the head-to-toe physical and emotional needs of cats—whether related to grooming, nutrition, play, or stress-free trips to the vet.

2021-01-07 Alan Edwards This comprehensive illustrated book brings together veterinary-approved advice on cat care and a directory of the world's best-known cat breeds.

2013 David Alderton Provides useful information and advice on owning a cat as a pet, from how to choose a cat, to feeding and healthcare.

With hundreds of full-color pictures and a wealth of researched advice, Cat: The Complete Guide is a must-have

for every cat-lover. -- Provides owners with a thorough understanding of basic cat anatomy, physiology, and psychology, and takes an in-depth look into the mysterious world of cats -- Includes a comprehensive guide to cat breeds that will help prospective cat owners select pets whose breed (or breed mixes) best fits their own personality, or that of their family -- Follows the growth of your cat from birth to old age, covering a wide variety of topics from veterinary emergencies to health maintenance and more

2021-11-23 Laura Cassidy Certified cat behavior consultant Laura Cassidy used her extensive experience working at the Maryland SPCA to help her write the definitive guide book for anyone who has recently adopted (or is considering adopting) a new cat. Using input and interviews from over 40 shelter and rescue organization experts, this book covers every topic and question a new cat owner will need to know to successfully integrate their new cat into their home and life. Topics covered include: Choosing the correct cat for your home and lifestyle What to do if you've found a stray cat or kittens Becoming a cat foster parent Bringing your new cat home: supplies, safe spaces, and introductions Cat nutrition Grooming and shedding Cat health care Troubleshooting problems Litter Boxes Issues Destructive Scratching Biting and Aggression Fear and Anxiety Nuisance Behaviors (Counter Surfing, Excessive Meowing, and More) Carrier Training Giving Medication Playtime and enrichment Senior Cat care So you've decided to adopt a cat. Easy, right? You just go to the closest shelter, pick out the cute, fluffy orange one, and live happily ever after. Although this is exactly what goes through the minds of many would-be cat adopters, picking out your new best friend can be a little more complicated. I mean, if you get a kitten, you're looking at a 15-20 year commitment. I once had one of my cats live to be 27! And what happens if they don't like your other pets? Or your kids? Even worse, what if they stop using their litter box? And how often do cats even need to go to the vet, anyway? Even for impulsive people like myself, you have to at least put a little bit of thought into it. That's where this book comes in. It's a comprehensive guide to all things cat adoption. If you don't know where to start, this is a good place. If you've just brought your new kitty home and have questions, we'll cover that too. Even if you've already had a cat for a while, you're guaranteed to learn something new. So grab your catnip and feather wand, and let's get started!

1999 Paddy Cutts A comprehensive manual for all cat owners, from choosing a cat to grooming, feeding and breeding.

2014-04 Rosemary Kendall Written by an expert breeder and owner herself, Rosemary Kendall, writes in a fun and entertaining way about Persian cats while packing the book full of useful hints and tips about these cute and adorable long-haired cats. In addition, many top breed experts make contributions, including two special bonus chapters written by breeders who show their Persians. Persian Cats - The Complete Owners Guide is a must-have book for any responsible owner of a Persian kitten or adult cat. Just some of the subjects covered include: origins and history of the Persian cat, different types and colors, buying a cat or kitten, male or female, pros and cons, rescue, adoption, breeders, catteries, personality, socialization, spaying, neutering, litter training, bringing your kitten home, grooming, combing, bathing, cat shows, health, vaccinations, training, understanding your Persian, play and toys, what food and nutrition, Polycystic Kidney Disease (PKD), old age and what to expect. "Lots of useful facts and tips I didn't know. Plus it was fun, informative and an entertaining read." - Eileen Brown. "This was recommended to me by one of the breeders I visited in my search for a Persian kitten. An excellent book which thoroughly helped me in buying my kitten to taking it home." - Lucy Andrews.

1995 Celeste Yarnall After years of intensive research into feline health and nutrition, Celeste Yarnall introduces a program of natural cat care for all who love and live with cats. In this comprehensive reference, she examines nutrition as preventive medicine and discusses fresh food diets, suggested meal plans, vitamins and minerals, herbal treatments, flower remedies, and homeopathic treatment for your cat.

1992 Eric Allan

2009-09-01 Celeste Yarnall Celeste Yarnall's time-tested natural and holistic expertise gives cat owners insight into natural alternatives in food, medication, alternative therapies, and healing practices, improving the lives of feline friends and well as their caregivers. With Dr. Jean Hofve, the esteemed holistic veterinarian, she explores nutrition as preventative medicine, vitamin and mineral supplements, herbal remedies, homeopathic treatments, and groundbreaking anti-aging modalities never before published in a pet care guide. The Complete Guide to Holistic Cat Care also includes a complete bibliography and a list of suppliers of holistic remedies and services. As with all other pet health guides, it is a comprehensive resource intended to complement veterinary care, not replace it.

2020-02-15 Jennifer Copley Does your cat love you? Why does your cat

do that? What is your cat trying to tell you? This book answers 60 frequently asked questions about cat psychology, behaviour, and communication. About the Author: Jennifer Copley has fostered, trained, and socialized more than 100 cats and kittens.

2019-10-18 Lise Hansen Written by a qualified veterinarian, this is a complete and comprehensive guide to health care for cats and dogs, providing invaluable advice on essential aspects of care, such as diet and vaccinations, as well as a guide to holistic treatments. The first part of the book describes the main lifestyle choices every dog and cat owner makes, whether or not they are aware of them: settling in a new puppy or kitten, vaccination, neutering, diet, finding the right veterinarian, and caring for the ageing animal. The second part describes the main holistic modalities and their relevance when animals become sick. What they are, how they work, when they are useful, and how to find a practitioner. Also includes chapters on osteopathy, homeopathy, acupuncture, Bach's flower remedies, and herbal medicine. The third part of the book discusses a range of common health problems in dogs and cats, both from a conventional veterinary point of view and from an holistic perspective, and aims to help the owner understand the condition they are facing, as well as providing tips on how to supplement their veterinarian's advice and treatment.

2014-04-08 Wendy Christensen Building a lifelong, loving relationship

with a cat can be a challenging task. Whether you're thinking of adopting a cat or already live with one, The Humane Society of the United States Complete Guide to Cat Care offers authoritative and practical advice that will help you make the best decisions for your pet along the way. This comprehensive guide includes sections on choosing a healthy cat or kitten, feeding and nutrition, training, grooming, disease, vet visits, caring for an aging cat, feline first-aid kits and emergency care. Unlike other books that endorse breeding and promote novelty or purebred cats, The Humane Society's Guide to Cat Care stresses making life better for the millions of cats already here. It provides information on rescuing and rehabilitating homeless cats, finding a stray's owner, and helping an outdoor cat make the transition to a safe indoor environment. The guide also encourages

animal advocacy and offers a list of ways to get involved.

1997 Mark Evans Practical guide to kitten care including tips on selection, home preparation, feeding, training, health and hygiene, and responsible cat ownership.
