1950-09 Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

1975-02 FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

2018-04-05 Gail Lewis Whether you are about to become a new bird owner, or have kept pet birds for many years, you will find the answers you're looking for in this concise and authoritative Guide to Small Exotic Birds. The book describes numerous varieties of birds, helping you to make the right choice for a pet and provide them with the best possible care. Selection, maintenance, taming, breeding, raising and hand feeding of your feathered friends are just a few of the topics covered. With this informative book in hand, even the novice can feel confident should a problem arise. Gail A. Lewis, writing as Rosie Bird, addresses the issues bird owners often encounter at one time or

another...and she tells you what to do about it. The author's friendly style and thorough approach is the next best thing to having an expert drop in for tea. No matter the issue, she's got you covered: Want to provide Egg Food for your hens while they're laying and/or brooding? Chapter Four provides a recipe along with step-by-step directions on how to make it. Egg Binding can be a death sentence for breeding hens. Chapter Thirteen is a life saver, telling you how to help and rescue an egg-bound hen. Considering breeding your birds, but unsure of what size Nest Box they'll need? Chapter Seventeen not only specifies the proper size, it also includes detailed instructions and photos on how to go about building your own nest boxes. Lavishly illustrated with over 100 color photographs, this Guide is a valuable addition to every bird owner's bookshelf.

1969-04 Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

2015-04-07 Jennifer Megyesi
Finally backyard farmers who want to keep a few hens for eggs have a bible that's attractive enough to leave out on the coffee table, and inexpensive enough to purchase on a whim. This comprehensive guide, written in charming prose from the perspective of an organic farmer, will appeal to readers who are interested in raising chickens, or simply want the best knowledge about how to cook them. With this in mind, farmer and animal expert Jennifer Megyesi discusses all the basic details of raising the birds—general biology, health, food, choosing breeds, and so on—and she cuts through the smoke to identify what terms like "organic," "free-range," and so on really mean for poultry farmers and consumers. No chicken book would be complete without information on how to show chickens for prizes, and this is no different, but *The Joy of Keeping Chickens* also stresses the importance of self-sustainability and organic living, and the satisfaction of keeping heirloom breeds. Readers will appreciate the comprehensive nature of this readable, informative guide, and Megyesi's enthusiasm about keeping chickens. Coupled with Geoff Hansen's gorgeous full-color photographs, this text makes for an instant classic in the

category.

1977-04 Popular Mechanics inspires, instructs and influences readers to help them master the modern world. 2014-10-06 Roland Ruthersdale
For over 3000 years, people have been domesticating chickens. They were always valued for the eggs and the meat that they produced. Surprisingly, the chicken rearing industry is a relatively new one considering how many people across the globe actually consume the meat and the eggs derived from them. Today, chickens are even more valued as people have understood their role as faithful companions and great backyard birds. The practise of keeping and rearing chickens has even extended to the urban set up today and people actually have pet chickens that they develop very strong attachments to. If you are a first time chicken owner, this book is your comprehensive guide to chicken care. Everything that you need to know about the health and proper development of your birds is in this book. This book takes you step by step through various chicken care practises that can be slightly intimidating for first time pet owners. You can read about common issues like feeding, housing and healthcare for backyard chickens. I do hope that this book is as informative as I intended it to be. It is simple and fun to read, I assure you. So, here is wishing you pleasant times with your beloved backyard chickens.

Covered in this book: - History - Behavior - Best chickens to bring home - Preparing your home - Housing - Daily care - Interacting - Transporting - Managing the eggs - Health and well being - Costs and a lot more
