Instant Pot-Maria Hopkins 2017-01-02 Grab Instant Pot Recipes Cookbook today, and start enjoying cooking again! Have you got a pressure cooker sitting at the back of the cupboard collecting dust? Feeling guilty about not using it, but not really sure how? Do you think that the cooker is too big for just you and your spouse? I know that these are just some of the things that I used to worry about. You see, after our children grew up and moved out, my husband and I just didn't really think about using the pressure cooker anymore - all the recipes that I had were for a family of four or more. That is when I started to experiment - why couldn't we also enjoy the benefits of pressure cooking even if we are just the two of us? And, so began my journey of discovery. One thing that I found lacking when I was experimenting was recipes designed for only two people, and that is why I decided to write this book. Explore an inspiring variety of healthy, easy-to-make pressure cooker recipes **ORDER YOUR COPY NOW!!!** Let this book teach you how to save time and money using your pressure cooker, and how to prepare meals that will wow your better half. In this book, we will go through a short introduction about cooking with a pressure cooker before moving on to the recipes, so that you understand how to fully utilise your pressure cooker. The recipes in this book are all designed for two people. They can easily be doubled for when you need to feed more people or if you want to make extra portions to freeze for another meal. TO MAKE TASTY DINNERS? You want to improve your culinary skills to impress your guests, friends, and family? The Instant Pot

is maybe the most well known kitchen machine of now is the right time. This adaptable weight cooker replaces so many ledge

apparatuses, from rice producers to slow cookers. It's acquainted another age with pressure cooking, and demonstrated us exactly

how rapidly it can prepare a sound supper. Truly, in the event that you even sort of prefer to cook and don't as of now have one,

Instant Pot is a weight cooker - to say the least. It likewise sautés, slow cooks, makes rice and steams veggies and poultry. It's an

across the board gadget, so you can, for example, earthy colored a chicken and cook it all in a similar pot. The great advantage of

using an Instant Pot, or Pressure Cooker, is that it uses steam to cook food. The airtight lid locks in the steam and allows the

resultant pressure to cook the food quickly and easily. Since the cooking is done so fast, the food retains more nutrition than

cooking with other methods. Another wonderful thing about Instant Pots is that they can be used in so many different ways -

you can sauté, steam, braise meats and vegetables with the push of a button. They can also be used as a ricer. Instant Pots have

function keys that allow you to program the time and cooking method with the touch of a finger. It couldn't be easier. This book

covers the following: -Breakfast Recipes -Main Dishes Recipes - Seafood Recipes -Soups and Stews Recipes -Dessert Recipes -And

much more! So, are you excited yet? I would be! And I am sure you'll find plenty of flavorful recipes for you and your family in

this book. There's a lot to choose from, even if you're the pickiest person out there. So, go ahead and experiment! I believe that

what you eat has a direct impact on your overall quality of life. Let this cookbook be your guide to a healthier chapter in your

family's life, and experience what cooking at home should be like - easy, delicious, & nutritious! So don't wait, scroll up, click on "Buy Now"

Instant Pot Cookbook-Vanessa Olsen 2016-11-15 Do you wish you could cook more meals at home, but you're too overwhelmed by life? Have you tried slow cookers in the past, and are either too confused or just not impressed by the results? Pressure cooking has been around for centuries, but for many, the method remains a complete mystery. It was used a lot during the Great Depression, but since the era of fast and frozen food took over, pressure cooking has been mostly used in countries like India and the Middle East. It is time to bring pressure cooking back into the American mainstream and see the greatness that is being offered through cookers like the Instant Pot, which represents the method's shining moment. Pressure cooking works by tightly-sealing food and liquid inside an airtight pot. The built-up
