 The Western Guide to Feng
 Shui for Prosperity is a
 collection of over twenty true
 stories about people who have
 increased their prosperity
 using Feng Shui principles.
 Gathered from around the
 United States and Europe,
 these "rags to riches" tales
 take you into the homes and
 businesses of people from all
 walks of life who, by using the
 art and science of Feng Shui,
 solved their problems and
 enhanced their good fortune.

2000 Jonathan Dee There is an
 opinion that a Feng Shui
 garden must necessarily be an
 oriental garden but this is not
 so. The calm Zen gardens of
 Japan embody a practice
 similar to Feng Shui but that
 are intended to encourage a
 meditative state using calm
 water features, shade, and
 patterns in gravel and stones.
 Often they are totally devoid of
 plant life. In Feng Shui terms a
 space like this would be
 described as Yin, whereas in
 the West our gardens, often
 bursting with vitality, are on
 the Tang side as are our busy
 lives. It is because we are so
 busy that Feng Shui should
 make a contribution to our
 lives. In this highly
 technological world it is easy to
 forget that we are all children
 of nature and that our
 relationship with is essential to
 our sense of spirituality. Feng
 Shui for the Garden seeks to

harmonize our existence with
 the world of nature.

1999 Richard Webster Create
 more ch'i (universal energy) by
 selecting the most beneficial
 location and laying out a
 harmonious garden based on
 proven feng shui principles.

2004 Simona Manini Feng Shui for Architecture is an easy-to-use manual to incorporate Scientific Feng Shui into the design, renovation, and decorating of your home. The final goal is to support your well-being, as well as your family's, in all aspects of life. It

is also particularly useful during a real estate pre-acquisition inspection, for it offers examples of bad Feng Shui (to avoid), good Feng Shui (to desire), and how to correct any overall problems. This will help you to evaluate the kind of investment to be made and to make the property Feng Shui proof (as well as decide if you want to either buy it or pass on it). The only book on the market written by an architect, interior designer, and Feng Shui expert who has over 20 years of expertise in the fields of architectural planning, design, and Scientific Feng Shui Mastery, Feng Shui for Architecture is largely the result of answering frequent questions that have arisen over the years by concerned Feng Shui and Interior Architecture students in classes taught by the author as well as addressing common issues brought up by professional architects, designers, and clients with whom the author has consulted with during the development of hundreds of projects (and whom are also the same people who encouraged her to write this book). Editorial Reviews "Dr. Simona Mainini has an astonishing ability to interpret and install ancient Chinese formulas in such a way that they change lives today. Her discipline and precision in a field not often distinguished by these qualities is both unique and world class." Richard Ashworth Author of The Feng Shui Diaries Editor-in-Chief of The Journal of the Feng Shui Society "Dr. Mainini is one of those few, wonderful people

who have managed to weld together the strict disciplines of architectural practice with the aesthetics and philosophies of the ancient Chinese traditions of Feng Shui. Readers can be assured that what she writes is not founded just on theory alone, but sound, practical experience." Derek Walters Author of *The Feng Shui Handbook & The Complete Guide to Chinese Astrology* "Feng Shui for Architecture is an excellent guide for both the Feng Shui professional and layperson. You can benefit from the knowledge presented here and use it to make your environment as harmonious as possible." Larry Sang Author of *The Principles of Feng Shui* President & Founder of The American Feng Shui Institute "Feng Shui for Architecture has been extremely inspirational to me and many of my students at the School of Architecture and Urbanism at the University of Sao Paulo (Brazil). We are very impressed with Dr. Mainini's knowledge and experience. She brings a new pattern to design and architecture." Maria Cecilia Loschiavo dos Santos, PhD Author of *Movel Moderno no Brasil* Professor, Design Department, University of Sao Paulo, Brazil "The title and subtitle promises a lot-- and this book delivers even more! Dr. Mainini has done a fabulous job organizing and explaining-- in a clear, precise manner-- the principles of Feng Shui and the ancient Chinese art of placement for good energy flow as it applies to the spaces in which we live and work. Not only is this book great for the

preparation of buildings, it is also extremely useful even if you are only searching for an energetically superior apartment, house, or office space to rent. If you are looking for an invaluable source of Feng Shui information to help bring harmony to your living and working space and your life, this is a book for you. I applaud Dr. Mainini for the publishing of this, her first book, and highly recommend it to those who want to learn more about this most fascinating modality of healing. A+!" Raphaelle Tamura Founder, Star of Peace Publishing Founder, Seraphim at Mount Shasta

2023-06-06 Eva Wong Fengshui master Eva Wong breaks it down for beginners. This easy-to-use, fengshui 101 guide to the ancient practice will give you invaluable advice as you choose or build a home—and bring positive, healthy energy to your existing home, office, or garden. Enhance the energy of your home, workplace, or garden using the principles of the Taoist art of fengshui. This primer will teach you to bring harmonizing, beneficial energy into any space. Taoist arts master Eva Wong introduces readers to the powerful traditional system of fengshui. It is not simply a list of directives for arranging interiors for good luck—it is the art of reading the patterns of the universe and living in harmony with the environment. Bedrooms with good fengshui maximize health and minimize illnesses. Home offices with good fengshui facilitate

business vision and accumulation of wealth. Even garages, driveways, and gardens can affect our health, livelihood, and the way we interact with the world. Whether you are buying, renting, or renovating a home—or you want to change the atmosphere and energy of the home you are in—Wong will teach you to identify and work with the possibilities and limitations of your space. In this concise book, Wong explains the essential principles and guidelines of fengshui; offers tips for home buyers, including architectural positives and negatives, and neighborhood perks and challenges; shows you how to assess your indoor and outdoor spaces; and much more As the owner of a construction and engineering business, Wong's recommendations are practical, safe, and economical.

2011-05-04 Jennifer Lawler You stroll out into your backyard. You see a tangle of overgrown shrubs, a lawn that needed to be mowed yesterday, and a series of rosebushes minus the roses. Or maybe you've just taken possession of your brand-new house in a brand-new subdivision, and when you step out the back door, all you see is a vista of sod - and in the far distance, the neighbor's sapling.
