The Book Thief-Markus Zusak 2007-12-18 **#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE’S 100 BEST YA BOOKS OF ALL TIME** The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can’t resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank.” —USA Today **DON’T MISS BRIDGE OF CLAY, MARKUS ZUSAK’S FIRST NOVEL SINCE THE BOOK THIEF.**

The Complete Personal Finance Handbook-Teri B. Clark 2007 Book & CD. This book, written in easy-to-understand terminology, will guide you on the way to financial security for you and your family. You will learn the personal financial basics of budgeting; insurance; marriage, single, and divorce financial solutions; health care possibilities; retirement planning and saving; wills and estate planning; managing and eliminating debt; solving your credit score and credit issues; and home ownership. You will avoid legal issues, obtain documents you need to have, deal with mortgages, taxes, and tax planning. You will invest your money using the latest strategies while responding to life events, starting a small business, getting college financial aid, avoiding debt and bankruptcy, and borrowing money. The new areas of concern are explained: elder issues and identity theft worries. The companion workbook on CD-ROM contains worksheets, charts, and quizzes to help you set financial goals, budget, find how to reach those goals, set retirement planning goals, and determine the best savings and investment strategies that fit your situation.

A Burglar’s Guide to the City-Geoff Manaugh 2016-04-05 Encompassing nearly 2,000 years of heists and tunnel jobs, break-ins and escapes, A Burglar's Guide to the City offers an unexpected blueprint to the criminal possibilities in the world all around us. You'll never see the city the same way again. At the core of A Burglar’s Guide to the City is an unexpected and thrilling insight: how any building transforms when seen through the eyes of someone hoping to break into it. Studying architecture the way a burglar would, Geoff Manaugh takes readers through walls, down elevator shafts, into panic rooms, up to the buried vaults of banks, and out across the rooftops of an unsuspecting city. With the help of FBI Special Agents, reformed bank robbers, private security consultants, the L.A.P.D. Air Support Division, and architects past and present, the book dissects the built environment from both sides of the law. Whether picking padlocks or climbing the walls of high-rise apartments, finding gaps in a museum's surveillance routine or discussing home invasions in ancient Rome, A Burglar's Guide to the City has the tools, the tales, and the x-ray vision you need to see architecture as nothing more than an obstacle that can be outwitted and undercut. Full of real-life heists-both spectacular and absurd-A Burglar's Guide to the City ensures readers will never enter a bank again without imagining how to loot the vault or walk down the street without planning the perfect getaway.

The Car Hacker's Handbook-Craig Smith 2016-03-01 Modern cars are more computerized than ever. Infotainment and navigation systems, Wi-Fi, automatic software updates, and other innovations aim to make driving more convenient. But vehicle technologies haven’t kept pace with today’s more hostile security environment, leaving millions vulnerable to attack. The Car Hacker’s Handbook will give you a deeper understanding of the computer systems and embedded software in modern vehicles. It begins by examining vulnerabilities and providing detailed explanations of communications over the CAN bus and between devices and systems. Then, once you have an understanding of a vehicle’s communication network, you’ll learn how to intercept data and perform specific hacks to track vehicles, unlock doors, glitch engines, flood communication, and more. With a focus on low-cost, open source hacking tools such as Metasploit, Wireshark, Kayak, can-utils, and ChipWhisperer, The Car Hacker’s Handbook will show you how to: -Build an accurate threat model for your vehicle -Reverse engineer the CAN bus to fake engine signals -Exploit vulnerabilities in diagnostic and data-logging systems -Hack the ECU and other firmware and embedded systems -Feed exploits through infotainment and vehicle-to-vehicle communication systems -Override factory settings with performance-tuning techniques -Build physical and virtual test benches to try out exploits safely If you’re curious about automotive security and have the urge to hack a two-ton computer, make The Car Hacker’s Handbook your first stop.

Discourses and Selected Writings-Epictetus 2008-08-28 Epictetus, a Greek stoic and freed slave, ran a thriving philosophy school in Nicropolis in the early second century AD. His animated discussions were celebrated for their rhetorical wizardry and were written down by Arrian, his most famous pupil. Together with the Enchiridion, a manual of his main ideas, and the fragments collected here, The Discourses argue that happiness lies in learning to perceive exactly what is in our power to change and what is not, and in embracing our fate to live in harmony with god and nature. In this personal, practical guide to the ethics of stoicism and moral self-improvement, Epictetus tackles questions of freedom and imprisonment, illness and fear, family, friendship and love, and leaves an intriguing document of daily life in the classical world.
