

The Covenant Of Grace

The Covenant of Grace in Puritan Thought-John Von Rohr 2010-09-01 A comprehensive account of the major theological themes in the late sixteenth and early seventeenth century Puritanism of England and New England as seen through the concept "covenant of grace." The covenant of grace, von Rohr argues, enabled Puritanism to affirm both a continuation of Calvinistic predestinationism and an emergent voluntaristic pietism, pastorally both the absolute and conditional promises of God. An extensive array of primary source material is used in substantiating the author's thesis.

Infant Baptism and the Covenant of Grace-Paul King Jewett 1978 This is a print on demand book and is therefore non- returnable. Paul Jewett, author of the creative and highly provocative book Man As Male and Female, here turns his critical attention to the practice of infant baptism. Jewett does not accept the traditional "covenant" argument for baptizing infants, and this book explains why he believes this argument fails. Infant baptism is not a subject which can be isolated. For, as Jewett would have his readers understand, one's view on this issue is integrally related to one's view of the sacraments in general and thereby to the whole doctrine of the church and salvation. Thus it is understandable that what appears to be a minor theological question has had such divisive effects on the church. A discussion of the historical source of infant baptism begins Jewett's critique and introduces such issues as the distinction between infants and children, the silence of certain early church fathers on the subject, infant communion, and catechetical instruction. The second and major portion of this book examines the theological issue, focusing specifically on the covenant argument, which suggests that baptism replaces circumcision as the sign of the covenant and thereby is given to infants. This argument, Jewett claims, fails to take into account the historical character of revelation, and contains certain contradictions. Jewett concludes with a creative defense of believer baptism, one which is theologically responsible and which recognizes the profound truths of covenant theology.

The Gospel-covenant-Peter Bulkeley 1651

God's Covenant of Grace-Ed Steele 2015-06-17 The prominence of God's grace in Scripture and what it provides for man and the use of covenants in sealing agreements between individuals are revealed in this book. God's Covenant of Grace reveals that all grace is provided through the benefits of a covenant of grace God made with Himself in Genesis 15. The grace of God provides salvation to the lost, enables the saved to serve, and meets the needs of all who are trusting in Him. But, God does not have a large reservoir filled with grace to draw from to provide what man needs. Neither is grace something He creates as needed. Grace is available to man as a fruit of the covenant the Father made with the Son in the presence of Abraham. The making of a Biblical covenant was much more than a promise or a vow. It was actually a cutting of a covenant that involved the shedding of blood. The ones entering a covenant made a commitment that would last a life time and pledged their lives to the keeping of the covenant. In Genesis 15, Abraham was told to cut up sacrifices suitable for the making of a covenant, but the actual covenant was made between the Father and the Son. It was a covenant of grace that confirmed the promise God made to Abraham in Genesis 12. The book reveals how the nation of Israel repeatedly called on God throughout the Old Testament claiming the benefits of the covenant of grace. When Jesus came to earth, died on the cross, arose from the dead, and ascended back to the Father, He was in fact the Seed of Abraham fulfilling what He had promised when making the covenant of grace with the Father in Genesis 15. All of God's grace is available to all members of Adam's race because of the covenant of grace. Readers of God's Covenant of Grace are continually reminded that, on the occasion of their need and at the time of their request, God's grace will be sufficient for them.

The Covenant of Grace-John Murray 1953

A View of the Covenant of Grace from the Sacred Records ...-Thomas Boston 1797

A Treatise on the Covenant of Grace. [With a portrait.]-John COLQUHOUN (D.D.) 1818

The Covenant of Works and the Covenant of Grace-Edmund Calamy 2014-02-11 This work by master theologian Edmund Calamy is a work of the highest order on covenant theology. Calamy says that there are two covenants, following the received standards of the Westminster Confession. There is the Covenant of Works, where all men by nature lie under the pollution and guilt of Adam's sin, and liable to all the curses and penalties due to them for breach of that covenant. And then, secondly, there is the Covenant of Grace which God the Father made with Jesus Christ from all eternity to save some of the posterity of Adam. Calamy carefully and methodically explains that the Covenant of Grace was prepared and readied against the fall of Adam to take place at the very moment of his fall; otherwise the justice of God would have immediately seized on all of creation under heaven, and consumed them to nothing. But Jesus Christ came with the covenant in his hand saying, "Be gracious unto him, and deliver him from going down to the pit, I have found a ransom," (Job 33:24). Calamy proves that the Covenant of Grace was made with Jesus Christ, and this was the contract of God the Father with God the Son from all eternity as mediator for the salvation of the elect. This is not a scan or facsimile, has been updated in modern English for easy reading and has an active table of contents for electronic versions.

A Treatise of the Covenant of Grace-John Ball 1645

The Covenant of Grace Opened-Thomas Hooker 2013-06-12 In this powerful treatise on the covenant of grace, Hooker teaches from Genesis 17:23, "And Abraham took Ishmael his son, and all that were born in his house...and circumcised the flesh of their foreskin...as God had said unto him." He covers, 1. What the Covenant of Grace is, 2. What the seals of the covenant are, and 3. Who the parties and subjects are fit to receive these seals. From all these particulars he shows how infant baptism is fully proved and vindicated. His explanation is poignant, clear, practical and eminently biblical. He shows what the covenant of grace is, the spiritual efficacy of the covenant, who are those capable of being in covenant with God, the operation of the spirit, the importance of federal holiness, lawful administration of the covenant seals, and he even takes time to refute Anabaptism. (His section on federal holiness is worth the cost of this volume alone.) This is not a scan or facsimile, has been updated in modern English for easy reading and has an active table of contents for electronic versions.

The Covenant of Grace, and Baptism the Token of It, Explained Upon Scripture Principles-John TAYLOR (D.D., of Norwich.) 1757

A View of the Covenant of Grace from the Sacred Records-Thomas Boston 1827

What is Reformed Theology?-R. C. Sproul 2016-09-13 What Do the Five Points of Calvinism Really Mean? Many have heard of Reformed theology, but may not be certain what it is. Some references to it have been positive, some negative. It appears to be important, and they'd like to know more about it. But they want a full, understandable explanation, not a simplistic one. What Is Reformed Theology? is an accessible introduction to beliefs that have been immensely influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God, based on God's Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace.

Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

A Body of Divinity-Thomas Watson 2015-11-29 Thomas Watson's Body of Practical Divinity is one of the most precious of the peerless works of the Puritans; and those best acquainted with it, prize it most. Watson was one of the most concise, racy, illustrative, and suggestive of those eminent divines who made the Puritan age the Augustan period of evangelical literature. There is a happy union of sound doctrine, heart-searching experience and practical wisdom throughout all his works; and his Body of Divinity is, beyond all the rest, useful to the student and the minister. He explains the Doctrines of God, Divine Sovereignty, Salvation, Sin, and the Trinity with remarkable clarity. His thinking is sound and Scriptural. Puritan theology sets the diadem of our salvation on Christ, and Christ alone, and it is solely on the basis of his meritorious work that we are saved.

The Gospel-Covenant: or, the Covenant of Grace opened ... Preached in Concord in New-England. With a preface by Thomas Shepard-Peter BULKLEY 1651

The Great Mystery of the Covenant of Grace-Samuel Petto 2020-06-05 John Owen concludes his excellent Preface with these words: "This worthy author has laboured, if I am not much mistaken, unto good success. And, as his design is to extricate things which seemed perplexed, to give light into the whole doctrine of the covenants, by declaring the proper order and method of things contained in them, with their respect one unto another; that the grace of God, in the Covenant of Grace, may be exalted, and his faithfulness, with his holiness, in the Covenant of Works, both in and by Jesus Christ, the end of the one, and the life of the other. So the reader will find, I hope, that satisfaction in these great and deep enquiries, which he will have occasion to return praise and thanks to God for." Mark Jones concludes his excellent New Introduction with these words: "The rewards are to be reaped from a careful study of this work. I would suggest keeping a Bible and pencil close by since Petto is constantly making reference to the Scriptures without giving the quotation of the passage cited. But more importantly, I would suggest keeping your heart firmly fixed upon the Lord Jesus Christ as he reveals to you, by his Spirit, THE GREAT MYSTERY OF THE COVENANT OF GRACE."

A Treatise of the Covenant of Grace: wherein the graduall breakings out of Gospel-grace from Adam to Christ are clearly discovered ... Published by Simeon Ash-John BALL (Puritan Divine.) 1645

What is The"Covenant of Grace?".-Edward Wilkinson 1875

A view of the covenant of grace from the sacred records, etc. [The advertisement signed by his son, Thomas Boston.]-Thomas BOSTON (the Elder.) 1787

The Great Mystery of the Covenant of Grace-Samuel Petto 1820

The Believer's Privileges in the Covenant of Grace-Thomas Watson 2017-11-09 In this work, Watson explains what the biblical privileges of the Covenant of Grace are for a believer. He demonstrates that such privileges are in fact benefits lavished on the Christian by the work and ministry of Jesus Christ, through his life, death, resurrection and present intercession. It is impossible to divorce the privileges of a believer as a redeemed individual with the connection he has with Christ in the Covenant of Grace. Christ's covenant, ministered to the believer through faith, is the mode in which the believer will obtain all the benefits offered. There are, according to Watson, twelve royal benefits of being in the covenant with Christ's blood covering the believer. Such royal privileges surround death, the ministry of angels, the presence of Christ in glory, a blessed inheritance, clear knowledge, perfect love, the resurrection and glorification of our bodies, a holy disposition in heaven, a vindication of our reputations at the judgment, a complete sentence of absolution from sin, and a public and honorable mention of all the good which believers have done in this life. After explaining his main text, "All things are yours," (1 Corinthians 3:21), and expounding the twelve privileges, he spends the last third of the work showing important inferences which evolve out of this doctrine. Finally, he completes the work with its longest chapter (chapter 22) showing all the duties that a believer should exercise knowing, now, that he has received such privileges from Christ in the Covenant of Grace. Watson's style and illustrative manner is second to none in Puritan literature. His illustrations are often short, pithy and to the point. They paint wonderful pictures to drive home the truth of the Scripture-filled work on this most important topic. It is truly a work that ought not to be skimmed, or read in a rush, but rather, soaked in and meditated upon to milk out of it all its benefits, that Christ may be clearly seen. This work is not a scan or facsimile, has been carefully transcribed by hand being made easy to read in modern English, and has an active table of contents for electronic versions.

A Sermon on the Covenant of Grace, which God made with Abraham, etc-Charles BOWLES (Congregational Pastor.) 1841

The Biblical Doctrine of Infant Baptism-Pierre Charles Marcel 1953 The authoritative treatment of the doctrine of baptism within the broad context of the theology of justification and grace, yet without losing sight of the essential Biblical background.
