Silver Jewelry Making: An Easy & Complete Step by Step Guide-Janet Evans 2013-05-14 Wearing jewelry is essential to helping women developed their own style. For women wishing to create a look that's unique, the last thing they'll want to invest money in is mass produced pieces of jewelry. It's for this reason alone, learning the skills needed for making silver jewelry could prove extremely beneficial. When it comes to making such pieces you need to know where to purchase the right kinds of supplies. In this book not only do we discuss what's needed to start your own silver jewelry making venture but also provide several projects you may want to try out. We also recommend you attend a silver jewelry-making course if you can as well. If you're having problems finding courses we highly recommend you look online for what you need. You may even find an online course that enables you to learn in the comfort of your own home. As a beginner, the kind of course you should be looking for is one, which covers the basics. The kinds of skills this course should be teaching you relate to soldering cutting, shaping and texturing the silver plus polishing it. Also look for courses that teach you skills such as making jump rings, hooks and clasps for earrings. Finally what you should be looking for in a course is one that'll allow you to make a number of different pieces of jewelry from silver. The actual process of turning a piece of silver into a piece of jewelry is not only very technical, but also allows your artistic side to flourish. Once you've finished making silver jewelry either for yourself or for someone else, can prove extremely satisfying, especially as you watch the piece develop and grow.

Making Costume Jewelry: An Easy & Complete Step by Step Guide-Janet Evans 2013-05-11 The first thing you need to consider before you begin the process of learning how to make costume jewelry is what type you wish to make. The best way of determining what style of jewelry you want to make is to look through various magazines and see what's on offer in stores locally. It's also a good idea to gain inspiration for your costume jewelry designs by visiting museums or art galleries. You may even gain inspiration for your designs when out for a walk.

Simple Soldering-Kate Richbourgh 2013-05-15 Metalworking is generally regarded as a skill that takes years of dedication, requires a large studio space, and costs a lot of money. Fortunately, Simple Soldering proves that does not need to be the case. This handy how-to guide is complete in its exploration of the craft of creating soldered metal jewelry, including tools, techniques, and 20 beautiful projects that beginners and enthusiasts can make at home. Author and teacher Kate Richbourgh demystifies basic soldering for any home crafter, showing how to create sophisticated, polished, and professional-looking jewelry pieces through simple soldering techniques. First, she instructs how to set up a jewelry workspace that fits the confines of your budget and living space. Detailed step-by-step instructions walk you through the basic tools and materials you need, plus how to use them. A sample chapter gives a host of introductory exercises that teach solid skills, allowing you to test these techniques on a small scale. Finally, you'll discover 20 finished projects that include earrings, pendants, rings, bracelets, and clasps that may also include bead or wire embellishment. Kate also demonstrates how to combine and layer techniques to gorgeous effect. She also examines common mistakes, shows how to correct or adapt them, and gives advice on when it's time to start over. Most of all, having taught thousands of classes on soldering, Kate has a "you can do it!" attitude that shines through to help even the most reluctant jewelry maker fire up the torch with ease.
