The Cross of Christ-John Stott 2012-11-29 Why should the cross—an object of Roman distaste and Jewish disgust—be the emblem of our worship and the axiom of our faith? And what does it mean for us today? In this thoughtful, comprehensive study of Scripture, tradition and the modern world, John R. W. Stott brings you face to face with the centrality of the cross in God's plan of redemption.

Beneath the Cross-George Everard 2016-06-25 "'Beneath the Cross' will be found an admirable treatise, providing communicants with suitable counsels, meditations, and prayers, all on the principle that 'the Cross is the central point' in human redemption. The true office of a sacrament, as being a channel of blessing and not merely an aid to memory, is fully maintained. The author has great experience as a pastor, and his little book is calculated for much usefulness." -The Christian Observer and Advocate The cross of Christ is the believer's lesson book. The sufferings He bore for our sake, should be the subject of our constant meditation. It is true we should ponder the story of His wondrous life, and rejoice in the victory achieved by His Resurrection. We delight to think upon His Ascension to the right hand of the Father, upon His faithful intercession before the throne, and the hope of His coming kingdom. But the Cross is the central point. It is that to which through life He was ever looking forward. His Resurrection ensures to us the benefits there purchased for us. And as our exalted High Priest, He has no other plea than the work He completed for us. As the Lamb slain from the foundation of the world, He abides in His mediatorial kingdom. It is to His death, that the redeemed will ascribe the glory of their salvation: "Worthy is the Lamb who was slain to receive power, and riches, and wisdom, and strength, and honor, and glory, and blessing!" Especially, in the Lord's Supper , it is our privilege to dwell on the scenes and incidents connected with our Lord's death. The whole value and significance of the Lord's Supper rests upon the work wrought out for us on the tree. It was instituted by Christ on the night of His betrayal, before He entered the dark valley of conflict, agony, and shame. It speaks to us not of His life or His resurrection -- but of that dying love on account of which He gave His body to be broken and His blood to be shed for the redemption of sinners. "And to the end that we should always remember the exceeding great love of our Master, and only Savior, Jesus Christ, thus dying for us, and the innumerable benefits which by His precious blood-shedding He has obtained to us; He has instituted and ordained holy mysteries, as pledges of His love, and for a continual remembrance of His death, to our great and endless comfort." Nowhere, as in the Cross and in the scenes connected with it -- do we see such revelations of the heart of Christ. Love bursts forth in every direction, both to friends and foes. The last touch of the hand so soon to be pierced, before it is fettered and bound, must be for the healing of one sent to apprehend Him. No thought for Himself, shall hinder Him from pleading for His disciples, that they might go their way unharmed. Mercy shines forth in her beauty, seeking pardon for His cruel murderers, compassionating the daughters of Jerusalem, and saving a sinner of the deepest dye. Justice, too, stands forth in unsullied glory. In paying the debt of human guilt, in bearing the penalty of a broken law -- Christ is seen to be a just God as also a Savior. Beneath the Cross likewise you may best learn to cultivate every Christian grace and virtue. Meekness and courage, zeal and love, prayer and patience and longsuffering, and submission to the will of God -- are the fruits of a believing view of Christ's death. You may learn, too, to conquer sin by the sight of that which it cost Christ to save you from it. The nail and the spear may be driven through the sins which have been most cherished. You may thus be enabled to crucify the flesh with the affections and lusts.
