

# The Complete Guide To Homeopathy

The Complete Guide to Homeopathy-Andrew Lockie 1995 The Complete Guide to Homeopathy reveals the key principles of homeopathy, including the way we are categorized into "constitutional" types according to our physical and emotional characteristics. Self-assessment Questionnaire: A specially designed questionnaire, based on what a homeopath might ask during a first office visit, provides unique insight into the link between health and temperament and helps determine which constitutional type you most closely match. Index of Remedies: A photographic index of 150 remedies illustrates plant, mineral, and animal sources, ranging from common foods such as honey to toxic substances such as snake venom. A profile of each remedy gives its historical background, medicinal uses, and its corresponding constitutional type. Treating Common Ailments: Easy-to-use ailment charts show which remedies to take for everyday health problems such as insomnia, anxiety, eczema, and toothaches. Additional self-help treatments are recommended, and there is a quick-reference guide to homeopathic first aid.

A Complete Guide to Homeopathy-Alan V. Schmukler 2007

Homeopathy-Alan V. Schmukler 2006 Effective, safe, affordable, and free of chemical side effects-the benefits of homeopathy are endless! Already established in the national health care systems of England, France, and the Netherlands, homeopathic treatments are used by over five hundred million people worldwide. Alan Schmukler's Homeopathy discusses the history and science of this alternative medicine and provides a comprehensive list of proven remedies-safe for people and animals. Packed with homeopathic treatments for arthritis, colds, food poisoning, insomnia, Lyme disease, morning sickness, wounds, and a host of other ailments and injuries, this handy reference guide also includes information on homeopathic immunization and first aid. Schmukler gives helpful instructions for matching remedies with symptoms, ingesting them correctly, making remedies at home, and stretching your supply. Praise: "This book is a joy to read, easy to understand, comfortable to use. Whether you are a neophyte or an old-hand in your knowledge of homeopathy, you will benefit from having this book in your library. It is one of the most comprehensive acute care books on the market." LILIPOH Magazine "Schmuckler's handbook is a comprehensive modern look at the 200 most commonly used remedies that should help satisfy everyone's health questions through homeopathy." Alive Magazine "Heaven forbid we should find ourselves responding to a life-threatening or cataclysmic event, but if we did, this book would be a godsend! Alan believes homeopathy is 'magical, exciting, and empowering.' Having his book, already dog-eared and visibly well-loved, certainly makes me feel empowered!" Homeopathy Today

The Parent's Guide to Homeopathy-Shelley Keneipp 2015-07-14 This book is the most comprehensive and easy-to-use guide available for parents who want to use homeopathy to treat their children's illnesses safely, gently, and effectively. Practical, concise, and user-friendly, The Parents' Guide to Homeopathy provides homeopathic remedies for more than 150 acute conditions, from annoying to threatening, that arise in the everyday lives of kids. Instructions on how to observe physical and emotional symptoms in kids from newborns to teens; succinct descriptions of gentle, safe, and nontoxic remedies; and sections on winter ailments, first-aid, enhancing healing, and travel put a wealth of knowledge at parents' fingertips. Remedy tables at the back of the book help decipher the correct treatment for each condition. Shelley Keneipp shares her wealth of knowledge and many years of experience to provide a clear, simple education concerning homeopathic remedies. She empowers parents who want to break the habit of relying exclusively on medical expertise and instead to use relatively economical over-the-counter remedies without worrying about harmful side effects. She suggests essential remedies to stock for any household first aid kit; provides background on common ailments such as coughs, colds, fevers, and digestive problems; and includes eye-catching sidebars that alert readers to conditions that demand immediate medical attention. Boxed entries clue readers to what symptoms to observe and how to differentiate between similar presentations. Taken together, these features make this book the gold standard for parents who want to apply the gentlest possible cure in the shortest possible time with the fewest reasons for intervention.

The Family Guide to Homeopathy-Alain Horvilleur 1986-07

The Patient's Guide to Homeopathic Medicine-Robert W. Ullman 2005-07 This book explains the process of homeopathic treatment from the patient's point of view.
