The Crimes of Love-Marquis de Sade 2005-03-10 'Senneval, you see in me your sister, the girl you seduced at Nancy, the woman who murdered your son, the wife of your own father and the ignoble creature who sent your mother to the gallows...' Who but the Marquis de Sade would write, not of the pain, tragedy, and joy of love but of its crimes? Murder, seduction, and incest are among the cruel rewards for selfless love in his stories; tragedy, despair, and death the inevitable outcome. Sade's villains will stop at nothing to satisfy their depraved passions, and they in turn suffer under the thrall of love. Psychologically astute, and defiantly unconventional, these stories show Sade at his best. A skilled and artful storyteller, he is also an intellectual who asks questions about society, about ourselves, and about life, for which we have yet to find the answers. This new selection includes 'An Essay on Novels', Sade's penetrating survey of the novelist's art. Trials of Passion-Lisa Appignanesi 2014-04-03 This book journeys into the heart of dark passions and the crimes they impel. When passion is in the picture, what is criminal, what sane, what mad or simply bad?

Brighton, 1870: A well-respected spinster infuses chocolate creams with strychnine in order to murder her lover's wife. Paris, 1880: A popular performer stalks her betraying lover through the streets of the city for weeks and finally takes aim. New York, 1906: A millionaire shoots dead a prominent architect in full view of a theatre audience. Through court and asylum records, letters and newspaper accounts, this book brings to life a period when the psychiatric professions were consolidating their hold on our understanding of what is human. An increasingly popular press allowed the public unprecedented insight into accounts of transgressive sexuality, savage jealousy and forbidden desires. With great story-telling flair, Lisa Appignanesi teases out the vagaries of passion and the clashes between the law and the clinic as they stumble towards a (sometimes reviled) collaboration. Sexual etiquette and class roles, attitudes to love, madness and gender, notions of respectability and honour, insanity and lunacy, all are at play in that vital forum in which public opinion is shaped - the theatre of the courtroom.

Crimes of Love-Donald Levin 2011-12-08 One cold November night, police detective Martin Preuss joins a frantic search for a seven-year-old girl with epilepsy who has disappeared from the streets of his suburban Detroit community. Unwilling to let go after the county sheriff's office takes over the case from his city agency, he strikes out on his own, following leads across the entire metropolitan region. Probing deep into the anguished lives of all those who came in contact with the missing girl, Preuss must summon all his skills and resources to solve the many crimes of love he uncovers. Believable and sympathetic characters, fast-paced storytelling, and keen insights into the weaknesses that beset the human heart make this first Martin Preuss mystery impossible to put down. CRIMES OF LOVE is a must-read for fans of Henning Mankell and Karin Fossum, as well as the Detroit-based noir of Elmore Leonard and Loren Estleman. "Delivers all the elements of a solid police procedural, including a missing child, a determined detective with a fractured heart, slimy suspects, and a surprising ending. I commend Don Levin for bringing realism to an outrageous story of love and violence." --Elizabeth Sims, author of the Rita Farmer Mysteries

The Marquise de Gange-The Marquis de Sade 2021-10 Loosely based on one of the most notorious crimes of the seventeenth century, The Marquise de Gange by The Marquis de Sade is a neglected classic. Although a departure from his earlier pornographic and libertine works, the novel reads with the same subversive tension of an author plotting against virtue in his distress.

The Crimes of Jordan Wise-Bill Pronzini 2009-05-26 Jordan Wise is a mild-mannered accountant with a large San Francisco engineering firm in the late 1970s. By his own admission, the first thirty-four years of his life were dull, empty. But that all changes when he meets and falls in love with Annalise Bonner, an ambitious young woman who craves excitement, a life on the edge. With her as the catalyst, Wise concocts and executes a meticulous plan to steal more than half a million dollars from his firm. They escape to the Virgin Islands, but their plans to live a life of quiet luxury are beset by unexpected pitfalls -- and Wise is forced to carry out two more ingenious schemes as a result. All three of his crimes are perfect -- or are they? THE CRIMES OF JORDAN WISE is a classic tale of love, greed, betrayal, and violence told with Bill Pronzini's characteristic twists and turns and his special brand of suspense. It is also a powerful psychological examination of a man, a woman, and the wages of sin.

Florville and Courval-Marquis de Sade 2013-03-12 Courval has asked Florville to marry him. Florville decides that before she can marry him she must confess all of her sins to him so that they will have no secrets. The tales are sordid and come together in an entirely unexpected way for both the narrator and the reader. A classic.

Fantastic Beasts: the Crimes of Grindelwald - the Original Screenplay-J.K. Rowling 2019-11-14 The Wizarding World journey continues . . . The powerful Dark wizard Gellert Grindelwald was captured in New York with the help of Newt Scamander. But, making good on his threat, Grindelwald escapes custody and sets about gathering followers, most of whom are unsuspecting of his true agenda: to raise pure-blood wizards up to rule over all non-magical beings. In an effort to thwart Grindelwald's plans, Albus Dumbledore enlists Newt, his former Hogwarts student, who agrees to help once again, unaware of the dangers that lie ahead. Lines are drawn as love and loyalty are tested, even among the truest friends and family, in an increasingly divided wizarding world. Fantastic Beasts: The Crimes of Grindelwald is the second screenplay in a five-film series to be written by J.K. Rowling, author of the internationally bestselling Harry Potter books. Illustrated with stunning line art from MinaLima with some surprising nods to the Harry Potter stories that will delight fans of both the books and films.

The Crimes of Paris-Thomas Hoobler 2009-04-27 Turn-of-the-century Paris was the beating heart of a rapidly changing world. Painters, scientists, revolutionaries, poets -- all were there. But so, too, were the shadows: Paris was a violent, criminal place, its sinister alleyways the haunts of Apache gangsters and its cafes the gathering places of murderous anarchists. In 1911, it fell victim to perhaps the greatest theft of all time -- the taking of the Mona Lisa from the Louvre. Immediately, Alphonse Bertillon, a detective world-renowned for pioneering crime-scene investigation techniques, was called upon to solve the crime. And quickly the Paris police had a suspect: a young Spanish artist named Pablo Picasso....

The Crimes of Dr Gramshaw-Rosemary Cook 2020-09-10 Dr Gramshaw was a successful family doctor in Yorkshire for thirty-five years, until his final desperate actions brought his professional and personal life crashing down around him. It was Easter 1908 when he called at the Glynn Hotel in York to attend to a young woman called Margaret Brown, who had been his patient before and who wanted his advice again. By the end of the month, Margaret was dead and a Coroner's inquest was uncovering a lot of uncomfortable information about the young governess and the doctor who tried to help her. This is a fascinating and shocking story of love and lust, success and deceit, crimes and lies, adultery, bigamy and insanity. The events in it are true, reconstructed by detailed research into public records. As the truth emerges about the lies, deceptions and crimes that infiltrated Dr Gramshaw's life, we are left to wonder: did anyone know about these before the final tragedy occurred? Should his family have seen what was happening? And why, when he was so popular, successful and respected that even after his exposure 1000 people attended his funeral, did Dr Gramshaw throw it all away so recklessly?

The Thousand Crimes of Ming Tsu-Tom Lin 2021-06-01 WINNER OF THE 2022 CARNEGIE MEDAL FOR EXCELLENCE IN FICTION A New York Times Book Review Editors' Choice An astounding debut that reimagines the classic Western through the eyes of a Chinese American assassin on a quest to rescue his kidnapped wife and exact his revenge on her abductors, and "declares the arrival of an astonishing new voice" (Jonathan Lethem). Orphaned young, Ming Tsu, the son of Chinese immigrants, is raised by the notorious leader of a California crime syndicate, who trains him to be his deadly enforcer. But when Ming falls in love with Ada, the daughter of a powerful railroad magnate, and the two elope, he seizes the opportunity to escape to a different life. Soon after, in a violent raid, the tycoon's henchmen kidnap Ada and conscript Ming into service for the Central Pacific Railroad. Battered, heartbroken, and yet defiant, Ming partners with a blind clairvoyant known only as the prophet. Together the two set out to rescue his wife and to exact revenge on the men who destroyed Ming, aided by a troupe of magic-show performers, some with supernatural powers, whom they meet on the journey. Ming blazes his way across the West, settling old scores with a single-minded devotion that culminates in an explosive and unexpected finale. Written with the violent ardor of Cormac McCarthy and the otherworldly inventiveness of Ted Chiang, The Thousand Crimes of Ming Tsu is at once a thriller, a romance, and a story of one man's quest for redemption in the face of a distinctly American brutality. "In Tom Lin's novel, the atmosphere of Cormac McCarthy's West, or that of the Coen Brothers' True Grit, gives way to the phantasmagorical shades of Ray Bradbury, Charles Finney's The Circus of Dr. Lao, and Katherine Dunn's Geek Love. Yet The Thousand Crimes of Ming Tsu has a velocity and perspective all its own, and is a fierce new version of the Westward Dream." —Jonathan Lethem, author of Motherless Brooklyn

The Crimes of Wildlife Trafficking-Ragnhild Aslaug Sollund 2019-01-22 This book examines trade and trafficking in endangered animal species and how the trade increasingly puts large numbers of nonhuman species at risk. Focusing on illegal trafficking, the book also discusses the harmful aspects of the trade and trafficking which is taking place in concordance with laws and regulations. Drawing on the findings of empirical research from Norway and Colombia, the study discusses how this global, transnational trend is addressed, and features of the trade and the ways in which it is controlled in the two case study locations. It also explores the motives driving the trade, and the consequences in terms of animal abuse and environmental harm. The book discusses whether internationally agreed measures, such as international conventions, actually help prevent the trade. Possible ways to address the harms of wildlife trade are considered, including a total ban. The work draws on a green criminology and eco feminist theoretical framework to provide a broad perspective on concepts such as harm, animal rights, species justice and speciesism.
