2018-04-03 The School of Life A pessimist's guide to marriage, offering insight, practical advice, and consolation.	is. He offers new theories and practical advice that awaken us to the meaning already present in our lives and demonstrates how we can enhance it.	2004
2012-01-05 Peter K. Nelson In our ongoing battle against sin in our life as believers, we need all the help we can get. Spiritual Formation: Ever Forming, Never Formed is a breath of fresh air in this fight, setting out biblical foundations and offering practical advice. Spiritual Formation both humbles triumphalistic Christians and gives much needed hope to defeated Christians. Simplistic evangelicals often think of sin as a problem for unbelievers, and yet reality clearly points to the looming presence of indwelling sin in the life of the Christian and its deadly impact on the church. By not fully admitting and openly addressing chronic sin problems, believers deceive themselves and the world that looks on, doing harm to all through this hypocrisy. Spiritual Formation is a scalpel to cut away tumors of ignorance, avoidance, and pride, creating honest believers who then will be an authentic witness to a hurting world.	2004 Melvil Dewey Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.	2016-04-06 Wil Hernandez
2017 Iddo Landau Is it possible for life to be meaningful when the world is filled with suffering, and when so much depends merely upon chance? Landau argues our lives often are, or could be made, meaningful-- we've just been setting the bar too high for evaluating what meaning there	1864 2003-12 Rose Army 1999-10 Donald Mccullough In a world where rudeness is the norm and acts of kindness often make people more suspicious than grateful, who hasn't yearned for a return to good old-fashioned courtesy? Learn life's simple but essential gifts to use daily. 2004 1833 2018-09-20 Francis Augustus Cox Reproduction of the original: Female Scripture Biographies by Francis Augustus Cox 1838 James Currie 2003 2004 Donald W. McCullough Instead of resenting life's limits, whether physical, temporal, or spiritual, learn to embrace them as part of a divinely created portrait. 1875 John Erskine Clarke	2023-12-03 Thomas More Utopia is a work of fiction and socio-political satire by Thomas More published in 1516 in Latin. The book is a frame narrative primarily depicting a fictional island society and its religious, social and political customs. Many aspects of More's description of Utopia are reminiscent of life in monasteries. 2019-01-24 Haemin Sunim A beautiful guide for learning to love ourselves, from the author of the internationally bestselling The Things You Can See Only When You Slow Down No one is perfect. But that doesn't stop us from imagining ourselves smarter, funnier, richer, or thinner, and how much happier we would then be. Love for Imperfect Things, by the bestselling Korean monk, Haemin Sunim, shows how the path to happiness and peace of mind includes not only strong relationships with others, but also letting go of worries about ourselves. Packed with his typical spiritual wisdom, Sunim teaches us to embrace our flaws rather than trying to overcome them, and demonstrates that love has very little to do with perfection. With chapters on self-compassion, relationships, empathy, courage, family, healing, our true nature, and acceptance, as well as beautiful full-colour illustrations, Love for Imperfect Things is a much-needed guide for learning to

<p>love ourselves - imperfections and all. _____ 'Universal truths, beautifully expressed, lovingly illustrated . . . this is a book to keep close at hand' - Mark Williams, co-author of 'Mindfulness: Finding Peace in a Frantic World', on 'The Things You Can See' 'A remarkable gift, a compendium of practical wisdom. It is accessible brilliance' - Allan Lokos, founder and guiding teacher, Community Meditation Center, NYC, on 'The Things You Can See'</p>	<p>sensibility to his analyses of the emotions of love, resulting in a genre-breaking book that is at once touching and thought-provoking."--Publisher's website.</p>	<p>Contradictions of Jazz, Paul Rinzler takes a new approach to jazz aesthetics and theory by exploring four pairs of opposites present in jazz: individualism and interconnectedness, assertion and openness, freedom and responsibility, and creativity and tradition. By themselves, these eight values speak volumes about the meaning of jazz and its significance. Understanding how these opposites coexist in jazz leads to an exploration of the connections linking jazz with the experiential and existential, which contrast with the connections between composition and science. Rinzler explains the various concepts, including either/or and dialectic thinking, and then examines the pairs of opposites individually, describing their position and presence in jazz. He then demonstrates how the larger meaning of these contradictory opposites depends on ideas from the philosophies of phenomenology and existentialism. Rinzler considers the opposites inherent in the product and process of jazz, as well as mistakes and the challenge of perfection, presenting these values in light of the contradictions inherent in jazz. With a full bibliography and an index, The Contradictions of Jazz is a fascinating read for fans and scholars of jazz history and aesthetics.</p>
<p>2004</p>	<p>2012-10-24 Anna-Teresa Tymieniecka The classic conception of human transcendental consciousness assumes its self-supporting existential status within the horizon of life-world, nature and earth. Yet this assumed absoluteness does not entail the nature of its powers, neither their constitutive force. This latter call for an existential source reaching beyond the generative life-world network. Transcendental consciousness, having lost its absolute status (its point of reference) it is the role of the logos to lay down the harmonious positioning in the cosmic sphere of the all, establishing an original foundation of phenomenology in the primogenital onto-poiesis of life.</p>

<p>2006 Alain De Botton "Essays in Love will appeal to anyone who has ever been in a relationship or confused about love. The book charts the progress of a love affair from the first kiss to argument and reconciliation, from intimacy and tenderness to the onset of anxiety and heartbreak. The work's genius lies in the way it minutely analyses emotions we've all felt before but have perhaps never understood so well: it includes a chapter on the anxieties of when and how to say 'I love you' and another on the challenges of disagreeing with someone else's taste in shoes. While gripping the reader with the talent of a great novelist, de Botton brings a philosopher's</p>	<p>2004 An author and subject index to selected and American Anglo-Jewish journals of general and scholarly interests.</p>
