Written by a creationist scientist as a narrative exposition rather than a critical verse-by-verse analysis, this unique commentary on the whole book of Genesis is equally useful to both the theologically trained and the layperson.

Brings together a diverse collection of voices to explore a broad spectrum of popular music

2018-03-01 William Kinderman
William Kinderman's detailed study of Parsifal, described by the composer as his "last card," explores the evolution of the text and music of this inexhaustible yet highly controversial music drama across Wagner's entire career. This book offers a reassessment of the ideological and political history of Parsifal, shedding new light on the connection of Wagner's legacy to the rise of National Socialism in Germany. The compositional genesis is traced through many unfamiliar manuscript sources, revealing unsuspected models and veiled connections to Wagner's earlier works. Fresh analytic perspectives are revealed, casting the dramatic meaning of Parsifal in a new light. Much debated aspects of the work, such as Kundry's death at the conclusion, are discussed in the context of its stage history.

Path-breaking as well is Kinderman's analysis of the religious and ideological context of Parsifal. During the half-century after the composer's death, the Wagner family and the so-called Bayreuth circle sought to exploit Wagner's work for political purposes, thereby promoting racial nationalism and anti-Semitism. Hitherto unnoticed connections between Hitler and Wagner's legacy at Bayreuth are explored here, while differences between the composer's politics as an 1849 revolutionary and the later response of his family to National Socialism are weighed in a nuanced account. Kinderman combines new historical research, sensitive aesthetic criticism, and probing philosophical reflection in this most intensive examination of Wagner's culminating music drama.

From schoolboy band to sold-out stadium tours and worldwide album sales of over 100 million, Genesis were one of the defining progressive rock bands of the seventies, playing a huge part in shaping the genre. Over a career spanning forty years from formation to the world reunion tour of 2007, they developed and adapted through many changes, some of which polarized their existing fans but attracted countless new ones. While Foxtrot and The Lamb Lies Down on Broadway helped define progressive rock, it was the three-piece line up of Tony Banks, Mike Rutherford and Phil Collins that became the

real hit-makers, with albums like Invisible Touch and We Can't Dance and massive hit singles like 'No Son of Mine' and 'Land of Confusion'. Fifteen studio and six live albums later, including five consecutive number ones and five consecutive top tens in the USA, fans still live in the hope of yet another reunion tour which so far hasn't been ruled out. This book takes the reader on a journey through their entire catalogue, taking each album in turn and examining every track. It is compiled from the viewpoint of a lifelong fan, and it is hoped that the book stirs many old memories, as it has done for the author, as well as providing some insight for more recent fans of the band.

2004-07-30 Paul Russell
Before Genesis became a worldwide mega-selling AOR phenomenon, they were at the forefront of English progressive rock. Singer Peter Gabriel introduced theatrics to their live shows, and interest in this period has never been higher. Using tapes and memorabilia from the official Genesis archives, the book is a documentary of their career and a complete analysis of Genesis live shows from Charterhouse schooldays to "The Lamb Lies Down On Broadway."

We can count on one hand the musical legends equal to Elton John (the Beatles and the Rolling Stones each get a finger). Elton John: Fifty Years On looks at the impact songwriting partners Elton

John and Bernie Taupin have had on popular music and culture, and also discusses every song on all thirty albums, plus his work on Broadway, in movies, and elsewhere. • Part 1 is a bullet-pointed look at every released song, complete with insights, trivia, and meanings, including musical insights—like Elton’s favorite chord progressions, or the most notable melodies in his discography. • Part 2 is a collection of essays and interviews with musicians and music writers chatting about Elton and Bernie. Did you know? • Elton and Bernie’s revision of “Candle in the Wind” (known as “Goodbye England’s Rose”), a tribute to Princess Diana after her untimely death, is the biggest-selling single in the UK and the second-biggest selling single in music history (after Bing Crosby’s “White Christmas”). • “Tiny Dancer” may or may not be about Bernie Taupin’s wife, Maxine...quotes from Elton and Bernie contradict each other. • The biggest music stars in the world routinely show up at Elton John concerts to sing duets with the Rocket Man, including Lady Gaga, Miley Cyrus, George Michael, Bruce Hornsby, Lionel Richie, Mary J. Blige, Bryan Adams, Demi Lovato, Shawn Mendes, and many more, as well as Elton’s legendary “dual” shows with Billy Joel • The background vocals for the song “White Lady White Powder” on the 21 at 33 album are sung by the Eagles. • The background vocals for the song “Cage the Songbird” on the Blue Moves album are sung by Graham Nash and David

Crosby. (Stephen Stills must have been busy?) Elton John: Fifty Years On was written for ultimate Elton John fans. A browsing book, a reading book, a treasure trove of facts, trivia, insights, and commentary, it’s the perfect companion to Elton leaving the Yellow Brick Road.

1995 Chris Welch These definitive guides to the music of history’s hottest bands examine every recorded song in each artist’s catalog from the start to the end of their careers. All books have 8-page color photo sections and are shaped like a CD box, designed to fit alongside your CD collection.

2012-01-19 Ben Watson The indispensable consumers’ guide to the music of Frank Zappa - the genius of the absurd, and one of the most prolific and unpredictable characters of 20th century music. A thorough analysis of Zappa’s complete recorded output, from the early days of the Mothers Of Invention, through his more avant-garde compositions and classical projects to the most recent posthumous releases. The guide features: An album by album analysis A full Zappa bibliography Details of when and where the music was recorded, including all collaborating artists A special section concerning compilation, archive and bootleg releases Sixteen pages of full-colour images

2020-09-08 Jimmy Page In this book, I wanted to include items from my personal archive that have played a part in my career

over 60 years, to give the detail behind the detail. - Jimmy Page From his early days as a young session musician, through his years on the world stage with Led Zeppelin, to his solo work and collaborations, Jimmy Page has lived a spectacular life in music. Throughout it all he has amassed an extensive private archive of iconic guitars, stage costumes and personal ephemera. Now, in The Anthology, Jimmy Page is granting exclusive access to his archive for the first time, and telling the inside story of his phenomenal career. In the new text of over 70,000 words, Jimmy Page guides the reader through hundreds of rare items, many of which are unseen, others of mythic status, such as the Gibson double neck guitar, his dragon emblazoned suit, his white embroidered poppy suit, and the outfit worn in the concert film The Song Remains the Same. Also included are handwritten diaries, correspondence, rare vinyl pressings, previously unpublished photographs and much, much more. Created with his full participation, each piece has been individually selected by Jimmy Page, and photographed especially for the book. The result is Jimmy Page: The Anthology. Both reflective and revealing, it is quite simply the legendary musician’s most comprehensive and fascinating account of his life to date.

2004 Chris Charlesworth Updated and redesigned editions of the classic guides to the music of the world’s best known acts. Written by experts,

each book examines every song in a given artist's recorded repertoire, making it an invaluable guide for collectors and fans alike.

2020-08-18 Alicia D. Williams "Reminiscent of Toni Morrison's *The Bluest Eye*." —The New York Times "One of the best books I have ever read...will live in the hearts of readers for the rest of their lives." —Colby Sharp, founder of Nerdy Book Club "An emotional, painful, yet still hopeful adolescent journey...one that needed telling." —Kirkus Reviews (starred review) "I really loved this." —Sharon M. Draper, author of the New York Times bestseller *Out of My Mind* This deeply sensitive and "compelling" (BCCB) debut novel tells the story of a thirteen-year-old who must overcome internalized racism and a verbally abusive family to finally learn to love herself. There are ninety-six reasons why thirteen-year-old Genesis dislikes herself. She knows the exact number because she keeps a list: -Because her family is always being put out of their house. -Because her dad has a gambling problem. And maybe a drinking problem too. -Because Genesis knows this is all her fault. -Because she wasn't born looking like Mama. -Because she is too black. Genesis is determined to fix her family, and she's willing to try anything to do so...even if it means harming herself in the process. But when Genesis starts to find a thing or two she actually likes about herself, she discovers that changing her

own attitude is the first step in helping change others.

2000 Alan Hewitt *Definitive encyclopaedia of all things Genesis*. No record unexamined. No gig missed.

2018-03-23 Daryl Easlea He became famous with Genesis but simply to call Peter Gabriel a pop star would be to sell him very short indeed. Peter Gabriel has pursued several overlapping careers; neither becoming a parody of his past self nor self-consciously seeking new images, he instead took his creativeness and perfectionism into fresh fields. In 1975 he diversified into film soundtracks and audio-visual ventures, while engaging in tireless charity work and supporting major peace initiatives. He has also become world music's most illustrious champion since launching WOMAD festival. These, and several other careers, make writing Peter Gabriel's biography an unusually challenging task, but Daryl Easlea has undertaken countless hours of interviews with key friends, musicians, aides and confidants. Updated and revised for 2018, *Without Frontiers* gets to the heart of the psychological threads common to so many of Gabriel's disparate endeavours and in the end a picture emerges: an extraordinary picture of an extraordinary man. Extra features include integrated Spotify playlists, charting the best of Genesis' output with Peter Gabriel, as well as an interactive digital timeline of his life, filled with

pictures and videos of lives performances, interviews and more. "The peculiar, white-lipped dynamic between Gabriel and his erstwhile Charterhouse chums in Genesis is vividly evoked" – Record Collector 'A truly wonderful biography of one of the most amazing artists of our time. Highly recommended.' – Douglas Harr, author of 'Rockin' the City of Angels'

2018-02-09 Richard Macphail

2021-12-08 Chris Scullion "An exhaustive, tremendous look back at one of the most beloved consoles of all time . . . an absolutely barnstorming recollection of a wonderful era." —*Finger Guns* The third book in Chris Scullion's series of video game encyclopedias, *The Sega Mega Drive and Genesis Encyclopedia* is dedicated to Sega's legendary 16-bit video game console. The book contains detailed information on every single game released for the Sega Mega Drive and Genesis in the west, as well as similarly thorough bonus sections covering every game released for its add-ons, the Mega CD and 32X. With nearly a thousand screenshots, generous helpings of bonus trivia and charmingly bad jokes, *The Sega Mega Drive and Genesis Encyclopedia* is the definitive guide to a legendary gaming system. "The *Sega Mega Drive and Genesis Encyclopedia* is a must-buy for fans of the console and a perfect addition to any retro game fan's library." —*Goomba Stomp Magazine*

- 1995-11-01 Chris Welch
1995 Chris Welch These definitive guides to the music of history's hottest bands examine every recorded song in each artist's catalog from the start to the end of their careers. All books have 8-page color photo sections and are shaped like a CD box, designed to fit alongside your CD collection.
- 2012-09-26 Raymond I. Schuck Since its release in 1971, Don McLean's song "American Pie" has become an indelible part of U.S. culture. It has sparked countless debates about the references within the lyrics; been celebrated as a chronicle of American life from the late 1950s through the early 1970s; and has become iconic itself as it has been remade, parodied, and referenced within numerous texts and forums. This volume offers a set of new essays that focus on the cultural and historical significance of the song. Representing a variety of perspectives and fields of study, the essays address such topics as historical and literary interpretations of the song's lyrics, its musical qualities, the commentary the song offers on rock and roll history, the continuing significance of the song, and the ways in which the song has been used by various writers and artists. Instructors considering this book for use in a course may request an examination copy here.
- 2011-12-12 Chris Welch The indispensable consumers' guide to the music of Genesis, one of the most commercially successful rock bands of the 1980s. An album by album, track by track rundown of the music of Genesis, including special sections detailing the work of members Phil Collins, Mike Rutherford, Tony Banks, Steve Hackett and Peter Gabriel. The guide features: An album by album analysis A full discography, from the earliest Johnathan King recordings, through the Gabriel years, to their final recordings as a trio. Details of when and where the music was recorded A special section concerning compilation, archive, reissue and bootleg releases Sixteen pages of full-colour images
- 2022-09-23 Alan Hewitt
- 2013-04-02 Aaron Marks This comprehensive guide gives readers with basic music compositional skills the information they need to become commercially viable artisans. In addition to providing a foundation of prerequisite technical skills, including basic audio considerations and sound file formats, the book teaches the business skills needed to work successfully as an audio technician in the game development business. How-to features take the reader step-by-step, from purchasing the right equipment, understanding the various game platforms, and composing music and creating sound effects specifically for games, to the ins and outs of marketing, producing demo reels, determining fees, bidding projects, and negotiating contracts.
- 2020-04-14 Steve Aldous Quintessentially British, Genesis spearheaded progressive rock in the 1970s, evolving into a chart-topping success through the end of the millennium. Influencing rock groups such as Radiohead, Phish, Rush, Marillion and Elbow, the experimental format of Genesis' songs inspired new avenues for music to explore. From the 23-minute masterpiece "Supper's Ready," via the sublime beauty of "Ripples" and the bold experimentation of "Mama", to hits such as "Invisible Touch" and "I Can't Dance," their material was inventive and unique. This book is the chronological history of the band's music, with critical analysis and key details of each of the 204 songs Genesis recorded and released.
- 2015-03 Alan Hewitt
- 2007-09-18 Tony Banks The long-awaited, definitive story of one of the worlds most creative and commercial rock groups, this beautiful, full-color book coincides with the bands Fall 2007 reunion tour. All former band members have collaborated in presenting their story that spans 30 years and 30 albums.
- 2021-06-08 Jim Morrison NEW YORK TIMES BESTSELLER The definitive anthology of Jim Morrison's writings with rare photographs and numerous handwritten excerpts of unpublished and published

poetry and lyrics from his 28 privately held notebooks. You can also hear Jim Morrison's final poetry recording, now available for the first time, on the CD or digital audio edition of this book, at the Village Recorder in West Los Angeles on his twenty-seventh birthday, December 8, 1970. The audio book also includes performances by Patti Smith, Oliver Ray, Liz Phair, Tom Robbins, and others reading Morrison's work. Created in collaboration with Jim Morrison's estate and inspired by a posthumously discovered list entitled "Plan for Book," *The Collected Works of Jim Morrison* is an almost 600-page anthology of the writings of the late poet and iconic Doors' front man. This landmark publication is the definitive opus of Morrison's creative output—and the book he intended to publish. Throughout, a compelling mix of 160 visual components accompanies the text, which includes numerous excerpts from his 28 privately held notebooks—all written in his own hand and published here for the first time—as well as an array of personal images and commentary on the work by Morrison himself. This

oversized, beautifully produced collectible volume contains a wealth of new material—poetry, writings, lyrics, and audio transcripts of Morrison reading his work. Not only the most comprehensive book of Morrison's work ever published, it is immersive, giving readers insight to the creative process of and offering access to the musings and observations of an artist whom the poet Michael McClure called "one of the finest, clearest spirits of our times." This remarkable collector's item includes: Foreword by Tom Robbins; introduction and notes by editor Frank Lisciandro that provide insight to the work; prologue by Anne Morrison; published and unpublished work and a vast selection of notebook writings. The transcript, the only photographs in existence, and production notes of Morrison's last poetry recording on his twenty-seventh birthday. *The Paris notebook*, possibly Morrison's final journal, reproduced at full reading size. Excerpts from notebooks kept during his 1970 Miami trial. The shooting script and gorgeous color stills from the never-released film *HWY*. Complete published and

unpublished song lyrics accompanied by numerous drafts in Morrison's hand. Epilogue: "As I Look Back": a compelling autobiography in poem form. Family photographs as well as images of Morrison during his years as a performer.

1957 H. Patch

1979 Genesis (Musical group).
