

# The Comprehensive Guide To Youth Ministry Counseling

The Comprehensive Guide to Youth Ministry Counseling-Group Publishing 2002

Reaching a Generation for Christ-Richard R. Dunn 1997-03-05 Things have changed. The Truth has not. The 1950's are gone forever. The days of the Sunday school attendance award and the much-loved Sunday school picnic have faded into oblivion. Yet some youth ministries still operate as if today's kids are living in a vacuum, unaffected by the changing morals of today's society. How can we reach these kids with the truth of the gospel? More than fifty of America's youth experts give advice and encouragement to those who long to see this generation know the love of Christ. They help readers think through their philosophies of youth ministry, break down barriers that impede progress, and maximize their own gifts and the gifts of those who work with them. They answer tough questions such as: How can leaders build a relational youth ministry? How can we find and support volunteers? What are the issues women face in youth ministry? How do we minister in ethnic communities? How should we respond to popular culture? How can we help hurting adolescents? You can have a vibrant youth ministry even in these uncertain times. You can reach this generation for Christ.

Youth Ministry Yellow Pages A.d. 2000-National Network of Youth Ministries 2000

A Guide to Youth Mentoring-Pat Dolan 2011-11-01 Covers the objectives and benefits of youth mentoring, how it works and how to mentor successfully in both community and school settings, in a book that also includes practical models and strategies. Original.

Josh McDowell's Handbook on Counseling Youth-Josh McDowell 1996 02

The Youth Worker Guide Book-General Conference of Seventh-Day Adventists. Youth Department 2004

To Be a Better Coach-Pete Van Mullem 2021-06-09 This book will combine research in coach development and practical experience to offer the coach and coach developer practical suggestions to improve coaching performance in youth sport. This book will speak directly to the coach working in community youth sport programs, interscholastic sport, and private youth sport entities.

Know Your Rights-Angelina Jolie 2021-09-02 'We can stand up for our rights once we understand them. This book is a guide for every child and young person who believes in liberty, equality and a better world for all' Malala Yousafzai Jointly written by Angelina Jolie and Amnesty International with Geraldine Van Bueren QC. If you are aged under 18 you have your own set of human rights. Child rights are unique freedoms and protections designed for you. Governments should uphold them but all across the world they are violated. Know Your Rights and Claim Them gives you the knowledge and tools to claim your rights. It introduces them and explains why they matter in the real world. From gender and racial equality, to the rights to free expression, health, a clean climate and a sustainable environment, they are yours to claim. Know Your Rights and Claim Them celebrates the difference young activists have made in every corner of the world, and shows you how to challenge injustice wherever you may find it. It presents expert advice on peaceful protest, raising awareness at school and in your community, starting your own campaign and getting those in power to listen, plus vital guidance on protecting your safety, digital security and mental health. These are your rights. It is your right to know and claim them. 'Children are the future. This is the perfect book for young people who care about the world and want to make a difference' Greta Thunberg

Middle School Ministry-Mark Oestreicher 2009 If you're working with middle schoolers, you know ministry to early teens can be a little nuts sometimes! In this comprehensive guide from two middle school minister veterans, you'll find everything you need to understand and effectively minister to middle school students---to meet young teens where they are and lead them toward a life with Jesus.

Employing Youth and Children's Workers-Paul Godfrey 2008-09 A growing number of churches are employing someone to work with children and young people. This guide helps churches through the whole process of researching, planning and making an appointment, helping them avoid common mistakes which lead to later problems. It also considers how volunteers might be best used and supported.

A Guide to Youth Mentoring-Pat Dolan 2011-11-15 Youth mentoring can be an effective way of supporting troubled youth, helping them sustain positive mental health, cope with stress, and lead successful lives through adolescence and into adulthood. This book is a comprehensive guide to youth mentoring programmes, illustrating how, if managed well, they can increase the social support available to young people. It outlines the objectives and benefits of mentoring, how it works, and how to mentor successfully. Youth mentoring in community and school settings is covered, as well as mentoring for vulnerable youth. The book illustrates different mentoring models and provides practical strategies for assessing, setting up, and monitoring the mentoring relationship and its outcomes for the young person. The challenges and difficulties associated with mentoring programmes and strategies to overcome them are also addressed. This will be an essential guide for anyone working with young people, including youth workers, social workers, residential care staff, foster carers, community development workers, teachers and community police.

The Spread Offense: A Guide for Youth Football Coaches-Bill Kanasky, Jr. 2009-12 If you are a new coach, an existing coach with little football experience, or an experienced coach that has never tried the Spread Offense, this book contains all of the necessary information to understand and implement the Spread Offense at all levels of youth football. From the basic philosophy of the Spread Offense, to the foundational running and passing plays, to the more advanced plays, this book covers it all and will be a useful guide for any youth football coach who wants to implement part or all of the Spread Offense into their scheme.

This is a Book for Parents of Gay Kids-Dannielle Owens-Reid 2014-09-09 Written in an accessible Q&A format, here, finally, is the go-to resource for parents hoping to understand and communicate with their gay child. Through their LGBTQ-oriented site, the authors are uniquely experienced to answer parents' many questions and share insight and guidance on both emotional and practical topics. Filled with real-life experiences from gay kids and parents, this is the book gay kids want their parents to read.

Social-Emotional Leadership: A Guide for Youth Development-Micela Leis 2020-03-02 Today's youth are tomorrow's leaders. The better they can understand themselves and work effectively with others, the greater impact they can make on the world around them. Based on research from the Center for Creative Leadership, Social-Emotional Leadership: A Guide for Youth Development identifies 14 student leadership attributes and offers tools for adults to use to develop social-emotional leadership in youth inside and outside the classroom. Social-Emotional Leadership: Reflection Journal, a blank companion journal for students is also available. ISBN 978-1-60491-987-5

Youth Leadership-Josephine A. van Linden 1998-05-29 Based on fifteen years of work with teens and the adults in their lives, Youth Leadership identifies the three major stages of adolescent leadership development. It outlines practical, tactics for developing leadership skills through experiences at home, school, community, and work, and?most importantly?a shows how adults in these settings can have a positive impact. Josephine van Linden and Carl Fertman provide flexible strategies that can be used with adolescents in any program and in varied settings, and offer diagrams, tables, and charts to clarify recommendations and processes. From teachers and principals to directors of community programs and religious institutions, anyone interested in developing leadership in young people will find Youth Leadership to be a rich source of information and guidance, and an invaluable tool for nurturing the citizens and leaders of tomorrow. Part One: The Potential for Adolescent Leadership 1. Adolescents as Leaders 2. Developmental Needs 3. How Adolescents Develop Leadership Part Two: The Stages of Leadership Development 4. Stage One: Awareness 5. Stage Two: Growth and Activity 6. Stage Three: Mastery Part Three: Strategies for Leadership Development 7. How Adults Can Nurture Leadership Development 8. What Organizations and Communities Can Do 9. Training and Programming Issues 10. Sustaining Leadership Development Josephine van Linden is director of the Leadership

Development Network at the University of Pittsburgh. Carl I. Fertman is professor of education at the University of Pittsburgh.

Getting Your Child to Say "Yes" to School-Christopher Kearney 2007-03-22 Many parents find getting their child to school in the morning to be quite a challenge. If your child consistently pleads with you to let him stay home from school, if he skips school, if his morning routine is fraught with misbehaviors, or if he exhibits signs of distress and anxiety related to attending school, this book can help. Getting Children to Say Yes to School: A Guide for Parents is designed to help you address your child's school refusal behavior in the early stages. This guide helps you identify school refusal behavior and provides step-by-step instructions to solve the problem. Learn different techniques for getting your child to school, including enhancing relaxation, changing your child's negative thoughts about school, establishing a clear and predictable morning routine, and setting up a system of rewards for going to school. Tools such as worksheets, lists of Dos and Don'ts, sample parent/child dialogues, and Fridge Notes combine to create a workbook-type resource that will help you increase your child's school attendance and relieve your own feelings of concern and worry. Easy to read and filled with concrete strategies, this book is the first of its kind dedicated to educating and arming parents with the tools they need to resolve their child's school refusal behavior.

Changing the Game-John O'Sullivan 2013-12-01 The modern day youth sports environment has taken the enjoyment out of athletics for our children. Currently, 70% of kids drop out of organized sports by the age of 13, which has given rise to a generation of overweight, unhealthy young adults. There is a solution. John O'Sullivan shares the secrets of the coaches and parents who have not only raised elite athletes, but have done so by creating an environment that promotes positive core values and teaches life lessons instead of focusing on wins and losses, scholarships, and professional aspirations. Changing the Game gives adults a new paradigm and a game plan for raising happy, high performing children, and provides a national call to action to return youth sports to our kids.

Self-Injury in Youth-Mary K. Nixon 2008-07-11 This edited volume features evidence-based reviews and practical approaches for the professional in the hospital, clinic, community and school, with case examples throughout. Divided into five major sections, the book offers background historical and cultural information, discussion of self-injury etiology, assessment and intervention/prevention issues, and relevant resources for those working with youths who self-injure.

The Ultimate Survival Guide for Youth Ministers-Joel L. Lund 2011-11-22 Ever wonder why the average career in youth ministry is so short-lived? It's not because the youth minister "grows up" into real ministry. Too often, it is because—without adequate boundaries—the youth minister is swept away, burned out, or chewed up. From someone that has been there, author Joel Lund brings the ultimate guide for a healthier ministry and a healthier you.

Key Themes in Youth Sport-Ken Green 2010-10-04 Key Themes in Youth Sport is a concise, easy to read guide to core concepts in the study of young people's relationship with sport, exercise and leisure. Designed to help students get to grips with the basics and go on to master the central ideas and debates in contemporary youth sport, this book reflects the multi-disciplinary interest in youth sport, exploring perspectives from sociology, psychology, physiology, sports policy, sports development, and physical education.

Handbook of Positive Youth Development-Radosveta Dimitrova 2021-10-22 This handbook examines positive youth development (PYD) in youth and emerging adults from an international perspective. It focuses on large and underrepresented cultural groups across six continents within a strengths-based conception of adolescence that considers all youth as having assets. The volume explores the ways in which developmental assets, when effectively harnessed, empower youth to transition into a productive and resourceful adulthood. The book focuses on PYD across vast geographical regions, including Europe, Asia, Africa, Middle East, Australia, New Zealand, North America, and Latin America as well as on strengths and resources for optimal well-being. The handbook addresses the positive development of young people across various cultural contexts to advance research, policy, and practice and inform interventions that foster continued thriving and reduce the chances of compromised youth development. It presents theoretical perspectives and supporting empirical findings to promote a more comprehensive understanding of PYD from an integrated, multidisciplinary, and multinational perspective. The Handbook of Positive Youth Development in a Global Context is an essential resource for researchers, professors, and graduate students as well as clinicians, therapists, and other professionals in developmental, clinical child, and school psychology, public health and prevention science, family studies, cross-cultural psychology, child and adolescent psychiatry, social work, educational policy and politics, anthropology, sociology, social psychology and all interrelated disciplines.

Youth Work-Jason Wood 2014-08-21 Professional practice is at the heart of youth work training but integrating the theory learned in class with the reality of placements can sometimes require extra support. This comprehensive textbook is designed to help students working with young people become competent and ethical practitioners, able to reflect on their learning and interventions in young people's lives. Divided into three parts, this core text: provides an understanding of and commitment to the principles of youth work explores how contexts shape youth work demonstrates the core practice skills that are required to make a meaningful impact on the lives of young people. Engaging and practice-driven, this is an essential text for all students learning about working with young people, whether on youth work or allied courses. It includes case-studies, tasks, further reading and reflective questions to help readers make connections between their own knowledge and practice.

Youth Development in Football-Mark Nesti 2014-11-13 The identification and development of talented young players has become a central concern of football clubs at all levels of the professional game, as well as for national and international governing bodies. This is the first book to offer a comprehensive survey and assessment of youth development programmes in football around the world, to highlight best practice, and to offer clear recommendations for improvement. The book draws on original, in-depth research at eight elite professional football clubs, including Barcelona, Ajax and Bayern Munich, as well as the French national football academy at Clairefontaine. It adopts a multi-disciplinary approach, including psychology, coaching and management studies, and covers every key topic from organisational structures, talent recruitment and performance analysis to player education and welfare. Written by two authors with extensive experience in English professional football, including five Premiership clubs, this book is important reading for any student, researcher, coach, administrator or academy director with an interest in football, youth sport, sports development, sports coaching or sport management.

Making the Ball Roll-Ray Power 2014-05 This focused and easy-to-understand soccer coaching book details training practices and tactics, and goes on to show you how to help young players achieve peak performance through tactical preparation, communication, psychology, and age-specific considerations. Making the Ball Roll is the ultimate complete guide to coaching youth football.

Youth Studies-Andy Furlong 2012 Youth Studies: an introduction is a clear, jargon-free and accessible textbook which will be invaluable in helping to explain concepts, theories and trends within youth studies. The concise summaries of key texts and the ideas of important theorists make the book an invaluable resource. The book also raises questions for discussion, with international case studies and up-to-date examples. The book discusses important issues within youth studies, for example: education and opportunity employment and unemployment family, friends and living arrangements crime and justice identities health and sexuality citizenship and political engagement. Suitable for a wide range of youth-related courses, this textbook provides a theoretical and empirical introduction to youth studies. It will appeal to undergraduate students on international academic and vocational courses, including sociology, politics, criminology, social policy, geography and psychology.

Supporting Transgender Autistic Youth and Adults-Finn V. Grattton 2019-10-21 Providing advice on how professionals working with autistic trans youth and adults can tailor their practice to best serve their clients and how parents can support their trans autistic children, this book increases awareness of the large overlap between trans identities and autism. By including chapters on gender diversity basics, neuroqueer trauma and how to support neuroqueer individuals, this book sets out strategies for creating more effective support that takes into account the unique experiences of trans people on the spectrum. Written by a therapist who identifies as neuroqueer, this book is the perfect companion for professionals who want to increase their knowledge of the experiences and needs of their trans autistic clients.

Youth Theatre-Michael Richardson 2015-04-10 Youth Theatre: Drama for Life defines the youth theatre process, by outlining its constituent parts and explaining how these activities work in order to support young people's development. As well as describing what is done in youth theatre, it also explores why it's done and how to ensure the best possible outcomes. The book is in four parts: Part 1 explores the nature and purpose of youth theatre, drawing on Michael Richardson's extensive personal experience as a practitioner and manager. Part 2 explains, in detail, the youth theatre process: warming up, playing games, voice work, developing skills, devising and the presentation of devised work. Part 3 discusses how to create an appropriate environment within which the youth theatre process can be most effectively applied. Part 4 covers the most common applications of the youth theatre process, namely using it in different education environments; and youth theatre productions and performance. On top of this, two appendices give a list of over 60 games that are useful to use in youth theatre; and a list of recommended further reading that supports this book. As well as giving key tips and advice from his own invaluable experience, Richardson offers comments from practitioners and participants on what makes a successful youth theatre experience. Michael Richardson has worked in youth theatre for over 20 years, has been involved in the training of other practitioners, and in the strategic development of the youth theatre sector in the UK.

Purpose Driven Youth Ministry-Doug Fields 2009-12-15 If you long to reach kids and see their lives changed by God, this comprehensive guide shows you how. Purpose Driven® Youth Ministry will do for youth ministry what Rick Warren's Gold Medallion award-winning, The Purpose Driven® Church is doing for pastoral ministry. It's an indispensable guide to creating and maintaining youth ministry for the long run. It will help you create a solid spiritual team that builds the foundations of the Christian faith into the hearts and lives of young people. Forged around the fundamental purposes of evangelism, discipleship, fellowship, ministry, and worship, Purpose Driven® Youth Ministry uses the experiences of Saddleback Church to illustrate what a healthy Youth ministry can be. Nine transferable principles help you - Connect with the power of God for passionate, committed leadership - Define the purpose of your ministry and communicate it effectively - Identify your potential audience - Create programs that reach your audience and fulfill God's purposes - Implement processes that move students to maturity - Enhance your ministry with clearly defined values - Team up with parents to involve the whole family - Find volunteers and develop them into participating leaders - Persevere through tough times and thrive in an ever-changing environment. Balancing both theory and practice, Purpose Driven® Youth Ministry can be applied to any church setting, regardless of size, denomination, facilities, resources, and existing leadership. Purpose-Driven Youth Ministry will help you develop a ministry that equips students rather than a ministry that coordinates events. Doug Fields says, "My goal for this book is to coach you through a plan to build a healthy youth ministry that isn't dependent on one great youth leader and won't be destroyed when the youth worker leaves the church. It's not a book on how to grow your youth ministry with six easy steps; it's about identifying, establishing, and building health into your church's youth ministry.

A Guide to Surviving Youth Football-Adam Sibley 2009-12-04 Being a new football coach is an exciting time. Nothing beats your first training session and you will always remember your first game regardless of what the score is and where it is played. That first goal, that first win, that first season, there is nothing like it. In this book you will find out all you need to know about starting and running a youth football team which will make your job that bit easier, a bit less stressful and a whole lot more enjoyable. Through the course of the book I share some of my funny stories and experiences I have had through youth football whilst at the same time giving you a step by step guide on everything you need to know from registering your team to dealing with parents its all in there.

The Pride Guide-Jo Langford 2018-06-01 Sex education materials meant to explain important basics to kids are too-often not written with an empathic understanding of what those basics are. This is particularly obvious regarding books that include LGBTQ identities. Even when they do hit the mark, many have a limited scope and don't take into account the practical realities of developing sexuality. The Pride Guide is written explicitly for the almost ten percent of teenagers who identify as gay, lesbian, bisexual, trans, or any of the unique identities that are not heterosexual/ cisgendered. It explores sex, dating, relationships, puberty, and both physical and online safety in one resource. The issue, today, is not whether or not queer youth will get sex education. The issue is how and where they will gather information and whether or not the information they gather will be applicable, unreliable, or exploitative. Equipping teens and their families with knowledge and self-confidence, this work provides the best protection against the unfortunate consequences that sometimes accompany growing up with an alternative gender or identity. With real-world information presented in a factual and humorous way, responsible adults can teach queer youth to (and how to) protect themselves, to find resources, to explore who they are, and to interact with the world around them while being true to themselves and respectful of others. Written with these issues in mind, The Pride Guide covers universal topics that apply to everyone, such as values clarification, digital citizenship, responsibility, information regarding abstinence as well as indulgence, and an understanding of the consequences and results of both action and inaction. For LGBTQ youth, this is a resource containing information on the unique issues queer youth face regarding what puberty looks like (particularly for trans youth), dating skills and violence, activism, personal safety, and above all, pride. Parents and other supportive adults who are motivated to educate themselves and who are interested in gaining some tools and skills around making these necessary conversations less uncomfortable and more effective will benefit from this book. The go-to resource for making informed decisions, The Pride Guide is indispensable for teens, parents, educators, and others hoping to support the safe journey of LGBTQ teens on their journey of discovery.

The Brain on Youth Sports-Julie M. Stamm 2021-07-02 This book will dispel myths about head impacts in youth sports, potential consequences of these collisions, and the changes sports organizations have made to make these sports "safer than ever." It will empower parents and athletes to make an informed decision on sports participation and provide recommendations on how to make these sports safer.

Children, Youth and the City-Kathrin Horschelmann 2013-06-17 More than half of the global and around eighty per cent of the western population grow up in cities. Here, Horschelmann and van Blerk provide a vivid picture of children and youths in the city, how they make sense of it and how they appropriate it through their social actions. Considering the causes and forms of social inequalities in relation to class, gender, ethnicity, sexuality, ability and geographical location, this book discusses specific issues such as poverty, homelessness and work. Each chapter draws on examples and cases from both the developed and developing world, and throughout the chapters, it: contrasts experiences of growing up in the city focuses on urban youth culture, consumption and globalization considers contemporary movements towards the role of children and youths in planning processes. Horschelmann and van Blerk argue that youths must be recognised as urban social agents in their own right. Their informative book, though dealing with complex theoretical arguments, relates key ideas to this topical subject in a clear and coherent manner, making this book an excellent resource for students of human geography, urban studies and childhood studies.

Becoming a Dynamic Youth Leader-Larry Maxwell 1993 This book will help you understand young people and how to minister effectively to them. Applying the information in this book will help you either start a dynamic youth ministry or transform your current youth ministry into one which is dynamic and ministers to the total person. No matter how small or how large a ministry you may have, when someone like you makes a commitment to learn how to minister more effectively to teens, your church can have a dynamic ministry. Topics: \* Understanding Young People \* Essential Elements for Effective Youth Ministry \* The Leadership Team \* Developing Christian Character in Young People \* Teaching Young People \* The Youth Meeting \* Youth Activities \* Christian Service \* Teaching Topics \* Youth Activities \* Starting Your Youth Ministry 198 pages

The Clinician's Guide to Treatment and Management of Youth with Tourette Syndrome and Tic Disorders-Joseph F. McGuire 2018-06-13 The Clinician's Guide to Treatment and Management of Youth with Tourette Syndrome and Tic Disorders provides clinicians with cognitive behavioral therapy concepts and skills to manage young patients dealing with Tourette Syndrome (TS) and tic disorders. This book focuses on improving the quality of life, patient resiliency, habit reversal techniques, talking about tics with peers, and overcoming tic-related avoidance. Each chapter looks at the nature and background of common challenges for youth with TS experience, reviews empirically-informed rationale for using specific cognitive-behavioral strategies, discusses the nature and implementation of these strategies, and concludes with a case that illustrates a particular strategy. Medication management is covered in its own chapter, and clinical excerpts are used throughout the book to illustrate key techniques that can be incorporated into immediate practice. Explores

behavioral treatments for improving Tourette Syndrome (TS) and tic disorders Addresses emotion regulation, anger management and disruptive behaviors Presents material in a practical, ready-to-use format for immediate clinical use Highlights how to improve self-esteem, social interactions and coping in school environments Details case examples for better understanding of treatment practices Identifies empirical evidence for best practices in clinical treatment

Your First Two Years in Youth Ministry-Doug Fields 2009-05-26 Since forever altering the course of the youth ministry world with his best-selling, groundbreaking book, Purpose-Driven® Youth Ministry, Doug Fields' mind—but especially his heart—has been focused on the many unique needs of new youth workers. Doug translated his passion, insight, and vision for his beloved “rookies” into what you’re now reading, Your First Two Years in Youth Ministry—hands-down the most comprehensive companion to not only surviving, but also thriving, during the most crucial phase of youth ministry. Employing his renowned wisdom and humor—as if you and Doug were chatting over a long, relaxing meal—the author disarmingly relates stories and principles from his own successes and failures over 20-plus years in youth ministry. In the end, he offers treasure troves of practical advice, all in the hope that new youth workers can travel a smoother path and achieve real longevity in a church culture that all too often chews them and spits them out. Doug covers all-important issues such as:· Dealing with discouragement· Establishing a solid spiritual foundation· Building effective relationships with students· Resolving conflict· Ministering to parents and families· Trailblazing change· Working with volunteers· Defining a realistic job description· And many others! In addition, a chorus of insightful sidebar voices joins your conversation with Doug, among them ministry veterans Jim Burns, Steve Gerali, Mike Yaconelli, Helen Musick, Chap Clark, Marv Penner, Rick Warren, Jana L. Sundene, Bo Boshers, Duffy Robbins, Tony Campolo, and Richard Ross, all who’ve composed extensive, topical essays for each of the dozen chapters. Your First Two Years of Youth Ministry is a must-have tool for new youth workers, volunteers, seminary professors and students, senior pastors, elders, church boards—even veteran youth workers who’ve been ministering in unstructured environments and are now asking, “What did I miss? What can I still learn?” The first two years of youth ministry are never easy. But never fear. Doug fervently assures us: “Hang on. Hope’s coming!”

The British Youth's Instructor: Or, a ... Guide to Practical Arithmetic ... Second Edition, Etc-Daniel Fenning 1754

The Routledge Handbook of Youth Physical Activity-Timothy Brusseau 2020 Over the past three decades the study of pediatric physical inactivity has become a public health concern. The decreases in physical activity have been associated with obesity and numerous hypokinetic diseases. In accordance with this public health concern, the study of pediatric physical activity has become a central part of research in the health and exercise science fields. The Routledge Handbook of Pediatric Physical Activity is the first book to survey the full depth and breadth of the issues facing this field. Bringing together many of the world's experts and practitioners, the book helps to develop an understanding of the underlying issues related to pediatric physical activity as well as the role physical activity plays on cognitive, psychomotor, and social aspects of childhood. The book addresses issues with physical activity measurement and discuss wide-ranging aspects of physical activity interventions. With more emphasis than ever on physical activity, this book makes an important contribution to the scholars and practitioners working in the pediatric physical activity field. This is the first single text on the state of current knowledge related to pediatric physical activity which offers a comprehensive guide to students and academics on these subjects The Routledge Handbook of Pediatric Physical Activity is key reading for all advanced students, researchers, practitioners, and policy-makers with an interest in physical activity, youth sport, public health matters, sport studies, or physical education.

Youth, Risk, Routine-Tea Torbenfeldt Bengtsson 2018-09-13 Young people’s lives continue to be the topic of public scrutiny and recurring ‘moral panics’. Smoking cannabis, speeding, and engaging in street-level fights are depicted as activities based on ‘poor choices’ or simple hedonism, putting young people’s futures at risk. Based on comprehensive, qualitative research with young people in Denmark, this book illustrates how such individualised accounts miss out on the inherently social character of risk-taking activities. Youth, Risk, Routine introduces a new approach to risk-taking activities as being an integral and routinised part of young people’s everyday life. By applying social theories of practice, this insightful volume presents a framework for understanding the routinised dimensions of young people’s engagement in risk-taking and how this is embedded in, intertwined with, and held in place by other everyday practices. Indeed, through extensive empirical analyses of the rich material at hand, the authors explore how routinisation, coordination, embodiment, and social context are central aspects for understanding how, why, and when young people engage in risk-taking practices. Youth, Risk, Routine will be of interest to students and scholars in sociology, criminology, and social work as well as wider social science audiences, particularly those interested in exploring the empirical potential of social theories of practice.

Youth and the Politics of the Present-Taylor & Francis Group 2020-12-18 Youth and the Politics of the Present presents a range of topical sociological investigations into various aspects of the everyday practices of young adults in different European contexts. Indeed, this volume provides an original and provocative investigation of various current central issues surrounding the effects of globalization and the directions in which Western societies are steering their future. Containing a wide range of empirical and comparative examples from across Europe, this title highlights how young adults are trying to implement new forms of understanding, interpretation and action to cope with unprecedented situations; developing new forms of relationships, identifications and belonging while they experience new and unprecedented forms of inclusion and exclusion. Grounding this exploration is the suggestion that careful observations of the everyday practices of young adults can be an excellent vantage point to grasp how and in what direction the future of contemporary Western societies is heading. Offering an original and provocative investigation, Youth and the Politics of the Present will appeal to students and researchers interested in fields such as Youth Studies, Globalization Studies, Migration Studies, Gender Studies and Social Policy.

Youth to Power-Jamie Margolin 2020-06-02 "Jamie Margolin is among the powerful and inspiring youth activists leading a movement to demand urgent action on the climate crisis. With determined purpose and moral clarity, Jamie is pushing political leaders to develop ambitious plans to confront this existential threat to humanity. Youth To Power is an essential how-to for anyone of any age who feels called to act to protect our planet for future generations." --- Former Vice President Al Gore Climate change activist and Zero Hour cofounder Jamie Margolin offers the essential guide to changemaking for young people. The 1963 Children's March. The 2016 Dakota Access Pipeline protests. March for Our Lives, and School Strike for Climate. What do all these social justice movements have in common? They were led by passionate, informed, engaged young people. Jamie Margolin has been organizing and protesting since she was fourteen years old. Now the co-leader of a global climate action movement, she knows better than most how powerful a young person can be. You don't have to be able to vote or hold positions of power to change the world. In Youth to Power, Jamie presents the essential guide to changemaking, with advice on writing and pitching op-eds, organizing successful events and peaceful protests, time management as a student activist, utilizing social and traditional media to spread a message, and sustaining long-term action. She features interviews with prominent young activists including Tokata Iron Eyes of the #NoDAPL movement and Nupol Kiazolu of the #BlackLivesMatter movement, who give guidance on handling backlash, keeping your mental health a priority, and how to avoid getting taken advantage of. Jamie walks readers through every step of what effective, healthy, intersectional activism looks like. Young people have a lot to say, and Youth to Power will give you the tools to raise your voice.
