2012-04 Alexandre Dumas
"Follow Edmond Dantes as he escapes from Chateau d'If after being imprisoned for 14 years. With the knowledge gained in prison, Dantes locates an immense treasure, recreates himself as a dashing count, and vows to reward those who were kind to him while punishing those who conspired to imprison him. A classic and timeless tale of wit, revenge and hope."--Back cover.

1966 Oscar Wilde

2015-02-24 Victor Hugo The first new Penguin Classics translation in forty years of Victor Hugo's masterpiece, the subject of The Novel of the Century by David Bellos—published in a stunning Deluxe edition. Winner of the French-American Foundation & Florence Gould Foundation's 29th Annual Translation Prize in Fiction. The subject of the world's longest-running musical and the award-winning film, Les Misérables is a genuine literary treasure. Victor Hugo's tale of injustice, heroism, and love follows the fortunes of Jean Valjean, an escaped convict determined to put his criminal past behind him, and has been a perennial favorite since it first appeared over 150 years ago. This exciting new translation with Jillian Tamaki's brilliant cover art will be a gift both to readers who have already fallen for its timeless story and to new readers discovering it for the first time. For more

than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

2016-08-25 Alexandre 1802-1870 Dumas This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on

the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

2020-12-06 Alexandre Dumas

On the day of his wedding, Edmond Dantès is falsely accused of treason, arrested, and imprisoned without trial in a grim island fortress off Marseilles. A fellow prisoner inspires Dantès to escape and guides him to a fortune in treasure. Dantès returns home under the pseudonym of the mysterious Count of Monte Cristo, in order to avenge himself on the men who conspired to destroy him. The Count of Monte Cristo takes place in France, Italy, and islands in the Mediterranean during the historical events of 1815-1839: the era of the Bourbon Restoration through the reign of Louis-Philippe of France. It begins just before the Hundred Days period (when Napoleon returned to power after his exile). The historical setting is a fundamental element of the book, an adventure story primarily concerned with themes of hope, justice, vengeance, mercy, and forgiveness. It centres around a man who is wrongfully

imprisoned, escapes from jail, acquires a fortune, and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty.

2013-01-25 Alexandre Dumas This carefully crafted ebook: "The Count Of Monte Cristo (Complete)" is formatted for your eReader with a functional and detailed table of contents. The Count of Monte Cristo (French: Le Comte de Monte-Cristo) is an adventure novel by French author Alexandre Dumas (père). It is one of the author's most popular works, along with The Three Musketeers. Dumas completed the work in 1844. The story takes place in France, Italy, islands in the Mediterranean, and in the Levant during the historical events of 1815–1838. It is an adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his

plans have devastating consequences for the innocent as well as the guilty. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood." This English translation was originally published in 1846 by Chapman and Hall, London.

2019-03-07 Alexandre Dumas "Waiting and hoping" is all Edmond Dantes' wisdom. Proud sailor about to be appointed captain and marry his beloved, Mercedes, he was arrested. Denounced as a bonapartist, he is locked in the castle of If and will wait fourteen years for his deliverance and revenge. It will be terrible. Edmond Dantes became rich and titled. His old cellmate, Father Faria, revealed his secret to him and made him Count of Monte Cristo. After his spectacular escape, the fortunes were made and broken at the whim of his implacable will. Dumas recounts these extraordinary adventures with genius, "It took him excesses of life to renew this enormous home of life," said George Sand, admiring.

2010-12-21 Alexandre Dumas This collection of beautiful, enduring hardcover editions features enchanting stories of swashbuckling heroes, noble knights, and sinister pirates, all from Everyman's Library Children's Classics. With colorful cloth sewn bindings,

charming full-color illustrations, elegant gold stamped covers, and silk ribbon markers, these are books that children and adults will cherish for years. Titles included: The Adventures of Robin Hood by Roger Lancelyn Green King Arthur and His Knights of the Round Table by Roger Lancelyn Green The Three Musketeers by Alexandre Dumas Treasure Island by Robert Louis Stevenson

1913

2011 Terry Seymour The total number of Everyman's Library volumes that still survive somewhere in the world exceeds 70 million. Since the inception of the Library in 1906, nearly 1200 unique volumes have been published, constantly placing the world's greatest books before a large public. A few of these titles proved unpopular and were never reprinted. But most were reprinted dozens of times, packaged in numerous ways, and benefited from updated editorial work and book design over the last century. Terry Seymour has studied and researched every aspect of this great mass of books. He now captures and distills this knowledge in A Printing History of Everyman's Library 1906-1982. A critical feature, of course, is to update the various collecting factoids that have emerged since 2005 when his Guide to Collecting Everyman's Library was published. The meat of the new book, however, is the Bibliographical Entries section. Each volume that has ever

been printed receives its own entry, detailing every printing, each dust jacket variation, any new introductions, updated scarcity numbers, and all relevant notes. Typically an entry contains at least six lines of information, but often much more. In essence, each entry is a story written exclusively about each volume. Armed with this resource, collectors and booksellers can know reliably everything about the Everyman's Library volume that sits on their shelf or is ready to be purchased or sold. They will see how a book fits into the total printing history of that title, and be able to describe and value the book with precision. To further enhance the value of this book, color images illustrate all of the key collecting points. An extensive index of editors, translators and artists is now included. Not just a solo effort, the Printing History has been vetted by other expert collectors, ensuring greater accuracy and comprehensiveness.

1999-09-21 Alexandre Dumas Dumas's most popular novel has long been a favorite with children, and its swashbuckling heroes are well known from many a film and TV adaptation. Set in 17th-century France, this tale of the adventures of D'Artagnan and the three musketeers is the finest example of its author's brilliantly inventive storytelling genius.

1913 University of Chicago. University High School

2015-06-11 Alexandre Dumas This vintage book contains the second volume of Alexandre Dumas's famous adventure novel, "The Count of Monte Cristo." Set in early nineteenth century France during the time of the Bourbon Restoration, it tells the story of a man's wrongful imprisonment, his escape, and his indefatigable quest for revenge. A masterful tale of hope, justice, vengeance, mercy, and forgiveness, "The Count of Monte Cristo" is rightfully one the most famous novels of all time, and deserves a place on every bookshelf. Alexandre Dumas (1802-1870) was a famous French writer. He is best remembered for his exciting romantic sagas, including "The Three Musketeers" and "Chicot the Jester." Despite making a great deal of money from his writing, Dumas was almost perpetually penniless thanks to his extravagant lifestyle. His novels have been translated into nearly a hundred different languages, and have inspired over 200 motion pictures. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing this antiquarian book now in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author.

1917 Arthur Coleman Monahan

1917 Horace Adelbert Hollister

2009-06-02 Alexandre Dumas

This beloved novel tells the story of Edmond Dantès, wrongfully imprisoned for life in the supposedly impregnable sea fortress, the Château d'If. After a daring escape, and after unearthing a hidden treasure revealed to him by a fellow prisoner, he devotes the rest of his life to tracking down and punishing the enemies who wronged him. Though a brilliant storyteller, Dumas was given to repetitions and redundancies; this slightly streamlined version of the original 1846 English translation speeds the narrative flow while retaining most of the rich pictorial descriptions and all the essential details of Dumas's intricately plotted and thrilling masterpiece. Alexandre Dumas's epic novel of justice, retribution, and self-discovery—one of the most enduringly popular adventure tales ever written—in a newly revised translation.

2007-12-18 Anton Chekhov (Book Jacket Status: Jacketed) Aanton Chekhov, widely hailed as the supreme master of the short story, also wrote five works long enough to be called short novels—here brought together in one volume for the first time, in a masterly new translation by the award-winning translators Richard Pevear and Larissa Volokhonsky. The Steppe—the most lyrical of the five—is an account of a nine-year-old boy's frightening journey by wagon train across the steppe of southern Russia. The Duel sets two decadent figures—a fanatical rationalist and a man

of literary sensibility—on a collision course that ends in a series of surprising reversals. In *The Story of an Unknown Man*, a political radical spying on an important official by serving as valet to his son gradually discovers that his own terminal illness has changed his long-held priorities in startling ways. *Three Years* recounts a complex series of ironies in the personal life of a rich but passive Moscow merchant. In *My Life*, a man renounces wealth and social position for a life of manual labor. The resulting conflict between the moral simplicity of his ideals and the complex realities of human nature culminates in a brief apocalyptic vision that is

unique in Chekhov's work.

1918

2014-03-15 Alexandre Dumas
This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the

imperfections in the preservation process, and hope you enjoy this valuable book.
